## 17<sup>th</sup> Convocation

THURSDAY  
20<sup>th</sup> FEBRUARY  
2020

**NATIONAL INSTITUTE OF TECHNOLOGY  
KURUKSHETRA**

(Institution of National Importance)

# *Vision*

**To be a role-model in technical education and research, responsive to global challenges**

# *Mission*

**To impart quality technical education that develops innovative professionals and entrepreneurs and to undertake research that generates cutting-edge technologies and futuristic knowledge, focusing on the socio-economic needs**

**M. VENKAIAH NAIDU****भारत के उप-राष्ट्रपति  
VICE-PRESIDENT OF INDIA**

## *Message*

I am happy to know that the National Institute of Technology (NIT), Kurukshetra, Haryana, is organizing its 17<sup>th</sup> Annual Convocation on February 20, 2020.

NIT, Kurukshetra has been imparting technical education for more than five decades and has successfully established itself as one among the top engineering & technology institutes in the state. I am happy to know that the Institute is running 7 Under Graduate, 21 Post Graduate and several Ph. D programs in different disciplines. I also commend the college for providing state-of-the art infrastructure and a congenial atmosphere for research to take place. I hope the University will continue to strive to impart quality education, ensuring the all-round development of its students. I congratulate the students who are passing out and extend my warm greetings to the teachers and the staff of NIT, Kurukshetra.

I wish the Convocation Ceremony all success.

New Delhi

## संदेश

मुझे यह जानकर अत्यंत प्रसन्नता हो रही है कि राष्ट्रीय प्रौद्योगिकी संस्थान कुरुक्षेत्र 20 फरवरी 2020 को अपना 17वां दीक्षान्त समारोह आयोजित कर रहा है।

यह संस्थान पिछले पांच दशकों से भी अधिक समय से इंजीनियरिंग और प्रौद्योगिकी में गुणवत्ता की शिक्षा प्रदान कर रहा है। राष्ट्रीय प्रौद्योगिकी संस्थान कुरुक्षेत्र ने तकनीकी शिक्षा में वैश्विक मांगों के अनुरूप तकनीकी जन शक्ति पैदा करने के उद्देश्य से स्नातक, स्नातकोत्तर व पी.एच.डी. के साथ-साथ उच्च गुणवत्ता के शोध एवं विकास प्रोजेक्ट भी शुरू किए हैं। संस्थान वर्तमान में दो दर्जन स्नातकोत्तर व पी.एच.डी. सहित कई स्नातक स्तर के एकेडमिक कोर्स चला रहा है।

मेरा विश्वास है कि इस संस्थान से शिक्षा प्राप्त कर विद्यार्थी राष्ट्र के निर्माण में महत्वपूर्ण योगदान देंगे। संस्थान द्वारा उच्च शिक्षा के क्षेत्र में जो मिशन शुरू किया गया है, वह निरंतर जारी रहे। संस्थान से डिग्री प्राप्त कर छात्र वैश्विक चुनौतियों का सामना कर और मानवता की सेवा में भी महान योगदान देंगे।

मैं भारतीय राष्ट्रीय प्रौद्योगिकी संस्थान कुरुक्षेत्र के दीक्षान्त समारोह के अवसर पर संस्थान के निदेशक, प्राध्यापकों और विद्यार्थियों को शुभकामनाएं प्रदान करता हूँ और साथ ही साथ संस्थान के उज्ज्वल भविष्य की आशा करता हूँ।

## Message

I am delighted that National Institute of Technology (NIT), Kurukshetra (Haryana) is organising its 17<sup>th</sup> Convocation on 20<sup>th</sup> February, 2020.

According to Swami Vivekananda, "Education is not the amount of information" but "life-building, man-making, character-making assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by heart a whole library". It is therefore quite imperative that education lays greater focus on life-building, man-making and character-building of our students, the makers and the shapers of new India, mindful of the great heritage of India - the cradle and continuum of civilisation.

The Convocation is a moment of singular significance, a turning point in the life of a student. It is also a proud moment for the parents who render every conceivable support and assistance to their wards. I am optimistic that the recipients of the degrees will have a luminous career and bring laurels to the University and the nation.

I congratulate the Director, the faculty members and all the graduating students and wish them success in their future endeavours.

## Message

I take Immense pleasure in knowing that National Institute of Technology, Kurukshetra is organizing its 17<sup>th</sup> Annual Convocation on the 20<sup>th</sup> of February, 2020.

IITs and NITs form the core of technologically driven education in India, and with every batch that passes out of these institutions, new set of young and incredibly talented quality professionals enter into the technological world. These youngsters are the most important and valuable resources of the country. I am quite sure that they will excel in the chosen path and bring laurels to the country.

The technology world outside is very exciting right now. Young Start-up Entrepreneurs, Incubators, Innovators, and tech-entrepreneurs are re-writing the code of business and entrepreneurship. The young graduates, I am confident, will shine and make a mark in the world outside.

I extend my heartiest congratulations to the graduating class, the administration, faculty, and staff members who have facilitated them throughout their journey in the institution.

I wish you all the best in your future endeavours.

## Message

It gives me immense pleasure to know that the National Institute of Technology, Kurukshetra is going to hold its 17<sup>th</sup> Convocation on February 20, 2020.

NIT Kurukshetra, since its inception has been working relentlessly in spreading the light of technical and research education in every nook and corner of the state and the nation with its dedicated team of faculty members and students.

I hope the souvenir that is going to be published synchronizing with the occasion will bear the testimony of NIT's long, dedicated and selfless service in its pursuit for technical education and research excellence.

I wish all success to NIT Kurukshetra and the graduates.

## Message

I am happy to learn that the 17<sup>th</sup> Convocation of the National Institute of Technology Kurukshetra (NITK) is to be held on 20<sup>th</sup> February, 2020 and a souvenir is also being brought out on this occasion.

NITK (earlier known as REC-Kurukshetra) was set up in 1963 as one of the 14 educational institutions as a joint venture between the Government of India and Government of Punjab. Since then, by sheer hard work and dedication, in the year 2008 it has been accredited with the status of Institute of National Importance. Since then, NIT-K has taken giant strides in the field of imparting education as an institute of international eminence and stands as a beacon of hope for many aspiring students.

By offering world-class UG/PG and PhD programmes in over two dozen disciplines, NIT-K has carved a niche for itself in grooming young and vibrant minds and creating a vast talent pool of excellent technocrats to meet both indigenous and global demands. It is also heartening to note that NIT-K is providing technology solutions in the critically important areas that lead to socio-economic development of the country.

