IETE-CEOT(94) AWARD(BIENNIAL)-2014

Dear *Dr Singh*

I have great pleasure in informing you that the Institution of Electronics and Telecommunication Engineers has selected you for the coveted IETE-CEOT(94) Award(Biennial)-2014 in recognition of your innovative research on development of novel materials for ultraviolet and wavelength-independent photo-detectors that could open a new area in development of new type of electronic photo-detectors.

The award ceremony will be held in the inaugural function of Annual Technical Convention on 27th Sep 2014 at IETE HQs.

Please accept our congratulations on this achievement.

With best regards,

Yours sincerely,

SPal
