Item 18.7: Updating present rules for conduct of Institute examinations.

The Senate approved the proposed rules for conduct of Institute examinations with minor amendments as under (to be effective from even semester 2011-12).

(A)

- I. The end semester examinations for Odd and Even Semester courses are to be conducted in respective Semesters only.
- II. However, for final semester students the reappear examinations of only final year B. Tech. / M. Tech. / MBA / MCA courses to be conducted in the month of July every year as a special case.

(B)

- I. The evaluation of Odd / Even end semester examination answer sheets to be completed and 'soft as well as hard copies' of the awards be sent within 7 days from the last date of end semester examinations to HOD who will send it to COE in next 3 days.
- II. Further, all practical examinations (except B.Tech. 1st year in both the semesters) be completed within 10 days after the last end semester theory examinations. Dates for B.Tech. 1st year practical examinations shall be communicated by COE as per past practice.
- III. The result of Odd / Even semester examinations for all programs must be declared after one week of the last date for submission of the awards in each semester.

IV. No teacher to be allowed to avail leave during end semester examinations except in emergency. In case of emergency prior approval of Director be obtained.

(C)

Computer typed question papers under sealed cover are to be submitted by the concerned faculty to the Controller of Examinations (COE) at least two days before the scheduled date of the examination. The COE would be responsible for

Copy

timely providing adequate numbers of question papers to the Centre Supdt. (Examinations).

The handling and photocopying work at COE office to be assigned to specific person(s) and COE as well as the assigned persons shall be responsible for ensuring confidentiality and secrecy of the question papers.

(D)

i. The evaluated answer sheets may be shown to the students on one day as notified by the concerned faculty in the beginning of the ensuing semester. Dissatisfied students may opt for re-evaluation by filling up the 're-evaluation form' and paying a fee of Rs. 750/- per subject. The format of 're-evaluation form' to be prepared by a committee constituted by the Director and implemented after his approval.

ii. The students opting for re-evaluation will apply within one week after seeing their answer sheets, to the Controller of Examinations who will forward the applications to the concerned HOD. The concerned HOD shall constitute a committee of two faculty members excluding the original evaluator faculty for the purpose of re-evaluation.

iii. The evaluation awards will be changed only if the re-evaluation leads to change in marks by equal to or more than (+/-) 15%. Both increase and decrease in awards after re-evaluation will be accepted as such.

(E)

All the faculty members to be assigned invigilation duties in the end semester examinations.

(F)

The sessional evaluation to be made on the basis of only TWO midterm tests in the theory subjects instead of present practice of three sessional tests in a semester. However, there shall be a provision of a make-up test only for the students who miss one of the tests due to some valid reason (preferably with the prior permission of the HOD). If due to some compelling

copy

reasons, the student is unable to obtain the prior approval of the HOD for missing a test, he / she may apply for 'post-facto' approval to the HOD. The above issue was decided in the meeting dated 25th July, 2011 of all Deans and HODs under the Chairmanship of the Hon'ble Director.

(G)

The question papers of end semester examinations to be set considering the difficulty levels of the questions such that questions carrying 25% marks are relatively simpler and for remaining 75% marks the questions may be designed with increasingly difficulty level in steps of 25% marks. Implementation of this may be carried out by concerned HODs by constituting a Departmental committee for this purpose w.e.f. even semester 2011-12.

Item 18.8: Modification of M. Tech. program structure for increasing emphasis on research as followed in leading technical institutions–Revision of schemes.

The Senate approved revision of M.Tech schemes for providing greater emphasis on research on the pattern of IIT's.

Item 18.9: Approval of schemes and syllabi of B. Tech, 2nd year ECE, CSE, and EEE branches of NIT, Uttarakhand.

The Senate approved the scheme and syllabi of B.Tech 2nd year ECE, CSE and EEE branches of NIT Uttarakhand with following amendments:

The nomenclature of Course HUT-211; changed from "Industrial Sociology" to "Organizational Behavior".

Item 18.10: To note the admission status of various UG / PG Courses in the Institute for the academic session 2011-12.

The Senate noted the admission status of various UG/PG/Ph.D programs in the Institute for academic session 2011-12 as per details furnished in the Agenda item.

Item 18.11: Authentication of 'Provisional Degree Certificates' by Dean Academics), and Controller of Examinations and 'Character Certificates' by Dean (Student Welfare) and Dean (Academics)

The Senate authorized the Controller of Exams. and Dean (Academics) to sign Provisional Degree Certificate. The Senate further authorized the Dean (Students Welfare) and Dean (Academics) to sign Character Certificates.

Apart from above, the minor corrections were suggested by the Senate in the format of Provisional Degree Certificate and Character Certificate for various programs. The corrected formats are enclosed(Annexure I).

