However, under unavoidable circumstances, such as long leave, resignation, retirement, or death; an alternative supervisor may have to be appointed. In such special cases, the appointment of the alternative supervisor will be regulated as under:</p>	<p><b>R-7.4 Appointment of alternative Supervisor:</b> A faculty member appointed as Ph.D. supervisor is normally expected to be available to the research scholar in the institute till the thesis is submitted if he/she is the only supervisor. In case of two internal supervisors, if one supervisor moves on long leave to serve at reputed Government laboratory / reputed research organization / reputed Institutes or Universities or industries in India, he may be allowed to act as external supervisor if faculty on leave, co-supervisor and candidate mutually agree for this. In case of sole supervisor, if supervisor resigns, moves on long leave, retirement, or death an alternate supervisor may have to be appointed by the DRC after consultation with the concerned student.</p>
<p><b>R-7.4.1 A Supervisor proceeds on leave of six months or more</b></p> <p>(i) If the synopsis of the thesis of the scholar has not yet been submitted,</p> <p>a) And the supervisor proceeds on leave for six month or more but less than 12 months, then the supervisor shall immediately inform the chairman DRC whether he will continue to guide and supervise the research work of his scholar effectively during his leave period or not. In case he does not inform within five days of the commencement of his leave, or informs that he will not be able to guide effectively, then he ceases to be the supervisor of that scholar.</p> <p>b) And if at any point of time, the total period of long leaves (six months, or greater) of the supervisor of a scholar equals or exceeds 12 months, that supervisor automatically ceases to be the supervisor</p> <p>c) And if a supervisor proceeds on leave for 12 months or more, he ceases to be the supervisor (after the expiry of 12 months on leave). In case there is a co-supervisor, he will take over as supervisor else a supervisor shall be appointed by the DRC.</p> <p>d. Once a supervisor ceases to be the supervisor, He cannot again become the supervisor of that scholar.</p>	<p><b>R-7.4.1A Supervisor proceeds on leave of twelve months or more</b></p> <p>(i) If the synopsis of the thesis of the scholar has not yet been submitted,</p> <p>a) Then the supervisor shall immediately inform the chairman DRC whether he/she will continue to guide and supervise the research work of his/her scholar effectively during his/her leave period or not. In case he does not inform within five days of the commencement of his leave, or informs that he/she will not be able to guide effectively, then he/she ceases to be the supervisor of that scholar</p> <p>b) He/she will continue, if so desired to act as supervisor for 12 months. In addition, the DRC shall appoint a co-supervisor on the recommendation of the supervisor.</p> <p>c) After the expiry of 12 months, he/she ceases to be the internal supervisor. In case there is a co-supervisor, he/she will take over as main supervisor. In such cases, if the faculty proceeding on leave for more than 12 month desires to continue to supervise the student he/she can act as external co-supervisor with the consent of internal co-supervisor.</p> <p>d) In case a candidate is not able to finish his/her PhD and the faculty on long leave working as external supervisor return back to institute, he will be treated as internal co-supervisor.</p>
<p>In cases a), b), c), when a supervisor ceases to be the supervisor, the other supervisor (of NITK) if already appointed, shall act as the supervisor; and if there is no such 'other' supervisor, the DRC shall immediately appoint alternative supervisor for the scholar.</p>	<p>In case of (a), when a supervisor ceases to be the supervisor, the other supervisor (of NITK) already appointed shall act as the main supervisor. If there is no such 'other' supervisor, the DRC shall immediately appoint alternative supervisor for the scholar in consultation with scholar.</p>

(ii) If the thesis / synopsis of the thesis has been submitted before the supervisor proceeds on leave and the supervisor consents to continue to be the supervisor, then he can continue to be so. If he declines, and there is no co-supervisor (of NITK), a caretaker supervisor will be appointed by the DRC.

Further, if major revision becomes necessary, and the co-supervisor or the caretaker supervisor provides the required help in carrying out the major revision, he will automatically be treated as a supervisor of that candidate.

