(A)

- I. The end semester examinations for Odd and Even Semester courses are to be conducted in respective Semesters only.
- II. However, for final semester students the reappear examinations of only final year B. Tech. / M. Tech./ MBA / MCA courses to be conducted in the month of July every year as a special case.

(B)

- I. The evaluation of Odd / Even end semester examination answer sheets to be completed and 'soft as well as hard copies' of the awards be sent within 7 days from the last date of end semester examinations to HOD who will send it to COE in next 3 days.
- II. Further, all practical examinations (except B.Tech. 1st year in both the semesters) be completed within 10 days after the last end semester theory examinations. Dates for B.Tech. 1st year practical examinations shall be communicated by COE as per past practice.
- III. The result of Odd / Even semester examinations for all programs must be declared after one week of the last date for submission of the awards in each semester.
- IV. No teacher to be allowed to avail leave during end semester examinations except in emergency. In case of emergency prior approval of Director be obtained.

(C)

Computer typed question papers under sealed cover are to be submitted by the concerned faculty to the Controller of Examinations (COE) at least two days before the scheduled date of the examination. The COE would be responsible for

timely providing adequate numbers of question papers to the Centre Supdt. (Examinations).

The handling and photocopying work at COE office to be assigned to specific person(s) and COE as well as the assigned persons shall be responsible for ensuring confidentiality and secrecy of the question papers.

The concerned HOD shall constitute a committee of two faculty members excluding the original evaluator faculty for the purpose of re-evaluation.
- III. The evaluation awards will be changed only if the re-evaluation leads to change in marks by equal to or more than (+/-) 15%. Both increase and decrease in awards after re-evaluation will be accepted as such.

(E)

All the faculty members to be assigned invigilation duties in the end semester examinations.

(F)

The sessional evaluation to be made on the basis of only TWO midterm tests in the theory subjects instead of present practice of three sessional tests in a semester. However, there shall be a provision of a make-up test only for the students who miss one of the tests due to some valid reason (preferably with the prior permission of the HOD). If due to some compelling

reasons, the student is unable to obtain the prior approval of the HOD for missing a test, he / she may apply for 'post-facto' approval to the HOD.

The above issue was decided in the meeting dated 25th July, 2011 of all Deans and HODs under the Chairmanship of the Hon'ble Director.

(G)

The question papers of end semester examinations to be set considering the difficulty levels of the questions such that questions carrying 25% marks are relatively simpler and for remaining 75% marks the questions may be designed with increasingly difficulty level in steps of 25% marks. Implementation of this may be carried out by concerned HODs by constituting a Departmental committee for this purpose w.e.f. even semester 2011-12.
