

NIT KURUKSHETRA
Institution of National Importance

**PLACEMENT
BROCHURE**

2021-22

DIRECTOR'S DESK

National Institute of Technology Kurukshetra has established itself as one of the most esteemed institutes of India. Our alumni have proven their mark at national and international levels, and their accomplishments stand testimonial to our endeavours and their determination.

Established in 1963, NIT Kurukshetra is an Institution of National Importance that nurtures its students in their overall technical and personality development. NIT Kurukshetra has a rich tradition of pursuing excellence and has continually reinvented itself in terms of academic programs and research infrastructure.

We are a preferred destination for aspiring engineers across the country for the past several years. We highly value our partnership with recruiters, and strive to make their recruiting experience productive and positive. I, on behalf of NIT Kurukshetra, invite organizations to visit our institute for campus recruitment.

Dr. Satish Kumar

DEAN | Industry & International Relations

As the world marches into the 21st century, India, at the forefront of the developing world needs an increasing lot of intelligent, astute, hardworking and technically proficient minds. National Institute of Technology Kurukshetra, well known for its cutting-edge research and academic programmes boast itself on creating an ecosystem that facilitates not only the academic but the holistic development of the students. The Institute carries a rich legacy of more than 50 years as one of the premier institutes of the country. NIT Kurukshetra provides the ambience where creativity and new ideas flourish, producing leaders of tomorrow by imparting knowledge blended with excellence and innovation. Technology is changing every day to cater the needs of the industry and I am felicitous to say that NIT Kurukshetra had faced the challenge successfully and adapted itself according to the requirements of the industry.

We highly value our partnership with recruiters, alumni and friends of NIT Kurukshetra and remain committed to make your recruiting experience productive and positive. I am confident that this group of professionals will be the torchbearers of your organisation as well as of our country. I take pride in cordially inviting the recruiting organizations and graduating students to find the best match between their needs and capabilities.

Prof. Pankaj Chandna

Our Vision

To be a role model in technical education and research, responsive to global challenges.

Our Mission

To impact quality technical education that develops innovative professionals and entrepreneurs and to undertake research that generates cutting edge technologies and futuristic knowledge, focusing on the socio-economic needs.

ABOUT THE INSTITUTE

National Institute of Technology Kurukshetra is an Institution of National Importance that enjoys the reputation of being a centre of excellence, facilitating sophisticated technical and management education and research. A recent Dataquest-IDC-NASSCOM survey placed the institute among the top twenty premier institutions in the country.

Established in the year 1963, NIT Kurukshetra has made rapid strides towards excellence. A sprawling lush green campus, outstanding infrastructure, state of the art support system, contemporary curriculum and dedicated faculty provide an enabling environment for quality teaching, learning and research. A number of research projects sponsored by DST, MHRD CSIR, AICTE, UGC and various other funding agencies are carried out by the institute.

NIT Kurukshetra recognizes institute-industry interface and promotes interaction with the industry through student placements, consultancy services, research projects and jointly organized workshops, seminars, conferences etc.

It is a moment of utmost pride for our institute as it has been ranked amongst the top 50(40th) and 6th amongst the NITs in the list of best engineering colleges of India as according to the NIRF 2019 Ranking list. This has been possible due to the improved infrastructure, better teaching faculty and the dynamic resources provided to the students. Further strengthening of the bond with the industry is currently a matter of priority for the institute. NIT Kurukshetra looks to the future with renewed vigour.

ACADEMIC PROGRAMS

The programs at NIT Kurukshetra are designed to provide emphasis on fundamentals. The course work is designed in such a way that students will acquire all the required tools to tackle industrial problems once they graduate.

BACHELOR OF TECHNOLOGY

Admission Procedure:

- ❖ JOSAA / CSAB
- ❖ Direct Admission of Students Abroad (DASA)
- ❖ International Council of Cultural Relations (ICCR) / MEA (Govt. of India)
- ❖ Study in India - MHRD, Now Ministry of Education (Govt. of India)

Duration: 4 years

MASTER OF TECHNOLOGY

Admission Procedure:

- ❖ Graduate Aptitude Test in Engineering (GATE)

Duration: 2 years

MASTER OF COMPUTER APPLICATIONS

Admission Procedure:

- ❖ MCA Common Entrance Test (NIMCET)

Duration: 2.5 years + 6 months Internship

MASTER OF BUSINESS ADMINISTRATION

Admission Procedure:

- ❖ Common Aptitude Test (CAT, MAT) followed by GD and Interview

Duration: 2 years

DOCTORAL PROGRAM in all disciplines of Science & Engineering

TOTAL INTAKE

◀ TRAINING AND PLACEMENT CELL

Training and Placement Cell, NIT Kurukshetra conducts all recruitment related activities of the institute. The placement team works tirelessly to ensure that top notch opportunities are brought to the students & manages all interactions between the visiting companies and the institute.