**R-7-4-2: A supervisor retires**

A faculty member, who is due to retire within the next two years from the date the DRC meets to appoint a supervisor, cannot be appointed a supervisor. If a faculty member on retirement informs that he shall continue effectively supervising the scholar(s) registered under him, can continue as a supervisor, if either reemployed, or appointed Emeritus Fellow, or the synopsis of the thesis has been submitted, or the Director is convinced of his availability/continued guidance to the scholar and permits him to continue. If necessary, alternative/ caretaker supervisor be appointed by the DRC.

**R-7.4.3 A Supervisor resigns**

If necessary, alternative/ caretaker supervisor shall be appointed by the DRC.

**R-7.4.4 A Supervisor expires**

Alternative / caretaker supervisor shall be appointed by the DRC.

**“Co-Supervisor”** shall mean additional supervisor as appointed by the DRC. The Co-supervisor(s) may be from NITK itself, or from any other reputed government laboratory / reputed research organization / reputed Institutes or Universities or industries. A Co-supervisor must have the academic and research qualifications as prescribed for a supervisor.

(ii) If the thesis/synopsis of the thesis has been submitted before the supervisor proceeds on leave and the supervisor consents to continue to be the supervisor, then he/she can continue to be so. If he/she declines, and there is no co-supervisor (of NITK), a caretaker internal supervisor will be appointed by the DRC.

Further, if major revision becomes necessary, and the co-supervisor or the caretaker internal supervisor provides the required help in carrying out the major revision, he will automatically be treated as main supervisor of that candidate.

**R-7-4-2: A supervisor retires**

A faculty member, who is due to retire within the next two years from the date the DRC meets to appoint a supervisor, he/she cannot be appointed a supervisor. If a faculty member on retirement informs that he/she shall continue to effectively supervising the scholar(s) registered under him/her, can continue as a supervisor, if either reemployed, or appointed Emeritus Fellow, or the synopsis of the thesis has been submitted, or the Director is convinced of his/her availability/continued guidance to the scholar and permits him to continue. If necessary, alternative/caretaker internal supervisor be appointed by the DRC after consultation with retiring faculty and the scholar.

**R-7.4.3A Supervisor resigns**

If necessary, alternative/caretaker internal supervisor shall be appointed by the DRC after discussion with outgoing supervisor and the scholar. He may be allowed to act as external supervisor in case he/she fulfils the criteria R7.4 and willing to act as supervisor.

**R-7.4.4A Supervisor expires**

Alternative/caretaker supervisor shall be appointed by the DRC after discussion with scholar.

**“Co-Supervisor”** shall mean additional supervisor as appointed by the DRC. The Co-supervisor(s) may be from NITK itself, or a faculty from institutes/universities/colleges/organizations fully funded by state/central government and reputed R&D organisation/national laboratories/industry **having sufficient facilities to carry out research at their place (can be called as external supervisor also)**. A Co-supervisor must have the academic and research qualifications as prescribed for a supervisor as per the PhD ordinance of NJT Kurukshetra.

**EXAMINATION R-9.1**

Every scholar is required to submit his research plan proposal. The research plan proposal should include a brief account of the related work already reported in the literature. In the plan, the scholar should clearly spell out the investigation/work he/she intends to carry out and justify the need of the same. Subsequently, the research work should be carried out in accordance with the approved research plan. Any change in research plan can be indicated by research scholar in semester progress reports.

The following procedure is followed for conducting the comprehensive evaluation of the Ph.D. scholars.

(a) The written examination should be conducted by the DRC.

(b) The result of the written examination should be declared within two weeks as passed / failed.

Every scholar is required to take comprehensive examination, which will test his comprehensiveness in his broad field of research, and his academic preparation and potential to carry out the research. The evaluation shall be a combination of written and oral examinations. The oral examination may be conducted along with the evaluation of research plan proposal, after the candidate has obtained at least 40% marks in written test. The written as well as the oral examination will be conducted by the DRC

Every scholar must pass the comprehensive examination within 12-18 months of his initial registration.

**R-5: SHORTLISTING and ADMISSION**

(a) The DRC will check and certify the eligibility of the applicant.