I congratulate the Director, faculty members and other officers and staff of NIT-K on this momentous occasion and wish them all success in all their future endeavours. I also convey my very best wishes to all the graduating students for an excellent career.

It gives me immense pleasure to know that the National Institute of Technology, Kurukshetra is celebrating its 17<sup>th</sup> Convocation on 20<sup>th</sup> February, 2020.

NIT, Kurukshetra in the last five decades, since its inception has become a centre of excellence and created a separate identity for itself. The institute has empowered the students to challenge the conventional thinking in pursuit of original ideas and excel in their area of interest. My congratulations to all the graduating students and wishes for a very successful career ahead. You being the future of this country, I trust you will use the knowledge gained to help our country progress technologically.

May all your dreams be fully realised. My special congratulations to the teachers and parents who in their own way have contributed in shaping the young minds.

## Message

Crossing the threshold line from learning to delivering, in the discipline one has mastered the knowledge and making an impact on the society, are the dreams any individual aspire to achieve on joining a reputed institution. NIT kurukshetra with a history of over five decades has a long list of alumni to feel proud of, who have contributed immensely in socio-economic development of the country.

It is heartening to note that 17<sup>th</sup> convocation of NIT Kurukshetra is being held on 20 February 2020. I convey my best wishes to the graduating students, the mentors who have channelised their thought process and the staff for making marvels from ordinary stones, ready to conquer the skies, excels in their fields and keeps the flag of the institution fly high with pride. Never stop learning and challenging your capabilities to get the best out of you.

Jai Hind!

It gives me immense pleasure to know that the National Institute of Technology, Kurukshetra is organizing its 17<sup>th</sup> Convocation on 20<sup>th</sup> February, 2020. I extend my best wishes and congratulate the graduating students, their parents and the organizers on this occasion.

National Institute of Technology, Kurukshetra, an institution of National Importance, is providing quality technical education and playing a vital role in pursuing research and academic excellence.

I urge the graduating students to concentrate on applying their knowledge and skills earned in the Institute through hard work and devotion, in their respective professional fields in a way that is fruitful to the society. I am confident that they will make significant contribution to the growth and development of the country through the technical knowledge acquired by them in the Institute.

My best wishes for the success of the Convocation Ceremony.

I am glad to know that National Institute of Technology, Kurukshetra is going to hold its 17<sup>th</sup> Annual Convocation and would like to congratulate the families and friends of the graduating class.

Institutes of National Importance like IITs and NITs have always been one of the major contributors to the Nation's technological advancement. But the time to raise the bar has come. It's time that we start thinking about coming up to the standards of world's best technological institutes. I have a firm belief that the students of IIT and NIT hold the full potential which can open up the gates to new technological advancements and help the nation to progress.

I wish all the graduating students a very successful career. I congratulate the staff and faculty members on this occasion and convey my best wishes for the Convocation ceremony.

## Message

I am pleased to know that National Institute of Technology, Kurukshetra is holding its 17<sup>th</sup> annual convocation on 20<sup>th</sup> February, 2020. The Convocation is an important occasion in the life of a university and it is particularly important for the graduates, who are awarded degrees during the ceremony. To commemorate this occasion, the institute is planning to publish a Souvenir, highlighting the achievements made by it during the past years and the details of medal winners and successful candidates for various degrees.

I extend my best wishes and greetings to the Director, members of the Executive Council and Academic Council, faculty, staff, parents of the graduating students and most importantly, the graduating students who are commencing their journey of translating their education to the benefit of the society and the humanity at large. I hope the pass outs will take with them the lessons learned in the university and make their career dreams come true. On this land mark occasion of their efforts, I congratulate them and wish all success in their future endeavors.

I wish the Convocation a grand success.

## Message

It is a pleasure to learn that 17<sup>th</sup> Annual Convocation of the National Institute of Technology, Kurukshetra is being held on the 20<sup>th</sup> February 2020.

A nation's progress and its human development are linked to science and technology. Our best science and technology institutions should further strengthen their basic research in line with leading global standards. The first-principles approach, interdisciplinary programs, innovation and incubation facilities, partnerships with renowned academic and research institutes, the synergies with industry, government, and civic organizations are some of the best practices that built the reputation of the institute.

I wish each and every one of the institute's students all the best for achieving great success in your education and career ahead and, in contributing to all round development of the Nation.

**Dr. Satish Kumar**  
DIRECTOR

राष्ट्रीय प्रौद्योगिकी संस्थान, कुरुक्षेत्र

**NATIONAL INSTITUTE OF TECHNOLOGY KURUKSHETRA**

Most Respected Chief Guest Shri Rajnath Singh Ji, Hon'ble Raksha Mantri, Govt. of India, esteemed Shri Sampath Ravinarayanan, Guest of Honour, Members of the BoG, Members of the Senate, faculty and staff of the Institute, degree recipients, Medal and award winners, distinguished guests, members of the media, ladies and gentlemen:

I extend a very warm welcome to you all on the 17<sup>th</sup> Convocation of the Institute.

At the outset, I congratulate you the young graduates and share my best wishes. This convocation is marked by a special distinction that has made it all the more special. The distinction comes from the inspiring presence of Shri Rajnath Singh Ji, Hon'ble Raksha Mantri, Govt. of India. Sir, the Institute takes pride in hosting you as the Hon'ble Chief Guest of 17<sup>th</sup> Convocation.

