TEQIP-II/27

Dated: 29.07.2011.

Sub: Providing Research Assistantships for significantly increasing enrolment in existing Doctoral programmes in Engineering disciplines under TEQIP-II.

The Institute is participating under TEQIP-II programme as approved by our Board of Governors (vide no. NITK/BOG 23<sup>rd</sup> 6826 dated 12.11.10). One of the activity under this programme is to provide research assistantships for significantly increasing enrolment in existing Doctoral programmes in Engineering disciplines.

We are currently admitting students for existing Ph.D. programmes and therefore can implement this activity by increasing the number of seats with financial assistance supported by TEQIP-II. The financial support and terms & conditions will be same as of MHRD. The following allocation of additional seats is proposed for Ph.D. programme admission 2011-12:

Deptt.	Additional seats under TEQIP-II
Electrical Engg.	2
Mechanical Engg.	2
Civil Engg.	2
Electronics & Comm. Engg.	2
Computer Engg.	2
<b>Total</b>	<b>10</b>

If approved, these candidates will get scholarship for completing Ph.D. programme (Aug. 2011- March 2014). Similar number of candidates would also be admitted in Aug. 2012 and Aug. 2013 under this programme and will receive the scholarship upto March, 2014 i.e. termination of TEQIP-II (20 months). The proposal may be sent to MHRD for sanction of assistantship for remaining period and to support these scholarships for continuing the increased seats after TEQIP. The Institute has received initial funding from MHRD under this project.