(b) The Chairman DRC will call the eligible candidates for interview by placing notification on institute website and will also mention the reason for non-eligibility of rejected candidates.

(c) The basic guidelines / instructions for short listing will be framed and issued by the DRC with a copy of the same to the Dean (Academics).

(d) The short listing of applicants for the purpose of admission test/ interview will be done by the DRC.

(e) The eligible applicants will be tested by the DRC through written test. Based on their performance in the written test, DRC can shortlist a number of candidates for interview as per the number of vacancies available in the department. The applicants, who are employed in an NIT on a regular / contract (including project staff) for three years or more, are exempted from the above condition. The candidates from Govt. R&D organizations/national laboratories will also be exempted from written test. However, they are required to appear in interview before DRC to evaluate their research potential for admitting in Ph.D. programme.

(f) The DRC will recommend the selected candidates and their supervisors to the Dean (Academics) for registration. Dean (Academic) will approve the candidate for admission by considering candidate application, supervisor eligibility and recommendation of DRC.

**EXAMINATION R-9.1**

The following procedure is followed for conducting the comprehensive evaluation of the Ph.D. scholars.

(a) Every scholar is required to take comprehensive examination, which will test his readiness in his/her broad field of research, and his/her academic preparation and potential to carry out the research. The evaluation shall be based on a presentation in front of DRC. DRC shall invite an expert faculty from IITs/NITs working in the related research areas.

(b) Every scholar must pass the comprehensive examination within 12-18 months of his initial registration. He/she should apply at least one month in advance for comprehensive examination through his/her supervisors.

**R-5. SHORTLISTING and ADMISSION**

(a) The DRC will check and certify the eligibility of the applicant.

(b) The Chairman DRC will call the eligible candidates to appear for test by placing notification on institute website and will also mention the reason for non-eligibility of rejected candidates.

(c) The eligible applicants will be tested by the DRC through written test.

(d) The paper for the test should include questions from the relevant research area in which candidate is applying for Ph.D. JRFs, selected through proper interview by institute level committee, and working on various externally funded research projects leading to the award of PhD degrees, will have to appear for test also. For them the test should be set from the area of research being carried out under the project.

(e) DRC, based on the performance of candidates in the written test can shortlist a number of candidates for interview as per the number of vacancies available in the various research areas of the department. A cut off limit in marks can be set depending on the number of candidates appearing in the test, which has to be decided by DRC with a copy of the same to the Dean (Academics).

(f) The applicants, who are employed in NIT Kurukshetra on a regular position including staff for three years or more, the candidates working in Govt. R&D organizations/national laboratories on full time basis will also be exempted from written test. However, all exempted candidates are required to appear in interview before DRC to evaluate their research potential for admitting in Ph.D. programme.

(g) The DRC will recommend the selected candidates and their supervisors to the Dean (Academics) for registration. Dean (Academic) will approve the candidate for admission by considering candidate application, supervisor eligibility and recommendation of DRC.

**Existing norms Clause R 11.1 (i) (a)**

**R-11.1**

**Pre-synopsis Seminar**

(a) A research scholar will be allowed to deliver his /her pre-synopsis seminar only after getting at least a CGPA of 7.0/10.0 in course work and after publishing /getting acceptance of at least two research papers out of his research work in non-paid peer reviewed SCI/SCIE/Scopus/Web of Science Journals.

Further, the above modifications shall be applicable prospectively (i.e. students to be admitted from academic session 2017-18 onwards)

On research scholar's request for pre -synopsis seminar, DRC shall evaluate the journal publications of the scholar from his Ph.D. work and consider his performance in PG courses. If found satisfactory, DRC shall assess the scholar's work through a pre-synopsis seminar. Pre-synopsis seminar shall be held not earlier than one year for full-time and 2 years for part-time scholars from the date of passing the comprehensive evaluation.

**To be added in the Clause R 11.1 (i) (a) at the end of 2<sup>nd</sup> para.**

An expert from IITs/NITs working in the related research (First choice should be to call same external expert who was invited at the time of comprehensive examination) area should be invited during the pre-submission presentation by the candidate in front of DRC. Candidate should give a notice at least one month in advance for pre-submission presentation.