It has been little more than three years that I take pride in heading this reputed Institute as the Director. And, as such in that capacity, I am privileged to be presenting a report on the activities in the Institute and important achievements in the last one year or so and to be outlining the course of action for the future. The Institute has a glorious past of over five decades, richly contributed by individuals and groups of individuals. The Institute was established in the year 1963 as a Regional Engineering College, started running at the present campus in 1965 and rechristened as National Institute of Technology in 2002 and subsequently conferred with the status of an Institution of National Importance in 2007. The Institute achieved an important milestone in its history when we celebrated Golden Jubilee in the year 2013. The Institute over its journey to date has grown manifold in academic programs, infrastructure and outreach. Today the Institute is proudly conducting 07 B.Tech. programs, 20 M.Tech. Programs besides MBA, MCA & Ph.D. programs in all disciplines of engineering, sciences and humanities & social sciences. Since the very inception, the Institute has a commendable record of nurturing the enormous talent of this country and providing them with the best of the technical education. In the course of this journey, the Institute has contributed immensely to the technical education, Research & Development and consultancy. It is worth mentioning here that the Institute has, over these years, mentored CRSCE Murthal, HEC Hisar, REC Hamirpur, REC Jalandhar, NIT Uttarkhand, NIT Delhi and currently mentoring the newly established IIIT Sonapat from the academic session 2014-15. Three batches of students admitted to IIIT Sonapat are studying at NIT Kurukshetra in Computer Engineering, Information Technology and Electronics & Communication Engineering. The number of admissions in 2019-20 for the B.Tech. programs was 961, which includes admissions under DASA, ICCR and MEA; and for the M. Tech. programs it was 424. For MBA, it was 46; for MCA 91 and for Ph. D. 143. In this Convocation, the total number of candidates being awarded B. Tech., M. Tech. and Ph.D. degrees are 847, 317 and 78, respectively. In addition, 24 MBA and 73 MCA candidates have qualified for the award of their respective degrees. The meritorious students under various categories are felicitated by awarding Medals, merit certificates and cash prizes.

In a short span of three years, together we have been able to achieve some important milestones and have taken important initiatives to take this Institute to greater heights. I am happy to share with you some of the initiatives / achievements of the last one year or so that have improved the overall academic ambience of the Institute.

#### ❖ NIRF-2019

It is matter of pride to share that the Institute has been consistently performing well in NIRF ranking and

maintaining the upward trend. As compared to 60<sup>th</sup> position in 2017 ranking, the Institute stands at 41<sup>st</sup> position in the NIRF ranking-2019 which is a quantum jump. Among NITs, the NIRF ranking of the Institute has improved from 12<sup>th</sup> position in 2017 to 7<sup>th</sup> position in 2019. This is owing to the concerted efforts of all stakeholders – faculty, staff, students, and alumni.

## ❖ **Accreditation of UG and PG programs**

The accreditation of the academic programs in any institution is very important and plays a very vital role in getting the programs international credibility and acknowledgement. Realizing this fact, the accreditation of the UG and PG programs of the Institute was given top priority and the process was initiated for the same in the year 2017. As a result, 05 UG programs were accredited in 2017 for three years with one UG program accredited for six years. For extension of accreditation up to three more years, the visit of NBA team has taken place in the month of January, 2020 and we are expecting the positive outcome any time by March 2020. Further, the process of accreditation of the 15 PG programs has been initiated with the Self-Assessment Reports (SARs) having been uploaded and the requisite fee deposited. The visit of the NBA team is likely to take place in the month of March / April, 2020 for the 15 PG programs. The efforts put in by the faculty, staff and students towards this are duly appreciated.

## ❖ **Recruitment and promotion of Faculty and Non-Teaching Staff**

The selection process for the recruitment of faculty at all levels in various departments has been completed. Also, the selection process for the recruitment of Non-teaching staff has been completed and 48 new staff members have already joined the services of the Institute. The process for the promotion of Non-teaching staff has been completed and 04 officers and 23 technical and ministerial staff members have been promoted in January, 2020.

## ❖ **Technical Education Quality Improvement Program (TEQIP) –III**

The Project, 3<sup>rd</sup> phase of Technical Education Quality Improvement Programme (referred to as TEQIP-III) is fully integrated with the Twelfth Five-year Plan objectives for Technical Education as a key component for improving the quality of Engineering Education in existing institutions to improve their policy, academic and management practices. TEQIP-III is a world bank supported project under the Ministry of Human Resource Development, Govt. of India.

The Institute is partner in TEQIP-III as Mentor Institute under subcomponent 1.3, which aims at Twinning Arrangements to Build Capacity and Improve Performance of Participating Institute which in our case is Government Engineering College, Bikaner, Rajasthan, as the Mentee Institute. Under the project, an estimated total budget outlay for the Institute of approx. Rs. 7 Crore, spread over the project duration i.e. 2017-2020, has been allocated by National Project Implementation Unit (NPIU).

The Institute is effectively utilizing the funds received under TEQIP-III in conducting various activities suggested under the scope of the project which are broadly under the following three categories:

- A. Procurement of Goods
- B. Academic Processes
- C. Operating Costs

The total expenditure since the inception of the project on various activities, including with Government Engineering College, Bikaner, Rajasthan, is Rs. 602.97 Lakhs out of which under procurement is Rs. 345.21 Lakhs, under Academic process Rs. 225.06 Lakhs and under Operating Costs is Rs. 32.68 Lakhs. The procurement and installation of four outdoor all-weather electronic display systems in the campus (arguably first and the only amongst NITs) and the 13 smart digital boards in the lecture rooms needs special mention as the creation of live and smart interactive facilities under TEQIP-III.

## ❖ **Academics accomplishments**

- (i) Academic audit of all twenty M.Tech. programs being offered in various departments/schools was got done by inviting eminent experts from premier institutions of the country like IITs/ IISc. Based on the suggestions and critical input received from the experts, necessary steps are being taken towards improving the overall academics and in particular the M.Tech. programs. It was a very comprehensive

exercise that was taken up with all sincerity and necessary follow up will definitely help enhance the quality of academic programs & research at the Institute. This exercise has helped in preparation for the accreditation of PG programs.

