

## FLAGSHIP EVENTS

Sr. No.	Event Discription	No. Of Members	First Prize	Second Prize	Society
1	<b>CAD PRO:</b> An event to test the skill in drafting software application of the Field of structural design. Mainly considering Knowledge of software, speed for solving the problem statement, stability of structure, Idea on Loads and their points of action.	2	5000	3000	INFRA
2	<b>ARISTOTLE :</b> The following event focuses on the placement preparation for the students. The event follows the placement procedure. It is the perfect test to check the interview preparedness of students.	1	₹5000/ -	₹3000/-	MICROBUS
3	<b>GAME OF BRAINS:</b> Addicted to solving puzzles and brain teasers? If YES then bring your high cards because your minds will be shuffled here at Game of Brains we will check your problem-solving skill, ability to think and its implementation, presence of mind, general and technical knowledge. So, pull up your socks and show us what you got.	Group	5000	3000	MEXPERTS
4	<b>CASE ON POINT:</b> A competition which will test your aptitude for business strategy and real-life problem-solving.	4	8000		IIC
5	<b>VIDHWAN:</b> In this participants design the National Power System that consists of the generating stations, substations and loads with the protection devices. If you are power engineering enthusiast then this is the best event to showcase your brilliance in a highly competitive space.	4	5000	3000	ELECTRORORECK
6	<b>ASTRONOMY QUIZ:</b> In this the participants will be judged based on their knowledge of Astronomy and related fields. The quiz consists of various rounds, each prompting the players to use their skills to decode or find the answers.	2	5000	3000	Antariksh
7	<b>DRONOLYSIS :</b> A machine is only useful if it can solve real world problems. Drones have various applications. Participants are required to present an innovative idea that can be implemented on a drone	3	5000	3000	Aeromodelling
8	<b>B PLAN:</b> This event provides a platform for start-up enthusiasts to pitch in their Start-up Idea in front of everyone. The students are required to prepare a presentation covering all aspects of establishing their start-up.	2-4	5000	3000	ICell

9	<b>System Design:</b> In this event, the participants will be given some circuit design and system design models. The participants are needed to solve circuits and brush up the knowledge of the embedded system and core concepts.	2(for both years)	5000	3000	EMR
10	<b>Excalibur :</b> It is 15 day long event. In this students would develop a working project which would use different technologies like Firebase, Amazon Web Services , GCP, Dialogflow. Each team would be mentored by best one of us.	4	5000	3000	TECHNO
11	<b>LAY YOUR PLAN:-</b> This event majorly focuses upon the plant layout and material handelling to employ in a problem statement to be released later.	1	5,000	3,000	MECHSOC
<b>OTHER EVENTS</b>					
1	<b>INTERVISTA:</b> Gives the pre-placement experience and help in build up your confidence level to get rid off placement phobia.	1	1500	1000	INFRA
2	<b>CIVIERA:</b> This is a presentation event Requires to conduct research as per the theme fascinating MS PowerPoint presentation.	2	3000	2000	INFRA
3	<b>ARCHICAPTURE:</b> Event to show your skills to operate a camera and capture the beauty in Engineering of buildings. Have to mention its historical background, structural feasibility and type of structure in the caption.	1	1500	1000	INFRA
4	<b>EXQUISITE:</b> It's a logical and brain squeezing event to test your logical and problem solving abilities. A written round based on logical and reasoning problems. <b>Winners will be different for 2nd &amp; 3rd year</b>	1	3000	2000	INFRA
5	<b>CV QUIZ:</b> It is a Quiz to test knowledge of civil engineering. Questions are asked accordingly to the subjects that you have studied. <b>Winners will be different for 2nd &amp; 3rd year</b>	1	3000	2000	INFRA
6	<b>BRAINSTORM:</b> Our fun quiz event which will test an individual/pair in their general knowledge and current affairs. Helping students to have some fun and engage with a competitive spirit.	2-4	₹3000/ -	₹2000/-	MICROBUS

7	<b>MICRO INNOVATOR:</b> One of our technical events in which we will ask teams to come up with an idea based on a brief given. This will ignite a spark in the minds of students to pursue research and test new ideas.	2-4	₹3000/ -	₹2000/-	MICROBUS
8	<b>E-MODELLING:</b> The event focuses on testing the knowledge of the students in practical scenarios. Hosted exclusively for each year in order to give everyone a chance to showcase their talents.	2	₹3000/ -	₹2000/-	MICROBUS
9	<b>COMCAT:</b> Comcat provides you with the ultimate MATLAB experience and gives you a platform to showcase your talent to become the next-gen communication engineer.	1	₹1500/ -	₹1000/-	MICROBUS
10	<b>MR. GADGET:</b> Have you ever wondered as to what makes a device unique and selling? Do you like to acquire deep knowledge about gadgets, then this is the event for you? A single-member event where the participant can showcase the intrinsic details of a gadget.	1	₹1500/ -	₹1000/-	MICROBUS
11	<b>WEB HUNT:</b> Can you find your way through cryptic messages or code? Do you think the internet has all the answers? Here is your opportunity to find that out.	2-4	₹3000/ -	₹2000/-	MICROBUS
12	<b>PIXELLETE:</b> This event is to examine the creativity of the participants in Graphic Design. Registrations will be done through Google forms.	1	1500	1000	MEXPERTS
13	<b>AD MAD:</b> A simple and fun activity with use of full of imagination and creativity. Participants are required to shoot an innovative Ad for which Ideas are open to choose from with full innovation. Registrations will be done through Google forms.	Team	3000	2000	MEXPERTS
14	<b>DEBUGMANIA:</b> Interested in programming? Stuck in DEBUGGING? If yes, then this is the right place for you!!! Use your debugging skills and find out the bugs. Use your keen eye and great logical thinking. Find the bugs in the code and prove that you are a real 'DEBUGGER'.	1	1500	1000	MEXPERTS
15	<b>BUSINESS STARS:</b> An activity with multiple stages to test the capabilities of a team in business environment via testing the various crucial elements that make a strong and functional team.	TEAM	3000	2000	MEXPERTS

16	<b>CORPORATE ROADIES:</b> You are, but you don't know, the real roadies are staying inside you! So, comes the most exciting event for the audience.	1	1500	1000	MEXPERTS
17	<b>Innovate for India:</b> The most difficult problems have a rather simplistic solution, this event aims to find such simple and innovative solutions.	3	5000		IIC
18	<b>Seek alpha:</b> This Event aims to promote Financial Literacy and awareness among students using an enjoyable & enticing approach.	1	2500		IIC
19	<b>Cryptic course:</b> A competition which will test your problem solving skills and logical ability to find your way through the cryptic course.	1	2500		IIC
20	<b>Think India:</b> Here, you need to propose your plans to solve the various deep-rooted social and technical problems prevailing in India.	3	₹3000	₹2000	ELECTRORORECK
21	<b>UPSC :</b> Want to pursue your preparation for civil services? This event unfolds the real time environment of UPSC with series of exhaustive rounds and finally interview.	1	₹1500	₹1000	ELECTRORORECK
22	<b>Vertigo:</b> Vertigo is an online event that tests you on your ability to deal with the qualms of electrical circuits and comprehension of various electrical systems and machines.	2	₹3000	₹2000	ELECTRORORECK
23	<b>Impiego :</b> This event takes you to the time which you will eventually have to face in your final year, Placements, right? So brush up your personality, and dive deeper into yourself by being a part of this mock placement event, Impiego.	1	₹1500	₹1000	ELECTRORORECK
24	<b>Electrica :</b> An online puzzle quiz event, based on your knowledge of electrical engineering. Where you will be provided with puzzles along with the hints at particular intervals. And the first participant who will give the right answer will win the prize.	2	₹3000	₹2000	ELECTRORORECK
25	<b>Zathura:</b> Zathura is an astronomy themed board game that fascinatingly enhances your brain power with super-exciting puzzles & questions on physics and Astronomy.	2	₹3000	₹2000	ANTARIKSH

26	<b>AstroStorm:</b> The participants will have to use their knowledge of astronomy and fuse it with their funky artistic mind to create and submit a digital or a handmade magazine styled pamphlet that may include designs fused with articles and all the other stuff that you may want.	1 (2 Categories )	₹3000  (1500x 2)	₹2000  (1000x2)	ANTARIKSH
27	<b>AstroHunt:</b> It is a physics and astronomy themed web hunt where the teams must solve mind bending puzzles and questions to find the treasure through the hidden depths of cosmos.	3	₹3000	₹2000	ANTARIKSH
28	<b>Impressum:</b> Participants can submit various forms of art as part of the competition, including sketches, paintings, digital art etc. exhibiting their love and fancy for our mysterious yet aesthetic universe.	1 (2 Categories )	₹3000  (1500x 2)	₹2000  (1000x2)	ANTARIKSH
29	<b>Aero Quiz:</b> Put participants' RC aircraft design skills to test. Designing an RC aircraft requires in depth knowledge of aircraft along with Analytical and Logical skills.	2	3000	2000	AEROMODELLING
30	<b>Young Leaders:</b> An event that requires students to select any of the 17 Sustainable Development Goals (SDG) set by the United Nations, analyse the problem and propose a viable solution for the same through a presentation.	2-4	₹ 3,000/-	₹ 2,000/-	ICell
31	<b>Stock Hunt:</b> An online event, aimed at testing investment skills of students. Each individual will be given a fixed token money to invest in the market. After the given duration the person who generated maximum profit won.	1-2	₹ 1,500/-	₹ 1,000/-	ICell
32	<b>Productathon:</b> In this event the students have to develop a product which solves a real-world problem within given 24 hours. <b>THIS EVENT IS A COLLEBRATIVE &amp; CONTAINS BUDGET FOR BOTH I-CELL AND EMR FOR THIS PARTICLUAR EVENT.</b>	2-4	₹ 6,000/-	₹ 4,000/-	ICell-EMR
33	<b>Bit Coding:</b> An online coding event based on time constraints. The participants are asked to complete the coding questions based on the bit manipulation concept and as per the given scenarios get the desired output.	1	₹1,500/ -	₹ 1,000/-	EMR
34	<b>DIP :</b> In this event, the participants will be provided on-the-spot task for some Image processing on the modified images. The basic knowledge and concepts will be made applicable to real-time scenarios for better visualization and understanding.	2(for both years)	₹ 3,000/-	₹ 2,000/-	EMR

35	<b>Hackshetra :</b> Hackshetra is a 48 hour online Coding marathon where the students participate and develop solutions for various common problems of our day to day lives or based on any theme. Teams will work on different platforms like web and android and will use different technologies like AWS, GCP, machine learning.	4	₹ 5,000	₹ 3,000	TECHNO
36	<b>Chatbot Gen :</b> In this , student would create a chatbot for NIT Kurukshetra website. This is the first time we are gonna have this event.	4	₹ 3,000	₹ 2,000	TECHNO
37	<b>Encoder :</b> A 3 hour short coding contest where students can show off their computer programming skills. They are gonna solve different coding problems within a specific period of time.	1	₹ 1,500	₹ 1,000	TECHNO
38	<b>GameStation :</b> In this event different computer games like COD, Counterstrike, Need For Speed, and many more are conducted . This event continues all the time. Students can con anytime and participate in the event. Some of the games are played in group and some individually.	8	₹ 3,000	₹ 2,000	TECHNO
39	<b>3D INTEGRATION:-</b> 3D integration is a technical event which requires thorough knowledge of mechanical core subjects and expertise in handling the software, Solidworks	1	1,500	1,000	MECHSOC
40	<b>KEYNOTE:-</b> It is a technical paper presentation based astounding event testing the participants on their quality and veracity of their research paper and their elocution in the presentation.	2	3,000	2,000	MECHSOC
41	<b>MACHINE ABILITY:-</b> This Event tests the mechanical knowledge of machines and mechanics with innovative skills to make proper mechanisms through work piece materials for desirable and workable products	2	3,000	2,000	MECHSOC

42	<b>GEEK QUIZ</b> A general quiz that will test the knowledge of you and your team on topics such as new technologies in Mechanical Engg. , Sports , Entertainment , History , literature , Current Affairs	2	3,000	2,000	MECHSOC
43	<b>ART ICON</b> An online designing event based on a particular theme. This test the designing ability of the participant.	1	1,500	1,000	MECHSOC