## Existing Norms

### R-3.3 Eligibility for Institute Scholarship #

- (a) Only full-time Ph.D. research scholars are eligible for the award of Institute scholarship.
- (b) A candidate/scholar is required to apply for scholarship through the supervisor and concerned Chairman, DRC. In a particular department, scholarships will be awarded only if these are available in that department.
- (c) The Eligibility for scholarship & its amount will be as per the guidelines issued from time to time by the Ministry of Human Resources Development, Govt. of India and /or funding agency.
- (d) Those who are awarded scholarship/fellowship or equivalent from any other source will not be eligible for the institute scholarship.
- (e) In case the semester research progress is unsatisfactory, the scholarship shall be discontinued /stopped.
- (f) Support for doctoral program by the MHRD would be termed as Research/Teaching Assistantship. Only GATE/NET qualified candidates are eligible. All scholars getting Research/Teaching Assistantship would be required to put in at least eight hours of research or teaching assigned to him in the institute.
- (g) A Ph.D. research scholar receiving institute scholarship will receive it for a duration of two years, which may be extendable to 3<sup>rd</sup> year if the research scholar has published at least one research paper before the start of 3<sup>rd</sup> year and can be extended /resumed in 4<sup>th</sup> year if the research scholar has published at least two/ one research papers respectively before the start of 4<sup>th</sup> years. These research papers should be published from his research work in non-paid peer reviewed SCI/SCIE/Scopus/Web of Science Journals.  
Further, the above modifications shall be applicable prospectively (i.e. students to be admitted from academic from academic session 2017-18 onwards).
- (h) Recommendation of extension/resumption of scholarship after second third and fourth year will be done by DRC after considering the above criteria.  
Extension/resumption of scholarship is subject to its availability on the date of receiving recommendation from the DRC. No institute scholarship will be given after 5<sup>th</sup> year. (Amended in line with the directions of the MHRD, Govt. of India).

No  
change

# The scholars receiving scholarship from external Govt/Autonomous organizations shall be governed by the rule and regulations issued and amended by the respective Govt./Autonomous organizations.

## Proposed

### Criteria for the award of the Institute fellowship to Full-Time Ph.D. Scholars (Effective from the academic session 2018-19)

- (i) Only GATE (Engineering Programmers) / NET (Sciences/HSS) qualified scholars shall be considered for the award of the Institute fellowship.
- (ii) Initial award of the scholarship at the time of Provisional admission to Ph.D. programme will continue for one year from the date of the issue of the scholarship. There shall be annual assessment of the performance of the Ph.D. scholar for continuation of the scholarship.
- (iii) Criteria for continuing the Institute Fellowship:

(a) : Minimum requirements

Sr. No.	Period of Regn. (Years Completed)	Period of Fellowship	Min. Requirement
1.	01	2 <sup>nd</sup> year	Successful completion of Ph.D. Course with min. 6.5/7.0 CGPA
2.	02	3 <sup>rd</sup> year	Approval of the Research plan and one paper in SCI/Scopus/Web of Science indexed international Conference
3.	03	4 <sup>th</sup> year	01 paper in SCI/Scopus/Web of Science indexed non-paid journal
4.	04	5 <sup>th</sup> year	02 paper in SCI/Scopus/web of Science indexed non-paid journal

(b) Publications must be in the relevant area of research of the scholar with affiliation to NIT Kurukshetra

(iii) Following committee is proposed to assess the performance of the scholar:

- |                                                 |          |

SCSA 55.03 To apprise the approval of Chairman, Senate regarding re-distribution of Mathematics courses in 3<sup>rd</sup> & 4<sup>th</sup> semesters of new B.Tech. Scheme.

On the request of HOD, Mathematics vide letter No MA/18/242 dated 17.5.2018, a meeting of concerned HODs was called in the office of the undersigned on 7.6.2018. The matter regarding the uneven distribution of mathematics courses in 3<sup>rd</sup> and 4<sup>th</sup> semesters in the new B.Tech. scheme, which has been implemented from academic year 2017-18 was discussed. After detailed deliberations, the decision as taken in the meeting are attached as Annexure-A.