- (ii) The Curriculum of all twenty M.Tech. programs being offered in various departments/schools has been revised incorporating the suggestions received during academic audit and through interactions with industry, students and Alumni. The revised curriculum has been made effective w.e.f. the Academic Session 2019-2020.
- (iii) The students of B.Tech. final year (admitted under new B.Tech. scheme) will be given option to choose electives through online platform-NPTEL/SWAYAM for UG courses. Besides, the M.Tech. and Ph.D. students will also be given the option of crediting some courses through SWAYAM platform.
- (iv) The fact remains that the laboratories are the all-important infrastructural facilities required in any technical institution to help impart good practical knowledge to the students and also for carrying out research activities. After looking at the condition of the laboratories in the Institute and having interacted with the students and the faculty, the much needed attention, which was long overdue, was paid to the upgradation and renovation of the laboratories in different departments. On this account, I am glad to share that the labs in the all the departments have been upgraded by replacing the obsolete equipment with the state-of-the-art equipment in terms of hardware and software. It is pertinent to mention here that in the academic session 2019-20 alone the Institute has spent close to Rs.200 crores on the procurement of equipments out of which equipment worth Rs. 165 crores has been contributed in kind by the Siemens Pvt. Ltd. as a part of establishment of Siemens Centre of Excellence. Not only this, in the previous two years an amount of Rupees nearly 30 crores was spent on laboratory upgradation. As a result, the Institute is now well equipped to carry out the academic and research activities in cutting-edge technology areas. We envisage to take it further and create the world class laboratory facilities in the emerging areas of technology in the near future as well that will help in imparting good practical skills to the students and thus will contribute towards fulfilling the Skill India initiative of the Govt. of India as well.
- (v) As per the notification of MHRD for Implementation of EWS (Economically Weaker Section) reservation in the intake of UG & PG programs w.e.f. session 2019-20, the Institute has been preparing the additional requirements of laboratories and arrangements of classes.
- (vi) The following labs have been renovated and established which has created a new ambience to do the experiments with new equipments and infrastructure.
  - 1. Physics Lab.
  - 2. Chemistry Lab.
  - 3. Language Lab.
- (vii) Remedial classes were conducted under TEQIP-III for the academically weak students of B.Tech. 1<sup>st</sup> year to improve their transition rate.

## ❖ Academics collaborations

- (i) MoU has been signed with National Data Base Management Ltd. (NDML) for creating the Academic Depository.
- (ii) MoU has been signed with CSIO, Chandigarh on 11.11.2019 regarding mutual faculty, student interaction, joint project collaboration, joint Ph. D. guidance and internship of B.Tech. & M.Tech. students.
- (iii) MoU has been signed with India Accelerator Pvt. Ltd. Gurgaon, Haryana & Pingala AI Pvt. Ltd. Noida, UP to give impetus to Start-up activities among students in the Institute.
- (iv) MoU has been signed with L&T Technology Service Ltd., Mumbai for internship and project activities for UG students.
- (v) MoU has been signed with National Research Development Corporation (NRDC), New Delhi, Govt. of India, for commercialization of patents.

(vi) An MoU was signed with Round Glass Pvt. Ltd. To take care of mental health of the students of the Institute

## ❖ Training & Placement

- (i) More than 85% of UG students have been placed through campus with highest package of 40 lakhs and average package of 8.5 lakhs during the academic session 2018-19;
- (ii) More than 120 PG Internships were facilitated for the batch of 2017-19 and 2018-20 during the current academic year.
- (iii) Employability assessment tests were conducted for more than 2200 UG students to improve their employability skills through the external agency – the Aspiring Minds Assessment Pvt. Ltd., as an activity under TEQIP-III.
- (iv) Guidelines for six-months internship/ industrial training/ project for B. Tech. programs were formulated and shared with prospective companies and Alumni of the Institute. Full one semester internship has been arranged in the reputed Industry and R&D organizations for close to 700 students of B.Tech. 6<sup>th</sup> semester who are currently undergoing the same.
- (v) Training and Placement Cell of the institute started its placement drive for the academic year 2019-20 on July 25<sup>th</sup>, 2019 with the visit of IT giant Flipkart. Since then, more than 30 companies have visited the campus and more than 175 students have got offers for the different profiles varying from Software Developer to Business Analyst to Graduate Engineer Trainee. Reputed MNCs like Amazon, Adobe, Directi, Microsoft, Bajaj Auto and Hero Motocorp have offered job opportunities to the students and more than 70 organizations are lined up for the next 2 months. The highest package of 43.3 LPA is offered by Microsoft, for the role of Software Developer. By far, more than 65 students from circuit branches have grabbed the opportunity of 6-months internship. This number is expected to rise in the upcoming months at a fast pace. In the academic session 2019-20, training and placement cell expects the visit of more than 150+ companies to conduct full-time placement or internship drive. So far, Training and Placement Cell of the institute has arranged more than 350 paid internship for students.

## ❖ Centers of Excellence

In recent years, besides lab development, we have been keeping our focus on establishing Centers of Excellence and creation of other infrastructure as well. Some of these centers of excellence that have been established are:

### 1. ACEET | AEON Center of Excellence on Emerging Technologies

The AEON center of excellence was established in 2018 and it is pertinent to mention here that through this CoE the Institute has earned the revenue of nearly Rs. 30 lakhs in just about one and a half year of its establishment. More than 60 industry professionals/faculty/students were trained on emerging technologies like Data Science, Artificial Intelligence, Cloud Computing etc.

### 2. Siemens Centre of Excellence

The Siemens Centre of Excellence has been established jointly with Siemens Pvt. Ltd. with total budget outlay of Rs.186 crores out of which 88% is contributed by Siemens and 12% by the Institute. This Centre of Excellence is having a cluster of labs in the cutting-edge technology areas such as Product Design and Validation Lab, Advance Manufacturing Lab, Automation Lab, Electrical and Energy Saving Lab, Mechatronics Lab, Process Instrumentation Lab, CNC Controller Lab, CNC Machine Lab, Robotics Lab, Rapid Prototyping Lab, Renewable Energy Lab, and Internet of Things (IoT). The curricula of various programs will be aligned with these laboratories facilities which are as per the latest needs of the industry and R&D. The Centre will become fully operational by May 2020. Once fully established, this Centre will serve as Nodal Centre for high end facilities not only for the Institute but also for the northern region as a whole. It is expected that this asset will help result in providing some concrete output towards fulfilling the Make in India objectives.

### 3. IoT Centre of Excellence

The lab equipment (H/W & S/W) for the Centre of “Internet of Things”, initiated in Electronics & Communication Department with the seed money being provided by the Alumni of the 1968-73 batch,

has been finalized and the process of placing the orders is on. This centre will result in good facility created in the Institute for carrying out research in the trending area of IoT.

#### 4. Regional Academic Centre for Space (RAC-S)

The Institute and Capacity Building Programme Office (CBPO) ISRO HQ, Antariksh Bhawan, New BEL road, Bengaluru, signed an MoU on 04.11.2019 regarding establishing the Regional Academic Centre for Space (RAC-S) in NIT Kurukshetra. The Centre will pursue advanced research in the areas of relevance to the future technological and programmatic needs of ISRO and act as a facilitator for the promotion of space technology activities in the region. The centre would take up sponsored R & D projects, student oriented R & D projects of relevance to Space Technology and also facilitate other institutes of excellence in the area of science and technology in the region to take up projects jointly. In short, the centre will become an ambassador in the region for capacity building, awareness creation and R & D activities of relevance to ISRO.

