No. Acad./2020/438

Dated: 24.7.2020

NOTIFICATION

Subject: Regarding results of even semester of Academic Year 2019-20.

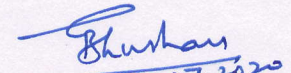

The end semester examinations in Institute have been notified vide Examination Notification No. Acad./2020/274 dated 11.07.2020 under prevailing conditions of Covid-19. It is a matter of pride that NIT Kurukshetra is one of the leading institution in the country which has declared the final year results of regular students by first week of July. Despite facing difficulties in declaration of results due to heavy workload, the results of regular semesters have been declared except for 2nd semester B.Tech. and few branches of PG.

The process of result preparation of reappear students involves enormous data and will be declared in systematic manner from 1st to 8th semester in ascending order. Students are advised to keep patience for the results and do not unnecessarily bother the examination section with frequent queries regarding the result as it consumes precious time of the staff engaged in preparation of the results and delays the process.

M.Tech. students have been given time up to 30th September, 2020 for thesis submission. Examination section is receiving M.Tech. viva-voce results of few students from various departments every week. These results are limited in number and is not feasible to declare the result of individual students. Every effort is being made to declare the results on monthly basis.

Examination section is working earnestly for compilation of results. All the students are advised to keep patience for the results.

This issues with the permission of the Competent Authority.