NIT Kurukshetra assures the best facilities and support possible to the recruiting companies.

Auditorium and lecture halls fully equipped with latest multimedia and Wi-Fi for pre-placement talks (PPTs), workshops etc.

Facility of tele-conferencing, video-conferencing and online interviews.

Seminar and conference rooms for group discussions and personal interviews.

In-campus accommodation with modern facilities in the guest house for the recruiting panel.

Complete assistance by the student co-ordinators at each level of placement process.

Highly motivated and experienced staff to synchronize the whole process.

PLACEMENT PROCEDURE

The placement season begins in the month of August and goes up till June of the following year

Invitations with the relevant information are sent to various organisations by the Placement Cell

The interested organisations are requested to share the relevant information pertaining to recruitment with the Placement Cell

The Placement Cell schedules the visit of the organisation on the basis of the information furnished by the organisation and availability of slots

Single Point of Contact (SPOC) is allotted to the organisation

प्रशिक्षण एवं नियोजन प्रकोष्ठ TRAINING AND PLACEMENT CELL

PLACEMENT PROCEDURE

The information shared by the organisation is made available to the students. Eligible and interested students register themselves for the recruitment process

The verified database of all such students is shared with the organisation through the SPOC

On the day of the campus recruitment, pre-placement talks, GDs, personal interviews etc. are coordinated and managed by the SPOC allotted to the company.

Organisation declares the list of the final offers either on-campus or through e-mail

Training and Placement Cell coordinates the signing of the offer letters by the students who have been selected

◀ RULES AND REGULATIONS

The purpose of the Placement/Internship Rules and Regulations is to define the overall structure & process of the Placement and Internship drive facilitated by Training & Placement cell (T&P Cell) and to structure the roles & responsibilities of the students.

- ❖ As per the revised curriculum, the UG students shall be undergoing Internship/Industrial training/Project work in their 6th semester.
- ❖ In case, at any stage the T&P cell is involved (immaterial to the extent of participation of the T&P cell), in any Internship/Placement process, that Internship/Placement will be considered as on-campus and the T&P cell guidelines will be applicable on that process.
- ❖ For the companies which are offering PG internship for 6-11 months it will be mandatory for the industry to provide/assign co-supervisor/project manager.
- ❖ PG internship/project work in reputed academic Institutions / R&D / Government organizations will be allowed only after the recommendation of the concerned supervisor and HoD of the respective department. Students having internship in academic institutions / R&D / Govt. organizations will remain eligible for full time placement
- ❖ PG internship offers except in academic Institutions / R&D / Government organizations will be considered equivalent to job offers. The second round of placement will commence after getting 80% of the job offers in respective PG specialization.
- ❖ Dean (Academic) will approve PG internship cases only on the recommendation of Dean (I&IR) and the selected candidates can join the concerned industry only after receiving the approval from the competent authority.
- ❖ In case, the final result of an organization is awaited, the shortlisted students shall continue to be eligible to appear in the upcoming companies. Once the awaited result is received. The selected students will not be allowed to appear further in the ongoing process of the recruitment of any organization.

◀ RULES AND REGULATIONS

- ❖ Visit of the organizations are being scheduled considering many parameters like pay package, company profile, etc., but it may not be feasible in all cases.
- ❖ It is mandatory for the shortlisted students to attend the Pre-Placement Talk (PPT) delivered by the company representatives. In case the shortlisting has not been provided, all those students who have given expression of interest have to attend the company PPT.
- ❖ The T&P cell shall follow one person, one Job policy, however, the second round of placements of any branch will commence only after 80% of the eligible students get placed in the respective branch (excluding the bonus companies). The placed students will be eligible for the second round only if the CTC offered is greater than the first offer. Additionally, the eligible students must give an undertaking to T&P cell that, in case they get 2nd offer, their first offer should be dissolved with immediate effect. The same information will be communicated to the concerned organization through T&P cell.
- ❖ The second round of placements of any branch commences only after 80% of the eligible students get placed in the respective branch (excluding the bonus companies). The placed students will be eligible for the second round only if the package offered is greater than the initial offer.
- ❖ If a student gets placed in a bonus company, he/she will be eligible for the ongoing and further rounds of placement drive but would not be eligible for other bonus companies.
- ❖ The students having one job offer are eligible to appear in PSUs only if 40% of the eligible students of the respective branch have already been placed. If the first offer is in a PSU, the concerned students will not be eligible for any other organization including PSUs in the ongoing and further round(s) of placement drive.
- ❖ T&P Cell allows Pool-Campus Drives only with the Institute of repute.