#### 5. Centre of GIS

Institute is in process to establish a center of Geographic Information Science, that will cater the need of different departments dealing with spatial data. This centre will encourage research activities in remote sensing in collaboration with RAC-S.

#### ❖ NIT Kurukshetra Alumni Association (NITKAA)

More than 500 Alumni from different batches visited the Institute and made a significant financial contribution of about Rs. 60 lakhs in addition to other commitments for upliftment of the institute.

The following three awards have been instituted by the alumni:

NITKAA Best Sportsperson (Male & Female)	Rs.25,000/- and Citation
NITKAA Best Innovative Project Award	Rs.50,000/- and Citation

#### ❖ Faculty Development

- (i) Preparation of database of R & D facilities & equipments installed in the institute is in progress which will be uploaded on National Portal I-STEM i.e. Indian Science Tech. & Engg. Facilities map which is managed by IISc. Bangalore.
- (ii) Implementation of Indian Research Information Networks System (IRINS) scheme for collecting information about research publications of the faculty is in progress under Information & Library Network Centre (INFLIBNET).
- (iii) The database of R & D facilities & equipments installed in the institute has been completed which is being uploaded on National Portal I-STEM i.e. Indian Science Tech. & Engg. Facilities map which is managed by IISc. Bangalore.
- (iv) Guidelines for Best Faculty Awards 2019 were finalised in all Deans meeting and approved by Hon'ble Director which were circulated to all Deptts. & Schools in the Institute. Following these guidelines, 10 faculty members were honoured with Best Faculty Awards in various categories on the Teachers' Day i.e. 5<sup>th</sup> Sept., 2019.
- (v) Recommended names of three faculty members on expert panel for various activities of Haryana State Board Technical Education.
- (vi) Process completed for IRINS (Indian Research Information Networks System). However, data of the faculty is under preparation for uploading under IRINS.
- (vii) The Engineers' day was celebrated on 15<sup>th</sup> September 2019 with the focus on this year's theme "Engineers for Change".
- (viii) Miscellaneous Activities:

Activity	
Faculty sponsored under CPDA for conference/workshop/visit within India	34
Faculty sponsored under CPDA for conferences abroad	25
STC/ FDP organized	12
Expert lecture organized	23

## ❖ Research & Development

In the recent years, the Institute has been doing remarkably well in so far as the number of sponsored R&D projects is concerned. I am proud to share that

- (i) In just little over two years the Institute could secure 42 R&D projects worth more than Rs. 8 crores from various funding agencies.
- (ii) Apart from this, 71 R&D Projects worth Rs. 20 crores are under review with different funding agencies.
- (iii) The Institute is partner in the IMPRINT-II SERB-DST Project titled “Desiccant Solar Still” worth Rs. 60.02 Lakhs with Dr. M.P. Maiya, IIT Madras as the PI and Dr. Saourav Mitra, IIT Kharagpur, and Dr. Avadhesh Yadav, NIT KKR as the Co-PIs.
- (iv) Research output in terms of publications:

The faculty of the Institute is contributing immensely towards research and innovation. The faculty has contributed good number of publications in reputed journals and conferences.

Year	Journals / Publication	Conference	Book Chapter	Total	Citation
2018	359	342	13	714	7864
2019	445	228	62	735	9693

- (i) 45 Patents and 02 copyrights have been filed by the faculty members in different areas of research.
- (ii) The number of Ph.Ds. produced is also on the rise substantially.
- (iii) Dr. Anurag Gaur, Assistant Professor, Physics Deptt. has successfully developed high Performance symmetric super capacitors device using gel electrolyte (Polyvinyl alcohol (PVA)-KOH) demonstrating the product development as flexible energy storage device for electric vehicles.

## ❖ Consultancy

The faculty is actively engaged in consultancy activities as well. It is worth mentioning that the revenue generated through consultancy for the last one year is nearly Rs. 6 crores.

## ❖ Research and Professional practice

The combined metric values for publications and for quality of publications for the second quarter of this academic year are 22 and 19.9, respectively, as against the target values of 22 and 20.

## ❖ National Conference on IC Engines and Combustion (NCICEC 2019)

The 26<sup>th</sup> National Conference on IC Engines and Combustion (NCICEC 2019) was organized at NIT Kurukshetra from 1<sup>st</sup> to 4<sup>th</sup> November, 2019 under the auspices of The Combustion Institute: Indian section which was attended by prominent people like Dr. V.K. Saraswat, Member, NITI Aayog, Shri Gurdeep Singh, CMD, NTPC Ltd., Dr. SSV Ramakumar, Director, IOCL (R&D), Faridabad. Besides, the delegates from countries like USA, Japan, UK, Czech Republic apart from India participated in the Conference.

## ❖ Unnat Bharat Abhiyan

The Institute has been designated as one of the 40 Regional Coordinating Institutes (RCI) all over India under Unnat Bharat Abhiyan (UBA) with IIT Delhi being the National Coordinating Institute and as such has been given the responsibility of coordinating the UBA activities of the Participating Institutes (PIs) in the state of Haryana. The Institute as RCI is working towards achieving the goals and objectives of UBA. Besides, the Institute is partner in UBA as participating Institute as well.

## ❖ Students' Activities

### a. Hostels

- (i) Newly constructed Multi-Purpose Boys' Hostel No. 11 was inaugurated on 1<sup>st</sup> January, 2019
- (ii) In order to strengthen hostel security, a separate team including security officer, two security personnel and one pharmacist was constituted under the Chairmanship of Chief Warden (Boys Hostel). The team works during 10:00 p.m. to 06.00 a.m.
- (iii) CCTV Cameras have been installed in the Hostels,
- (iv) A.Cs. have been installed in the dining halls of the Hostels
- (v) Creation/up-gradation of Sports facilities in the hostels is in process
- (vi) Modernization of kitchen is in progress
- (vii) Inter Hostel Sports activities will be organized during Feb. 2020 to April 2020.