The Chairman, Senate has approved the decision of the meeting. The SCSA may kindly apprise.

Dated: 7.6.2018

A meeting of HODs of various departments was called on 7.6.2018 at 11.00 a.m. in the office of the undersigned to sort out the issue related to uneven distribution of Mathematics courses in 3<sup>rd</sup> & 4<sup>th</sup> semesters of the new B.Tech. scheme which has been implemented w.e.f. academic year 2017-18.

The following were present:

HODs/HODs nominees - Civil, Mech., ECE, Computer & IT, Mathematics

The following decisions were taken in the meeting:

- (i) In the scheme of B.Tech. Production & Industrial Engineering, course of Machine Drawing (PRPC-19, presently course of 4<sup>th</sup> semester) will now be offered in the 3<sup>rd</sup> semester while the course of Applied Numerical and Statistical Methods (MAIR 21, presently course of 3<sup>rd</sup> semester) will now be offered in the 4<sup>th</sup> semester.
- (ii) In the scheme of B.Tech. Electronics & Communication Engg., course of Communication Engg. (ECPC 41, presently course of 4<sup>th</sup> semester) will now be offered in the 3<sup>rd</sup> semester while the course of Complex Analysis and Partial Differential Equations (MAIR 23, presently course of 3<sup>rd</sup> semester) will now be offered in the 4<sup>th</sup> semester.

Sr. No.	Name of the Department	Course Code	Nomenclature of the Course
1.	Civil Engineering	MAIR 21	Applied Numerical and Statistical Methods
2.	Mechanical Engineering	MAIR 21	Applied Numerical and Statistical Methods
3.	Production Engineering	MAIR 21	Applied Numerical and Statistical Methods
4.	Electronics and Communication Engineering	MAIR 23	Complex Analysis and Partial Differential Equations
5.	Computer Engineering	MAIR 24	Discrete Mathematics
6.	Information Technology	MAIR 24	Discrete Mathematics

Where as in the 4<sup>th</sup> Semester, only one branch specific Course in Mathematics has been allocated as below

Sr. No.	Name of the Department	Course Code	Nomenclature of the Course
1.	Electrical Engineering	MAIR 22	Applied Linear Algebra

Further, in addition, in the Odd Semester (7<sup>th</sup> Semester), the Department also offers Open Elective Course.

As per the above Scheme, the teaching load distribution of the Department will completely be disturbed due to the large number of courses allotted in the Odd Semester in comparison to the allocated load in the Even Semester. Under this situation, it is very difficult to engage classes smoothly and efficiently with existing faculty strength.

Kindly restore the load distribution of branch specific courses in 3<sup>rd</sup> and 4<sup>th</sup> semesters as per the past practice applicable since long.