Item 18.12: Updating existing rules of Ph. D.

The Senate approved the following amendments to the existing Ph.D Rules w.e.f. 2011-12):

- (i) The accepted Ph. D. theses be uploaded on the Institute Website along with names and affiliations of evaluators with email and contact details only in readable form to avoid its copying / downloading.
- (ii) Para 4-III (please see Annexure II) in Ph.D. evaluation report format be included.
- (iii) The rule R 13.2 of Ph. D. Ordinance which reads as *"A research scholar can submit his thesis only on having published at least two research papers out of his Ph. D. research work in refereed journals"* be modified to read as below:
"A research scholar be allowed to submit his / her Ph. D. thesis only after publishing / acceptance of at least 02 research papers out of his / her research work in reputed refereed journals from the list of journals approved by the concerned DRC".

Item 18.13: Considering the recommendations of SCSA at its 36th meeting, dated 16th May, 2011 regarding reservation for differently abled candidates in M. Tech. program.

The Senate considered the recommendations of SCSA in its 36th meeting, approved the proposed reservation for differently abled candidates in M.Tech programs and advised that the number of seats in OBC category should be increased to bring it closer to the approved 27% quota which may need reducing seats in general category. The amended category wise seat matrix is given in Annexure III.

Item 18.14: To consider amendment of MBA degree format for including 'Major' and 'Minor' specializations.

The Senate considered and approved the amended degree format as enclosed in Annexure IV.

Item 18.15: To consider and approve the modifications in the scheme and syllabi of M. Tech. ECE, M. Tech. VLSI Design, and B. Tech. ECE courses.

The Senate considered and approved the modifications in scheme and syllabi of M.Tech ECE, M. Tech VLSI Design and B.Tech ECE courses as proposed in the agenda item.

Table Agenda

Item 18.16: To consider the establishment of four Schools / Centres for PG study and research at NITK on the following themes

1. Renewable Energy & Efficiency
2. Material Science and Nanotechnology
3. VLSI and Embedded Systems
4. Biomedical Engineering

The Senate considered and approved the following schools of PG studies and research at the Institute:

1. School of Renewable Energy & Efficiency
2. School of Material Science and Nanotechnology
3. School of VLSI Design and Embedded Systems
4. School of Biomedical Engg.

Any other item:

Under any other item, Head of the Physics Department raised the issue of Ph.D registration of Mr. Jai S. Tawale. He is a Technical Assistant in

Ravi

National Physical Laboratory, New Delhi with adequate research capability, research experience and having good number of research papers published in International Journals of repute. However, his work experience is not in the rank of lecturer as required in Ph.D rules. The Senate recommended the case of Mr. Jai S. Tawale for relaxation of job experience condition for the Ph.D registration as a special case. It was also decided that similar cases in future may be dealt with on merit on case to case basis and Chairman, Senate may decide such cases.

The meeting ended with a vote of thanks to the Chair.

	<p>assigned persons shall be responsible for ensuring confidentiality and secrecy of the question papers.</p> <p>(D)</p> <p>I. The evaluated answer sheets may be shown to the students on one day as notified by the concerned faculty in the beginning of the ensuing semester. Dissatisfied students may opt for re-evaluation by filling up the 're-evaluation form' and paying a fee of Rs. 750/- per subject. The format of 're-evaluation form' to be prepared by a committee constituted by the Director and implemented after his approval.</p> <p>II. The students opting for re-evaluation will apply within one week after seeing their answer sheets, to the Controller of Examinations who will forward the applications to the concerned HOD. The concerned HOD shall constitute a committee of two faculty members excluding the original evaluator faculty for the purpose of re-evaluation.</p> <p>III. The evaluation awards will be changed only if the re-evaluation leads to change in marks by equal to or more than (+/-) 15%. Both increase and decrease in awards after re-evaluation will be accepted as such.</p>	
--	---	--

	<p>(E) All the faculty members to be assigned invigilation duties in the end semester examinations.</p> <p>(F) The sessional evaluation to be made on the basis of only TWO mid-term tests in the theory subjects instead of present practice of three sessional tests in a semester. However, there shall be a provision of a make-up test only for the students who miss one of the tests due to some valid reason (preferably with the prior permission of the HOD). If due to some compelling reasons, the student is unable to obtain the prior approval of the HOD for missing a test, he / she may apply for 'post-facto' approval to the HOD.</p> <p>The above issue was decided in the meeting dated 25th July, 2011 of all Deans and HODs under the Chairmanship of the Hon'ble Director.</p> <p>(G) The question papers of end semester examinations to be set considering the difficulty levels of the questions such that questions carrying 25% marks are relatively simpler and for remaining 75% marks the questions may be designed with increasingly difficulty level in steps of 25% marks.</p>

Item 19.8: To consider conferment of Honorary Degree of D.Sc. Honoris Causa to Padmashri Dr. A.Sivathanu Pillai, Distinguished Scientist & Chief Controller, Research & Development, DRDO & Chief Executive Officer & Managing Director, BrahMos Aerospace, New Delhi.