### b. Students Clubs and Technical Societies

- (i) Annual Cultural Fest of the Institute 'Confluence-2019' was organized at NIT, Kurukshetra from 13.2.2019 to 16.2.2019 in which students from around 40 colleges participated with more than 2000 participants in 100+ events. Shri Sudhanshu Vats, CEO of VIACOM TV 18 and our distinguished alumnus was the Chief guest on the inaugural function whereas Renowned Bharatnatyam exponent madam Rama Vaidya Nathan graced the inaugural function as the Guest of honour and gave her performance.
- (ii) NIT Kurukshetra-NIT Warangal students exchange program happened during Jan' 2020.
- (iii) The teams of students have been participating in various competitions and winning prizes such as Runners up position in SBI- YONO quiz at Regional as well as National level, 2<sup>nd</sup> positions in Group Dance at NIT Jalandhar and IIT Mandi etc.
- (iv) Matrabhasha Diwas was celebrated on 21<sup>st</sup> February, 2019
- (v) A Two-Day Science Conclave (February 27-28, 2019) was organized in the Institute for the school and UG & PG science students from different parts of Haryana.
- (vi) The General Fitness and Professional Aptitude Examination was conducted for B.Tech. Final Year students by the external examiners invited from reputed Institutes. On the basis of the feedback received from the students, the external experts have submitted their views/suggestions/comments and action on their suggestions are under process.
- (vii) Induction program for the B.Tech. 1<sup>st</sup> year students 2019-20 batch was organised from 25<sup>th</sup> July, 2019 to 09<sup>th</sup> August, 2019 as per MHRD guidelines. The major activities were:
  - In order to inculcate human and ethical values, various experts from reputed institutions / organisations were invited from IIT Kharagpur.
  - Round Glass company conducted one-day program and registered all the B.Tech. 1<sup>st</sup> year students.
  - To maintain good physical health Students Excellence Learning Program (SELP) was organised in collaboration with Vyakti Vikas Kendra for six days.
  - One-day yoga program was organised in collaboration with DRDO, New Delhi.
  - For the overall personality development of the students, professional experts were invited from industry / institutions and Vaykti Vikas Kendra, Art of Living.
  - To enhance entrepreneurial spirit, Alumni with entrepreneurial background were invited

The following annual students' fest of the Institute were organised:

- Techspardha-19 (26-29 Sept., 2019)

- Confluence-19 (Remastered) (10-13 Oct.,2019)
- CITIUS-19 (08-10 Nov.,2019)

## c. Sports

- (i) Appointment of 04 coaches (Part time on contract) one each in Football, Kabaddi, Volleyball & Gym Instructor and weight Lifting coach for a period from 1<sup>st</sup> January, 2020 to 30<sup>th</sup> April, 2020.
- (ii) To provide self-defence training to the girls' students, one-week training program was organized under TEQIP-III by inviting experts from Haryana Police and other institutions.
- (iii) Substantial progress made towards renovation of the gymnasium hall and equipments therein with writing off of the unusable and obsolete / beyond repair items through MSTC.
- (iv) Once again, the various sports teams of the Institute were able to prove their mettle by successfully participating in a number of tournaments and winning accolades in the same.
- (v) Keeping the tempo high, the Institute's Weight Lifting, Powerlifting and Bodybuilding team secured the 3<sup>rd</sup> position in the All India Inter NIT Power Lifting, Weight Lifting and Bodybuilding Tournament held at NIT Surathkal from 18<sup>th</sup> to 20<sup>th</sup> January, 2019.
- (vi) The Institute's Basketball Girls Team, after months of vigorous practice, also succeeded in bringing laurels to the Institute by winning the bronze medal in the All India Inter NIT Basketball, Cricket and Volleyball Tournament held at NIT Trichy from 20<sup>th</sup> to 23<sup>rd</sup>, February 2019.
- (vii) The Inter Technology University Sports Association (I.T.U.S.A) Athletics, Lawn Tennis and Volleyball Tournament 2018-19 was organized at Thapar University, Patiala from 12<sup>th</sup> to 14<sup>th</sup> April 2019. The Institute's Athletics team did exceptionally well and bagged the 2<sup>nd</sup> position overall, whereas the Lawn-Tennis Boys team secured a bronze medal.
- (viii) Citius'19, the Annual Athletic Meet of the Institute, was organized from 18<sup>th</sup> to 20<sup>th</sup> January, 2019. Citius comprised of over 70 different sporting events and a participation of over 500 students from the first, second, pre-final and final year B.Tech. students, along with students from other disciplines such as M.Tech, MCA, and MBA. Mr. Manoj Kumar (Boxer) Arjuna Awardee, two times Olympian, Commonwealth Gold and Bronze Medalist was the Chief Guest for the Valedictory Function.
- (ix) It wasn't only the students who excelled in the field of sports, our faculty and staff members did too. The All India Inter NIT Faculty and Staff Badminton, Chess and Table Tennis Tournament 2018-19 was organized in NIT Goa from 07<sup>th</sup> to 09<sup>th</sup>, December 2018. The Institute Sports Team won the Overall Championship Trophy consecutively for the 2<sup>nd</sup> time in this Tournament. In the same, the NIT Kurukshetra Badminton Team stood first while the Table Tennis team placed second. The Chess team performed reasonably good as well.
- (x) Apart from all these achievements A Power Yoga Camp was also organized in the Sports Complex for the faculty, staff and students of the Institute from May 20<sup>th</sup> to June 20<sup>th</sup>, 2019.
- (xi) The NIT Kurukshetra Sports Contingent, consistent as always, raised the bar they had set last year with an exceptional tally of medals and accolades in a variety of different sports and events.
- (xii) The Athletics team of the Institute held up their outstanding track record and bagged the second position overall at the All India Inter NIT Athletics and Volleyball Tournament held from the 23<sup>rd</sup> to the 25<sup>th</sup> of January, 2020. The Women's contingent was the highlight of the tournament, winning first position overall in the Women's section. The contingent returned to NIT Kurukshetra with a total tally of 5 gold, 5 silver and 4 bronze medals.
- (xiii) Not to be left behind, the Volleyball team raised the bar to a new level. The Men's team won gold in ITUSA'19 held in our Institute from 14<sup>th</sup> to 16<sup>th</sup> September, 2019 while the Women's clinched a second position with an outstanding performance.
- (xiv) Another asset of our Institute is the sparkling players of the Yoga team, in which both Women's and Men's won Gold in the Inter Technology University Sports Association (I.T.U.S.A) Basketball, Volleyball and Yoga Tournament from 14<sup>th</sup> to 16<sup>th</sup> September, 2019 held in NIT Kurukshetra as well as Silver medals in the All India Inter NIT Yoga Tournament held in NIT Silchar from 11<sup>th</sup> to 13<sup>th</sup> October, 2019.