STUDENTS' LIFE

NIT Kurukshetra strives to build a platform for aspiring engineers to be future leaders with the right mix of academics and extra-curricular activities. Imparting technical, managerial and interpersonal skills, the institute nurtures students and prepares them for excelling in the challenges posted by the workplace environment.

TECHSPARDHA

TechSpardha is the annual techno-managerial festival of National Institute of Technology Kurukshetra. It is an event where different student bodies coalesce and strive to develop an ideal platform. In this fest participants from all over the country put their technical skills to use and compete at national level. Techspardha is known for organizing a wide range of events that include competitions, exhibitions, lectures as well as workshops. Various technical societies work tirelessly to make this event a grand success every year.

CONFLUENCE

Confluence, the annual cultural festival of NIT Kurukshetra is a cultural extravaganza beyond words. Confluence is the coming together of free spirits of like minded zealous youth and a celebration of culture of true artistic genius. Its urge to deliver the maximum is what makes Confluence one of the most awaited cultural festival. It attracts a whopping 20,000 students from more than 120 colleges all over the country. Various students' clubs work relentlessly to make this event a grand success every year.

SAE

SAE (Society of Automotive Engineers) practices extreme engineering to develop vehicles like All Terrain Vehicles (ATV), Formula cars, and Human powered hybrid vehicles. The society is engaged with various teams. Efficycle team achieved AIR 6 among 90 teams in Efficycle event 2015. Team Nitrox is involved in making off-road vehicles and achieved AIR 2 (most cost efficient vehicle) out of 320 teams in Mahindra BAHA 2016 competition. Team Accelerons is responsible for designing formula style racing car. The team participated in SUPRA SAE INDIA 2017 and achieved overall 18th rank among 122 teams. SAE aims to scale new heights by throttling its way to a podium finish.

CITIUS

CITIUS, The annual sports festival of NIT Kurukshetra provides a platform for students to participate in various sporting events. Every year athletes from different NITs compete to become the ultimate champion. But only a select few, who truly have the grit and persistence triumph. The event carries a legacy that promises to grow bigger with every passing year.

ROOH & SHIKSHA

Rooh and Shiksha are non profitable social societies. Rooh organises blood donation campaigns in the institute among other activities. Shiksha supports needy children with school fees and provides other possible help like free books, free tuitions, etc. These societies are driven by the motive to give something back to the people.

TESTIMONIALS

Gold Man Sachs

Sejal

To pen down what I have taken from this college is one great mantra: "Take risk, fall, get up and repeat", but to summarise what the college has given me can never be sewn into words. I got the best opportunities, gained an amazing set of skills and extraordinary exposure here.

I was a nervous newbie when I first entered NIT Kurukshetra; barely did I know then that this place will teach me lessons I will cherish lifelong. I was a part of the Alumni Association, Robotics Club, Dance Society, JAM Magazine, Shiksha, published a research paper, founded a coding community, and participated in numerous events in and out of NIT Kurukshetra. This college not just gave me the apt exposure but made me

go beyond my dexterity. Every position of responsibility I handled gave me the strength to believe in what I can do. I learned and unlearned many things here, and I am grateful to everyone who helped me stay motivated. I built amazing friendships, had the best of times, and started my career journey at Goldman Sachs from here.

In all sense, my alma mater is what I am today and I seek to make it proud

Nitin Ranga

"Four years at NIT Kurukshetra had been an awe-inspiring journey; countless learnings, numerous challenges, invaluable memories and friends no less than family.

"The only source of knowledge is experience" -Albert Einstein. The proverb has inspired me to look beyond the classroom's confines and embark on journeys to cultivate my skills and values through a diverse set of experiences. The institution provided me with a platform; Shiksha, the society for social action, where I got the opportunity to take initiatives and work in the field of empowering children.

The industrial experience in my 6th semester made me realize that I wanted a global career trajectory which led me to opt for MBA. I hope to engage with and learn from a highly talented global cohort of IIM Calcutta and leave an imprint on the rich legacy of NIT Kurukshetra."

IIM Calcutta

American Express

Kritika Dhar

On July 23, 2017 I was selected in NIT, Kurukshetra. It was no less than a dream come true for me. The four years I spent in this college have only added many accomplishments to my dream.

