**NOTICE**

Govt. of India has decided to implement 100% Aadhaar based DBT in all the scholarship schemes being implement by various Ministries. So, it is directed to all the beneficiaries' students of **National Fellowship and Scholarship for Higher Education of ST students** to provide their Aadhaar number in their application for scholarship. As per the decision, the bank account in which the scholarship funds are to be released to the beneficiary has to be Aadhaar seeded. Aadhaar seeded failing which this Ministry will not be able to disburse their scholarship funds.