- (xv) The Institute's basketball teams had a very lucrative season indeed, with the Women's winning a silver medal and the Men's grabbing gold in the Inter Technology University Sports Association (I.T.U.S.A) Basketball, Volleyball and Yoga Tournament held in NIT Kurukshetra from the 14<sup>th</sup> to the 16<sup>th</sup> of September, 2019. In the All India Inter-NIT Basketball, Kabaddi and Swimming Tournament held from the 17<sup>th</sup> to the 19<sup>th</sup> January 2020 in NITK Surthakal, the Women's team secured a bronze medal, while the Men's team beat all odds and won the first place in the prestigious tournament. Shivam Malik, the captain of the Men's team, won the Most Valuable Player Award of the tournament.
- (xvi) The Chess team also brought laurels to the institute as the Women's team stood 5<sup>th</sup> and Men's team stood 4<sup>th</sup> in the All India Inter NIT Chess, Lawn Tennis and Weightlifting Tournament held at MNIT Jaipur. The team also won 4 bronze board prizes.
- (xvii) The Lawn Tennis team of the Institute also put up a respectable performance, finishing 5<sup>th</sup> at the All India Inter NIT Chess, Lawn Tennis and Weightlifting Tournament held at MNIT Jaipur.
- (xviii) The Weightlifting team of the Institute also succeeded in making us proud by bagging one gold and two silver medals in the All India Inter NIT Chess, Lawn Tennis and Weightlifting Tournament held at MNIT Jaipur from 17<sup>th</sup> to 19<sup>th</sup> October, 2019.
- (xix) The Cricket team, as a result of rigorous practice, also went on to secure the Second place in the Inter Technology University Sports Association (I.T.U.S.A Cricket and Football Tournament held in Thapar University, Patiala from 2<sup>nd</sup> to 4<sup>th</sup> November, 2019.
- (xx) The Kabaddi team brought pride to the Institute by performing exceedingly well in the All India Inter-NIT Basketball, Kabaddi and Swimming Tournament held from the 17<sup>th</sup> to the 19<sup>th</sup> January 2020 in NITK Surthakal. The Men's team proved their mettle by bagging the first place, while the Women's also performed with all their zeal and effort. Praveen Lather of the Men's team won the Best Raider Award, while Captain Ravidarshan Bishnoi got the Best All Rounder Award in the tournament.
- (xxi) Not only the students, but the faculty members of the Institute also put up an outstanding performance at the All India Inter NIT Faculty and Staff Badminton, Chess and Table-Tennis Tournament at MNIT Jaipur, from 18<sup>th</sup> to 20<sup>th</sup> December, 2019 by securing 2 gold, 5 silver and 1 bronze medals and winning the Second place overall.
- (xxii) Apart from these achievements, Citius' 19 was held in our Institute from the 8<sup>th</sup> to the 10<sup>th</sup> of November 2019. The event witnessed enthusiastic participation from all years and culminated into a huge success. Our Hon'ble Director, Padmashree Dr. Satish Kumar was the Chief Guest for the Opening Ceremony, while the Institute welcomed Mr. Sandeep Singh, former Indian Hockey Team Captain as the Chief Guest for the Valedictory Ceremony. Ankita Kumari from third year won the Best Athlete Award in the Women's category, while Sahil Kadyan won the Best Athlete Award in the Men's category. The Second year of the Institute walked away with the Best Year Overall Trophy.

## d. General Activities

- (i) 25<sup>th</sup> January, 2020 was celebrated as National Voters' Day
- (ii) International Yoga Day was celebrated on 21<sup>st</sup> June, 2019. The program was attended more than 100 persons, including teaching, non-teaching and students with great enthusiasm.
- (iii) Under Ek Bharat Shareshta Bharat program, 50 students participated at NIT Warangal (Telengana) from 04<sup>th</sup> to 12<sup>th</sup> January, 2020.
- (iv) National Unity Day was celebrated on 31<sup>st</sup> October, 2019 wherein Run for Unity was organised which was flagged off by the Hon'ble Director and participated by large number of students, faculty and staff members.
- (v) Similarly, Vigilance Awareness Week was observed in the Institute during 28 October to 2 November, 2019. The pledge ceremony was organised by the Institute followed by seminar organised by students.
- (vi) Hindi Pakhwara was celebrated in the Institute during 1-14 Sept., 2019.

Besides the above major activities, various routine academic activities are being conducted to improve Teaching, Learning and Research competence of the faculty, improve student learning, and student employability. In nutshell, constant efforts are made towards bringing in betterment in the overall academic ambience in the Institute and thus taking the Institute to higher level of excellence.

## Roadmap Ahead

- ❖ I wish to take the Institute towards scaling the NIRF rank even better to anywhere in the top three among the NITs which is possible only when we improve in teaching learning, academics and research & consultancy, infrastructure development, outreach programs etc. For this to happen, I envisage to work wholeheartedly with the faculty, staff and students of the Institute.
- ❖ Keeping in view increased strength of students, the Institute has taken action and plans to construct nine new lecture halls as additional floors on the existing buildings.
- ❖ A new G+5 building is proposed to be constructed.
- ❖ One additional floor is also proposed to be constructed on top of the old MBA block.
- ❖ Work order has already been placed for the construction of one additional floor on the MCA block which will have been lecture halls / labs / staff rooms.
- ❖ Master layout plan of the Institute is being prepared and should be ready soon wherein there is provision of G+5 Students Activity Centre, Community Centre, New hostels, and Residential quarters. The new residential quarters are proposed to come up at the site made available after the demolition of old quarters.

In my opinion, technology is a fast and simple method to serve the people. Our Institute should provide a technology based solution to the various challenges facing our society and nation. We should give at least two products to the society through commercialization of the patents.

We should establish more centers like Siemens center of excellence to improve the engineering skill of students to make them industry ready. One more center to cater to the needs of the students of Electronics and Computer/IT departments I think is required.

Modernization of labs is a continuous process to improve the collaborative research activities and consultancy and therefore, should be the priority of all of us.

With this, I once again congratulate you, my young friends. You are the creator of new India. We have achieved a lot and let us all aspire and work sincerely to achieve even bigger so as to reach the higher level and make our country a developed nation.

I once again gratefully acknowledge the gracious presence of the Hon'ble Chief Guest, Guests of honor and welcome them on the campus.

Thank you. Jai Hind !

