Subject: Calling of fresh scholarship proposals for the year 2019-20 under the Central Sector Scholarship Scheme of "Top Class Education for SC Students."

Sir,

As you are aware the Government of India has been implementing the Central Sector Scholarship Scheme of "Top Class Education for SC Students" since 2007. The Scheme aims at recognizing and promoting quality education amongst students belonging to SCs by providing full financial support. The scheme covers SC students for pursuing studies beyond 12th class and it is available to 220 notified institutions under the Scheme. Under this Scheme, the SC students having family income not more than Rs. 6 lakh per annum, who get admission in the notified Courses in notified Institutions are eligible to get financial support as scholarship for covering four items namely,

- ✓ Full tuition fee and non-refundable charges (there will be a ceiling of Rs. 2.00 lakhs per annum per student for private sector institutions and Rs.3.72 lakhs per annum per student for the private sector flying clubs for Commercial Pilot Training and Type Rating Courses)
- ✓ Living expenses to the beneficiary @ Rs. 2220/- per month per student
- ✓ Books and stationery @ Rs. 3000/- per annum per student and
- ✓ A latest computer/laptop of reputed brand with accessories like UPS and printer limited to Rs. 45000/- per student as one time assistance during the course.

2. The eligibility criteria for the Scheme are listed below:

- Those SC students having total annual family income from all sources up to Rs. 6.00 lakh and having secured admission in a full-time course in any of the notified institutions according to the general selection criteria prescribed by the concerned institutions, are eligible for scholarship under the Scheme to the extent of the number of scholarships (slots) allocated to the institutions for the course.
- In case the number of eligible students admitted exceeds the number of slots allotted to the institutions, the scholarship will be restricted to the top students in the inter-se merit list based on the admission criteria for the course. However, if there is more than one student with equal marks for the last available slot in an institution, preference should be given to the student with the lowest family income. The remaining students from SC category admitted in the institutions shall be eligible for the Post-Matric Scholarship (PMS) administered by this Ministry through State Governments/UT Administrations, provided such students are otherwise eligible under the said scheme.
- In case the institutions finds that the number of eligible candidates in the 1st year are less than the number of slots allotted to it, the balance slots may be offered to eligible students studying in 2nd, 3rd and 4th year, etc. on the basis of inter-se merit of their previous year's result giving priority to those with higher number of years left to complete their respective course i.e. 2nd year students are to get priority over the 3rd year students and so on.
- Thirty percent (30%) of the slots allotted to the Institutions shall be reserved for eligible SC girl students as per their inter-se merit. In the absence of sufficient number of girl students, the slots may be transferred to eligible boy students as per their inter-se merit. However, the 30% slots as mentioned above will not include those girl students who are selected on the basis of their performance in the overall merit list of SC students of the Institutions.
- The benefit of the Scheme will not be provided to more than 2 siblings in a family. The students will submit an affidavit in the Institutions to certify that he/she is not the third or later sibling of the family who is availing benefit under the Scheme.
