

# 1<sup>st</sup> International Conference on Science in Hindi

<http://sangoshthi.vigyanprakash.org/>

Please visit the conference website for latest updates

## Patron

Dr. Satish Kumar, Director  
NIT Kurukshetra, India

## Conference Chairs

Prof. Om Vikas  
Ex-Sr. Director MEIT  
Govt. of India &  
Ex-Counselor (S&T)  
Indian Embassy, Japan  
Prof. Ashutosh Kumar Singh  
NIT Kurukshetra, India

## Program Chairs

Dr. Kapil  
NIT Kurukshetra, India  
Dr. Sarika Jain  
NIT Kurukshetra, India

## Organizing Chair

Mr. Karan Singh  
NIT Kurukshetra, India  
Mr. Deepak Garg  
NIT Kurukshetra, India  
Mr. Tarun Kumar  
NIT Kurukshetra, India

## Technical Program Committee

Dr. Ashish Chopra  
NIT Kurukshetra, India  
Dr. Bharti Sharma  
NIT Kurukshetra, India  
Dr. Dimple Juneja Gupta  
NIT Kurukshetra, India  
Dr. Munish Mehta  
NIT Kurukshetra, India  
Dr. Nikam Gitanjali Ganpatrao  
NIT Kurukshetra, India  
Mr. Prateek Thakral  
NIT Kurukshetra, India  
Ms. Mukta Rani Dhiman  
NIT Kurukshetra, India  
Ms. Poonam Saini  
NIT Kurukshetra, India  
Ms. Gurvinder Kaur  
NIT Kurukshetra, India  
Ms. Priyanka Bhart  
NIT Kurukshetra, India  
Ms. Deepika Saxena  
NIT Kurukshetra, India

## Important Dates

Abstract Submission: June 17, 2017  
Notification to Author: July 15, 2017  
Camera-Ready Abstract & Registration:  
July 25, 2017  
Conference Date: August 22, 2017

Conference Theme: Science & Technology  
Sub Themes: Science, Economics, Engineering, Mathematics, Management, Medical and Innovation/Jugaad etc.

## Call for Abstracts

Innovation plays the main role in the Industrial and Economic growth of a country. In 2009, the Boston Consulting Group, the National Association of Manufacturers and the Manufacturing Institute jointly produced International Innovation Index, that measures the level of Innovation of a country. India ranked 15th among large countries and 46th among small and large countries. One of the main identified reason for such low rank is that within secondary and higher secondary education system the science and technology education is not in Indian Languages in India. It is in English which causes Indian students mug up science. And that's why they are not able to understand & solve practical problems involving science and technology. Late Prof. Ram Das Choudhary (Eminent Scientist Connected to grassroots of India) already considered this problem and founded 'VIGYAN PRAKASH' a Hindi Journal of research in science in 2002. In continuation to his efforts National Institute of Technology Kurukshetra, with the guidance of Dr. Om Vikas (Ex-Sr. Director MEIT Govt. of India & Ex-Counselor (S&T), Indian Embassy, Japan), is organizing a conference that provides a platform to communicate Scientific and Technological discoveries in Hindi medium.

Submission will consist of title, abstract, keywords, references in Hindi and English both. Minimum length of abstract is 150 words and maximum length is 200 words. The abstracts that are accepted will be published in conference proceedings. Selected abstract may be considered for publications (After taking full paper) in VIGYAN PRAKASH, Hindi Journal of Research in Science Published Jointly by Lok Vigyan Parishad (India) & Vishwa Hindi Nyas, Newyork (USA), ISSN:- 1549-523-X.

## Topics of Interest included, but are not limited to the following Areas:

- Mathematics
- Science (Physics, Chemistry, Biology)
- Economics
- Management
- Engineering
- Medical
- Innovation/Jugaad

Accepted abstracts will  
be published in  
Conference Proceedings

Submit your abstract through E-Mail: [conference2017@vigyanprakash.org](mailto:conference2017@vigyanprakash.org)

## Contact:
