	Mar. 04, '17	Dr. V. K. Saraswat Member NITI Aayog Government of India		It was a great experience attending the Convocation at NIT(k). What a great institution. I am really impressed by the vision of the leadership and the passion for accelerating the growth of technology thro' state of art education. The initiatives being taken by the institute in the area of energy research, catalysis, advanced & smart manufacturing will certainly propel the institute among the best in the country. The dynamism of the young faculty is infectious and I am certain that more will join. Students are doing wonderfully & discipline is of highest order. Industry interaction is at the forefront. I am really impressed. I wish the institute the very best in the years to come. May God bless & all
		Chief Guest On the occasion of 14 <sup>th</sup> Convocation of the Institute		At Saraswat