**Shri Sampath Ravinarayanan**  
**Aerospace & Defence Technopreneur**

Shri Sampath Ravinarayanan is an Aerospace and Defense technopreneur. He was born on 29<sup>th</sup> August, 1959 and graduated in Electrical and Electronics Engineering from Government College of Engineering Salem, Madras University in 1981. He has a unique distinction of having 360 degrees of experience in the Aerospace industry having served in the Public Sector as a Board Member of Air India and Indian Airlines in the 90s, Private sector as the ex-Chairman and CEO of Axis Cades Aerospace Group, and Original Equipment Manufacturer, as a founder member of the Airbus Engineering Center India Pvt. Ltd. He has contributed significantly to the Indian Aerospace Industry by establishing a State-of-the-Art aircraft design facility for modern commercial aircraft in India, which was the first of its kind outside North America, Europe and Japan. In addition, he has also supported the Aerospace, Defense and Automotive Industries by pioneering technologies for Testing and Validation.

He started the Microcon group of companies in 1983, which pioneered Automotive Component testing. His another venture includes Axis Cades Aerospace, which he started in 2008, serving as its chairman and CEO until 2014. He also started Airbus Fuselage Design Center India (AFDCI), in 2011, a first of its kind in India for design & development of Fuselage – for new generation commercial aircrafts. The group along with Thales-France managed one of the most prestigious projects taken by Indian Air Force – the Mirage 2000 Mid-Life Extension. Shri Sampath Ravinarayanan's industrial recognitions include “Frost and Sullivan” award as Chairman and CEO of CADES, for Aerospace Emerging Company of the year 2009 and “Chanakya Award” for 2010 All India Technology Leadership from PRCI. He has also received shield and citation for contribution to LCA and SU-30 development.

Shri Sampath Ravinarayanan has worked extensively as a philanthropist. He is contributing on renovation of old structures in temples with ASI approval. He has undertaken and completed more than 15 projects in Tamil Nadu temples. He also served as the Chairman of Melkote Development Authority in 2008. He is now serving as a Board member in Tirumala Tirupathi Devasthanam from September 2019 onwards.

On the occasion of the 17<sup>th</sup> Convocation of the Institute, it is our proud privilege to honour Shri Sampath Ravinarayanan by conferring on him the degree of Ph.D. (Honoris Causa)

## A JOURNEY TO BEHOLD

I peek into my first day at college back in July 2015, and I see a girl who was determined to explore and make time in her schedule for everything she was passionate about. Making the best of each passing moment was the key, which was inculcated within me by my grandfather since childhood. Right from the start, my core qualities of "commitment", "enthusiasm", and "respect for time" helped me through.

My mother, being a Sanskrit teacher, always mentions these words which motivates me all the time:

मनोरथानामगतिर्न विद्यते ।

(Nothing is beyond the reach of the desires)

Inside and outside the classroom, the institution offered me ample opportunities and I tried not to miss any. Lectures, assignments, vivas, sessionals, projects, and placement preparations fulfilled my academic zeal. My 'professors' helped me in strengthening my knowledge base and excelling in academics. My 'Friends' always cheered me on. Hostels were the best learning grounds to experience various cultures, late night gossip, group studies, sharing things and talks with mess-staff & guard uncles.

Since childhood, my father has indulged me in sports. Gratefully, I could see an opportunity to pursue sports at college with the best 'coaches'. So, today if you ask me what makes me more agile and decisive, I'd say sports. I was also a part of NBC, HLAD and Mime Team, where I got to explore my interests and hone my skills. Most importantly, I learned the art of time management. My college life mostly revolved around rigorous sports practice, athletics, coding, and academics. I enjoyed every part of it, and it was absolutely worth all the effort.

It took me consistent quality efforts to get through the highs and lows. Luckily, failures were few, but whenever they came, they were seen as learning opportunities. I can't express enough gratitude for my teachers, coaches, friends, peers, seniors, juniors, mentors, both on ground and off ground, who helped me gear and ascend through it all. With every passing event, I could say that I kept my promise of not compromising on any of my passions. I firmly believe that NIT Kurukshetra has added extremely valuable lessons to my life.

Today, I can confidently say that the enriched experience and a whole lot of learnings that I have gained in these 4 years at NIT Kurukshetra, has helped me to evolve into a better individual.

With enormous respect and heartfelt gratitude for the college, I close this note here.

**RAVISHA**

## ROLLBACKS IN MY MEMORY PHOTOGRAPHS

As I sit down aside my laptop to write down a few words about my 4 years in college strolling back in my memories, with my extremely supportive yet lunatic friends, the exceptionally talented juniors and seniors, and everybody else I met during that this journey sewing those moments that made me who I am today.

Every insane instance, right from entering those ancient buildings called Boys Hostels, living in extreme heat with that not so useful fan, to hours of dusting those mess roti just to make them edible to swallow with yellow water or what our mess cook would call it 'Dal'. Amid our sufferings, all thanks to the tasty mess food, we stumbled upon our saviors— our Avengers, the superheroes without a cape. These heroes stayed with us at every moment of our 4 years of college life. They go by many names, helping each student who knocks at their doors or should I rather say, call them up “Kalu Bhaiya, 2 parathe, 1 chokha back gate par”. Kalu, Bintu, Aman, Food Cave, Nepali - our superheroes. Every student in the college might not have called their parents in days but a call to these avengers would be frequent in their call logs.

I would need more than just words to brief my story at NIT Kurukshetra, every reminiscence filled with emotions. Organizing events with SPICMACAY, clicking photographs all around the campus with NTT, all night jamming in SAC with my Music Family and organizing the first TEDxNITKurukshetra with Team TEDx; all were a crucial part of how I matured from a 12th pass kid to the person I am today. In all that mist, the best part, yet, was '6 V's required', our group of 6 friends hanging out on every turn of the college, playing FIFA all day all night, coordinating our bunks to hangout, once in a while tasting of 'Somras' and crashing different weddings around Kurukshetra when we were broke.

College gives you a lot of opportunities to try, to fail and then to try again in order to rise. I believe if you have the humility to accept the facts and the hunger to learn, you will find great teachers all around you. Throughout 4 years I was blessed to have some amazing seniors, juniors, and batchmates who taught me a lot on every turn of my journey. I am truly thankful to them and will always be all my life for bearing with me during that time. One thing that I live by that I want to share with my juniors or anyone who come across this memory strolling of mine is, “Always dream big”, for that is one thing no one can stop you from.
