

**DEPARTMENT OF PHYSICS  
NATIONAL INSTITUTE OF TECHNOLOGY  
KURUKSHETRA-136119 (HARYANA)**

**Advt. No.: NITKKR/IUAC/2017/01**

**Dated: 20.01.2017**

Applications are invited for the post of one Junior Research Fellow (JRF) position in the IUAC sponsored research project entitled “**Dielectric Relaxation Investigations in Swift Heavy Ion Irradiated Ferroelectric Ceramic/ Polymer Nanocomposites**” under Dr. J K Quamara, Professor in Department of Physics, NIT Kurukshetra.

**Essential Qualification:** 1st Class M.Sc. in Physics/ Applied Physics.

**Desirable Qualification:**

- (i) Research experience in polymer composites,
- (ii) Knowledge of characterization tools.

**Stipend:** As per IUAC norms.

**Duration:** Three years.

Interested candidates are advised to walk in interview on **6<sup>th</sup> February, 2017** at **10:00 AM** in the Department of Physics, National Institute of Technology, Kurukshetra along with their curriculum vitae giving full particulars of their educational qualification and attested copies of certificates, experience, publications research interest etc. A copy of the curriculum vitae (excluding the other relevant particulars) may also sent by email. No TA/DA will be provided for attending the interview.

**Contact address:**

**Dr. J K Quamara**  
(Principal Investigator)  
Professor,  
Department of Physics,