**A Brief Appraisal: Academic Session 2017-18**

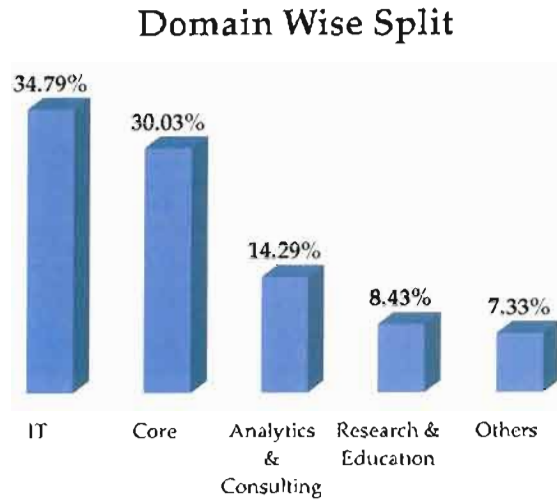

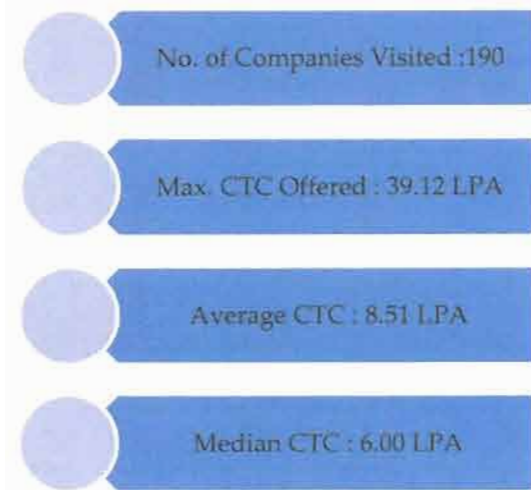

Training and Placement Cell, NIT Kurukshetra is a nodal point of contact for companies seeking to establish a fruitful relationship with the Institute. The placement team consists of Prof. In-charge, Faculty In-charge, Placement Coordination Committee (PCC) constituted amongst the students of different disciplines and the secretariat. The placement team works tirelessly to ensure that top notch opportunities are brought to the students & manages all interactions between the visiting companies and the Institute. The placement cell provides all the possible assistance to the recruiters for Pre-Placement Talks, Conducting Tests and Interviews to the company personnel.

**Some Important Mentions:**

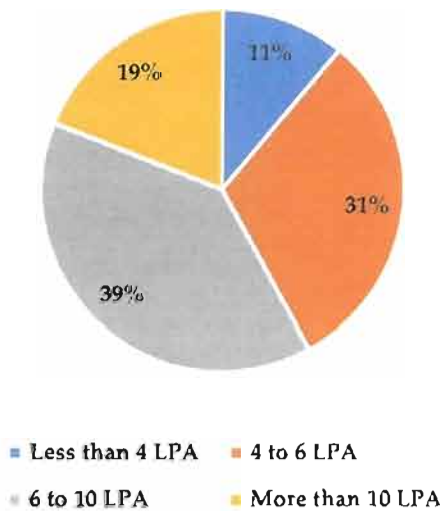

- a) During this academic year, various reputed organizations including Microsoft, Goldman Sachs, Amazon, Fidelity Investments, Royal Bank of Scotland, IOCL, GAIL, EIL, C-Dot, IRCON and many more visited NIT Kurukshetra for the placement drive. A total number of 190 companies visited the campus for the purpose, however, 172 organizations recruited our students. Out of the 566 eligible NIT Kurukshetra UG students, 500 got placed in various organizations; 610 job offers were grabbed by them with an average compensation of Rs 8.51 LPA. Further, out of the 45 eligible IIIT Sonipat UG students, 33 were also placed in various organizations, however, 35 job offers were grabbed by them with an average compensation was 6.44 LPA. Pertinent to mention that the highest CTC offered to NIT and IIIT students was Rs. 39.12 LPA and Rs. 23.84 LPA respectively in this academic year.
- b) The Training and Placement Cell also envisaged industries to offer the internship to the 3rd year UG students of our institute. A total 132 students got the paid internship offers from the various organizations in this academic year. The highest compensation offered to our students was Rs. 75000/- per month. After successfully completing the intern, 27 students were granted Pre Placement Offers (PPOs).
- c) Out of the 429 eligible PG students, 150 got placed in various organizations; 166 job offers were grabbed by them with an average compensation of Rs 5.64 LPA. The highest CTC offered to our PG students was Rs. 28.00 LPA in this academic year.
- d) Eighteen PG students, mainly from the circuit branches, also got the paid internship varying from six to eleven months with an average compensation of Rs. 28000/- per month. It is important to note that after completing the internship most of the students were granted the full time job offers by the respective organizations.

