Dear Shri Mohanty,

I am writing this in connection with the application of the Direct Benefit Transfer mode for centrally sponsored and Central Sector Schemes with a beneficiary component. As you know, currently 35 schemes have already been brought [list enclosed] on the DBT platform. This is in addition to the usage of the platform for transfer of LPG subsidy.

2. The DBT platform for transfer of cash benefits through Aadhar Enabled Payment System directly to the bank account of the beneficiaries not only makes the system transparent and more efficient but also provides mechanism to better target the subsidies. To achieve this, Aadhar number of all beneficiaries will have to be seeded in the database of the scheme and mapped to Bank accounts.

3. I am separately writing to UIDAI/RGI to focus on enrolment of beneficiaries of various schemes for Aadhar; DFS for ensuring opening of bank accounts, if required, and expeditious seeding of Aadhar numbers; and Mission Director DBT to coordinate these efforts. However, the Scheme implementing Departments/Ministries will have to take the prime ownership for smooth implementation.

4. I, therefore, request you to ensure that direct cash transfer to individual beneficiaries under all schemes of your Ministry takes place only on DBT platform from the next financial year onwards. You may, therefore, ensure that all beneficiary details with bank accounts and Aadhar numbers are seeded in the database, within the next three months. Kindly enlighten me if there are any implementation issues.

With regards,

Yours sincerely,

[ Nripendra Misra ]
