arvind\_sharma@nitkr.ac.in

**Contact**: +91-94164 73644, 94663 68417

### HOW TO APPLY

Scanned copy of the duly filled-in registration  
form should be sent to the coordinators at the  
following e-mail ids :

deanrc@nitkr.ac.in

arvind\_sharma@nitkr.ac.in

### ABOUT NIT KURUKSHETRA

National Institute of Technology Kurukshetra recognized as the "Institution of National Importance" by Ministry of Human Resource and Development is one of the premier centrally funded technical institutions of India. Spread over 300 acres of lush green campus, the Institute offers 07 B.Tech., 22 M.Tech., MBA, MCA and Ph.D. programmes in all major areas of Engineering, Sciences, Social Sciences & Humanities and Management. NIT Kurukshetra is committed to fundamental and applied research in frontier areas of engineering, technology and science streams. Expanding list of sponsored research projects reflects its noteworthy position in cutting edge research. During its exemplary journey of over five decades, NIT Kurukshetra has been successful in marking remarkable strides in teaching, learning, and research and outreach activities.

### ABOUT SIEMENS

Siemens India is a technology powerhouse that has stood for engineering excellence, innovation, quality and reliability. The history of Siemens in India dates back to 1867 with 21 manufacturing plants located across India, 8 Centre of Competence and 11 R&D Centers. Siemens has been supporting various education initiatives under its Global Fund for Technical Education to create a robust technical education eco-system through its experience in industrial products and services.

### ABOUT THE WORKSHOP

In order to bridge the gap between academia and industry, NIT Kurukshetra has taken an initiative to establish a Centre of Excellence equipped with state-of-the-art facilities for imparting industry relevant skill development training to the students of engineering programmes including degree, diploma and vocational courses as well as industry personal particularly from SMEs. The center aims to link education system to industry through Industry Linked Learning Model. The objective of the workshop is to create awareness among the academic institutions/colleges about facilities therein, types and modalities of training programs and contents, and seeking valued inputs from the stakeholders to make the center as the right platform for the students to attain industry relevant skills and hence enhanced employability and entrepreneurship opportunities.

### IMPORTANT DATES

Last date for receiving registration form: **8<sup>th</sup> March, 2018**

Intimation of selection (by email only): **9<sup>th</sup> March, 2018**

**Note:** There is no registration fee for attending the workshop. The refreshment and working lunch will be served to the participants. A certificate of participation will also be given to the participants.