### Industry Feedback:

After completing the placement procedures, every organization was asked to provide the feedback related to the performance of the students and the infrastructure/ hospitality extended by the institute. Overall the industries were satisfied however, some of the observations made by them are as below:

#### Accolades

- Attitude towards Team Work
- Passion for Technical Knowledge
- Clarity of Basic Concepts
- Excellent Infrastructural support
- Warm Hospitality

#### Scope of Improvement

- Soft/Communication skills
- Industrial Exposure
- Industry Projects
- Awareness about recent Technological Developments/emerging technologies
- Lab Training
- Lack of proper demeanor and body language
- Insufficient preparation for the interviews

### Some Measures Taken:

- The feedback from the industries/organizations that visited NIT Kurukshetra for the campus placement although put our students in 'good' category in terms of subject related knowledge, even though revealed various issues related to the employability of our students. Some of these were poor communication skills, lack of basic technical knowledge, quantitative aptitude, coding skills, English language writing skills etc.

It was realized that the students should be aware about the requirements of the industries/organizations well in time so that they can work upon their weak areas, if any. Considering this, CoCubes Technologies Pvt. Ltd. was hired for conducting the Comprehensive Diagnostic Assessment Test Series for the B Tech sixth semester students of the institute. The test module was conducted during April to May 2018. The comprehensive assessment module comprised the following sections:

- i. Aptitude Test: A comprehensive assessment to gauge the Aptitude skills of the student as per the industry specific topics related to Quantitative Aptitude Analytical Reasoning and Verbal Abilities.
- ii. Coding: In this, a student can code and execute the code in real time.

GS Pankaj JSG

- iii. Domain Knowledge: A comprehensive domain test of around an hour to test the students on industry-aligned topics.
- iv. English language writing test: An assessment tool to identify the Writing skills of a candidate.

The analysis report revealed that approximately 65 percent students did well but about 35 percent students required practice and training in these areas. This exercise was highly appreciated by the students and was found to be useful in improving their employability skills.

- To provide industrial exposure to our students an industrial visit of **IOCL** was organized for the students of Mechanical and P& I stream.
- A workshop was conducted by **American Express** for the students of Computer/Information Technology and MCA to teach them the professional ethics.
- NIT Kurukshetra and AEON Learning has signed a MoU to setup the **ACADGILD Learning Centre of Excellence on Emerging Technologies** referred to as "ACEET". The primary objective of ACEET is that it would help train existing students of the Institute, Alumni, other working professionals, Faculty and students of other institutes either nearby or in remote locations in terms of improving Employability and up-gradation of Emerging Technologies of Students, generating revenue and institute Branding.
- The Institute and **Conserve Infotech Private Limited** signed a MoU to promote Academia & Industry cooperation for the students of **Computer Engineering & Information Technology** with the following broad forms of Cooperation including Imparting knowledge to students and faculty on real life case studies/projects through Industry experts and internships.

#### Goals set for the Academic Session 2018-19

- ✓ More MoUs with the leading industry will be signed in terms of enhancing industrial visits, live industrial projects and paid internships;
- ✓ Workshops/ lectures will be organized to improve the employability of our students;
- ✓ Establish relations with renowned Indian/ foreign universities in terms of student exchange and internships.

**S 34.09 To approve the list of students to be awarded degrees in 16<sup>th</sup> Convocation, 2018 scheduled to be held on 13.11.2018.**

The 16<sup>th</sup> Convocation of the Institute is scheduled to be held on 13<sup>th</sup> November, 2018 (Tuesday). On this occasion, 1229 degrees are to be awarded to the students who have passed out during the year 2017-18 and as on results declared up to July, 2018. The number of students eligible for award of degrees in the various disciplines under UG, PG and Doctorate programs are mentioned in the enclosed **Annexure 34.09 (A)** from pages 36 to 37 for kind perusal.

Further, the detailed lists of students of the programs are also enclosed as **Annexure 34.09 (B)** from pages 38 to 122.

The lists of the degree recipients have been uploaded on the Institute website for verification of inclusion, spellings of the name of the student and his/her father's name, in English as well as in Hindi. The discrepancy if any, pointed by the concerned students will be corrected after due verification from the personal files of the students.

It is also proposed that in case some more students become eligible for the award of degrees on or before **26<sup>th</sup> October, 2018**, their names may also be added to the list of degree awardees after due approval of the Chairman, Senate.

The Senate may consider & approve the lists of degree awardees, the proposal as above and recommend to the Board of Governors for approval.