I truly believe that NIT, KURUKSHETRA provided me with just the right conditions I needed to achieve my goals on a personal as well as professional level.

The versatile curriculum, the constant support of my peers as well as the strong network of juniors and seniors & experiences shared by alumni contributed tremendously to my personal growth.

The Placement Cell, which is highly committed, works very hard so as to maximize the opportunities available to the students. Other than that, the presence of numerous cultural societies and technical clubs have also contributed immensely to develop me into the person I am today.

As I embark on my professional journey with American Express, I am sure to make my alma mater proud.

TESTIMONIALS

Flipkart

Deepali Sharma

I recall walking through the hallway of NIT Kurukshetra looking around, not knowing what to expect. Having spent the last four years in this institution, I have witnessed a tremendous change in my life, may it be on the academic front or even on a personal level. The curriculum of NIT Kurukshetra inspires not only to indulge in studies but to enhance a wide variety of skills be it dance, drama or sports. This definitely taught me the importance of time management and to maintain a balance between studies and Extracurricular activities. The guidance by the faculty and my peers has helped me nurture my skills and personality.

As I start my new journey at flipkart, I am really thankful to all the people involved in my beautiful journey full of ups and downs and waving a path for me to lead an embarking future ahead. And I wish to look upon all the life lessons learnt at NIT KURUKSHETRA in my life ahead.

Shaurya Dahiya

It is true that the most important thing in your college life is the people that you meet, but coming to NIT Kurukshetra made me realise that the institute plays a very important role in nurturing you as an individual and your relationship with your peers. Despite the corona pandemic for the better part of the last 2 years I have no regrets about my college life and it is mostly owed to this institute and the platform that it provides. The opportunities that you get while being in NIT, be it in academics or otherwise never let you feel constrained and there are always countless avenues to explore and grow. Over my 4 years here I tried my hands at many things like holding the position of the secretary of english debating club, becoming an internship coordinator, being a part of a technical society, all of which gave me a lot of exposure and clarity about what I wanted to do after I graduate. The coding culture of the institute is excellent and it helped me in securing a job at Urban Company. NIT Kurukshetra is full of possibilities and I am glad that I decided to join. I really did have the time of my life here.

Urban Company

Palo Alto Networks

Kanika Singla

Like every wide-eyed 18 year old, I had a lot of dreams when I came to college, and yet was unsure of what to expect. I was hoping for great friendships, valuable learnings and a bright future. Four years down the line, I've got all that and more.

NIT Kurukshetra not only has a well-structured curriculum and highly experienced faculty, it also offers a wide range of extra-curricular. From being a curious teenager with just raw potential, college teams like JAM (magazine), Freaks (dramatics), Alumni Association, Chess Team, Microbus and ELAD shaped me into a responsible adult who knows how to have fun but doesn't shy away from taking responsibility either.

Life at NIT Kurukshetra for me was about taking it one day at a time and still being optimistic about the future. With these experiences, I aspire to make great strides in terms of both my personal and professional growth.

CARDINAL MENTIONS

As per the revised undergraduate scheme, the students of all the undergraduate disciplines will undergo 18 weeks to 22 weeks of industrial training/Internship/Project Work, during their 6th semester. The batch of 2018-22 will be available for internship from January 2021. The industries are requested to make the required changes in their policies so that they may hire interns from NIT Kurukshetra during Jul-Dec 2020 and extend 18 weeks -22 weeks' internship offers to the students, who will be available to join as intern from January 2021

The applied sciences & engineering departments and schools offer 2-year M.Tech. program in various disciplines. As per the postgraduate academic scheme, the students undergo coursework in the first year and the dissertation/thesis work in the second year. During the dissertation period, students can join industries as intern for a period ranging from 6 to 11 months. Indeed, the organizations are invited to hire interns from a wide pool of UG and PG students. The organizations are also invited to hire interns from a wide pool of PG students.

REACH US

Kurukshetra being the destination of all social, spiritual and political traditions of the ancient times is a prime center of attraction for the people. Different parts of the country are connected to Kurukshetra in the following ways:

Kurukshetra Junction (KKDE)

Being a major tourist destination, one can easily get regular trains to Kurukshetra from other major cities like Delhi, Gurgaon, Jaipur, Mumbai, Kolkata.

AIRWAYS

100 km away
Chandigarh Airport (IXC),
Chandigarh.

185 km away
Indira Gandhi Int'l Airport,
New Delhi.

RAILWAYS

Kurukshetra is connected to all parts of the country through National Highway 44.

ROADWAYS

Important nearby cities are Delhi NCR, Chandigarh, Ambala, Dehradun.
