

Step into the World of Machine Learning and AI

Seminar-Cum-Awareness Program

On

Data Analytics

Thursday | November 1, 2018

Organized by

**Training & Placement Cell
National Institute of Technology
Kurukshetra**

And

Acadgild | Bengaluru

Acadgild

Preamble

Data science is a fast-growing field in India. It is proving to be effective not just across industries but also across departments within organizations. The field has seen unprecedented growth in recent years and the demand for data professionals is quickly rising. In fact, there is a shortage of data scientists. And many developers are gathering skills in machine learning and deep learning to take advantage of the situation. Data scientists are one of the highest paid professionals in the market. The work of a data scientist is not for the faint-hearted. It is challenging and dynamic, but wholly rewarding. The data science boot-camp lets you get up close and professional with leading experts from the field. Don't just learn theory from them in class but also collaborate with them on hands-on projects and assignments to bring your dreams to life.

National Scenario

India contributes the fourth highest number of data scientists in the world. Our analytics industry is growing at 23.8% CAGR. The number of data scientists in India is expected to increase by 28% in the next 3 years. There are around 50,000 open jobs for data professionals. 60% of India's analytics revenue comes from exporting services to US. Delhi and Bangalore are the biggest contributors to analytics revenue at 28% and 27% respectively. This seminar-cum-awareness program will help faculty members and research fellows (PhD scholars) discover amazing opportunities in this fast-growing field.

About The Institute

National Institute of Technology, Kurukshetra one of the 31 NITs in the country, is a premier center of learning and research in various disciplines of Engineering. Established in 1963 as an REC - a joint enterprise of the Government of India and the Government of Haryana - the Institute was elevated to a National Institute with Deemed University in June 2002. The Institute has made rapid strides in expanding and upgrading facilities, enhancing the quality of education and strengthening the linkage with industry. The Institute alumni are well placed in reputed organizations in India and abroad. The Institute is offering B.Tech. M.Tech. and Ph.D. programme in various disciplines.

About Acadgild

Acadgild is one of India's premier online platforms for technical training. Using a hybrid education model, which combines the intensity of classroom training with the convenience of online learning, they offer professionals and students a platform to develop new, deployable skills in programming, design and analytics. Their courses help freshers and experienced professionals learn the most in-demand skills in the market from industry experts, who blend traditional methods of teaching with new, digital ones for an unmatched learning experience. Their vision is to bridge the skill sets gap in our country and empower our future workforce by making education more accessible, affordable, engaging, and relevant for new-age tech careers.

Resource Persons

Data Analytics Experts from Industry

Who should attend

The proposed seminar-cum-awareness program is designed and intended for faculty members of engineering colleges, government officials | industry persons | UG | PG students and PhD research scholars working / interested in this emerging area.

Patron

Padma Shri Dr. Satish Kumar | Director

Advisors

Prof. Brahmjit Singh | Dean (R&C)
Sh. Karthik Kadampully | CEO | AEON Learning Pvt Ltd Bengaluru
Prof. Mayank Dave | Professor | Computer Engg.
Prof. Pankaj Chandna | Prof- In charge (T & P)
Prof J. S. Lather Professor | Elect Engg
Dr. R. K. Aggarwal | HOD | Computer Engg.

Convener

Dr. Virender Ranga
Faculty-In charge | Industry Cell

How to Apply

Interested participants should submit the scanned copy of complete application form on a prescribed format to mail-id: virender.ranga@nitkkr.ac.in on or before 31/10/2018. The hard copy must be submitted at the time of registration. The launch of Centre of Excellence (CoE) at NIT Kurukshetra will be followed by the orientation session.

Registration Fee

There is no registration fee for this seminar.

Address for Correspondence

Dr. Virender Ranga
Convener
Faculty-In charge | Industry Cell
Phone: 01744-233 545(O) | 09416158283(Mob)
Email: virender.ranga@nitkkr.ac.in
Website: www.nitkkr.ac.in

Venue: Senate Hall

Dates to Remember

Registration Closes on	Oct 30,2018
Candidates to be informed by (First List)	Oct 31,2018
Candidates to be informed by (Second List)	Nov 1,2018