The Dean (Academics) has proposed that an Honorary Degree of D.Sc. be conferred on Dr. A Sivathanu Pillai, who is a Distinguished Scientist & Chief Controller, Research & Development, DRDO, Ministry of Defence, New Delhi & Chief Executive Officer & Managing Director, BrahMos Aerospace, New Delhi.

It will be a privilege for our institute to honour such a distinguished Scientist and Technologist. The proposal of Dean (Academics) is enclosed as Annexure 19.8 from page 96 to 98.

As per Clause 39 – Conferment of Honorary Degrees contained in the First Statutes of all National Institutes of Technology published in the Gazette of India dated 23rd April, 2009, the Senate may consider conferment of Honorary Degree of D.Sc. Honoris Causa on Padmashri Dr. A. Sivathanu Pillai.

Annexure 19.8

It is proposed to confer an Honorary Degree of D.Sc to Dr. A. Sivathanu Pillai, Distinguished Scientist & Chief Controller, Research & Development, DRDO, Ministry of Defence, New Delhi & Chief Executive Officer & Managing Director, BrahMos Aerospace, New Delhi. Dr. Pillai has made significant contributions to the Satellite and Missile Technology programmes of the country throughout his career. He had been a key person in the development of SLV-3, PSLV and GSLV and also in the development of Agni, Prithvi, Nag & Akash Missiles. In addition to the contributions to the missile technology, he also led to the development of societal products as spin offs from missile technologies especially the cost effective light weight calipers for 30,000 polio affected children. Dr. Pillai has conceived and provided leadership for the design, development, successful production and marketing of the most advanced BRAHMOS-Supersonic Cruise Missile. Dr. Pillai has written many books and published many research papers. He is recipient of a number of awards including Padmashri from Government of India.

In recognition of his significant and vast contribution to the national programme of missile and outstanding achievements in the area of Science & Technology, he has been honored by award of Doctor of Science (Honoris Causa) by a number of universities.

It will be a privilege for our Institute to honour Dr. A Sivathanu Pillai for his exceptional achievements. His brief profile is enclosed which shows his outstanding accomplishments.

Submitted for consideration please.

Dean (Academics)

DR. A. SIVATHANU PILLAI

Distinguished Scientist & Chief Controller, Research & Development, DRDO, Ministry of Defence, New Delhi

&

Chief Executive Officer & Managing Director, BrahMos Aerospace, New Delhi

Born on 15th July 1947, Dr. Pillai graduated in Electrical Engineering from Madras University in 1969, Management Development from Harvard Business School USA and Ph.D from Pune University.

Dr. Pillai joined Space Science & Technology Centre, Thiruvananthapuram in 1989 and worked in Systems Engineering of Launch Vehicles. He assisted Dr. Vikram Sarabhai in the evolution of 10-year space profile for the country. He was a core team Member of SLV3 (the first Satellite Launch Vehicle of India) under the leadership of Dr. APJ Abdul Kalam. In SLV3, the contribution of Dr. Pillai was in the development of four stage rocket motors and rocker systems. SLV-3 first stage later became the booster of Agni missile. After the successful completion of SLV3, Dr. Pillai was the member of the Polar Satellite Launch Vehicle study team in the evolution of PSLV mission, and a senior scientist in Aerospace Dynamics & Design Group. Later he became Technical Advisor to Prof Satish Dhawan, Chairman ISRO at its HQs, Bangalore for Launch Vehicle Programmes. His significant contribution was in the evolution of PSLV configuration and direction for GSLV. It is a rare opportunity for Dr. Pillai to have worked with the three great visionary leaders in Aerospace Technology.

Dr. Pillai joined Defence Research & Development Organization (DRDO) in 1966 in the Integrated Guided Missile Development Programme (IGMDP) at Hyderabad under the leadership of Dr. APJ Abdul Kalam. As Programme Director of IGMDP Dr. Pillai played a key role and introduced innovative management systems and made significant contribution for the development of Agni, Prithvi, Nag & Akash Missiles. He was also Associate Director, DRDL. His most important contribution to missile programme was the development of critical technologies, using network of academic institutions, R&D laboratories and industries through consortium approach and technology empowerment, overcoming the technology denial regimes. He also led to development of many societal products as spin offs from missile technologies, especially the cost effective light weight calipers for 30,000 polo affected children.

He was appointed as Chief Controller (Research & Development) at DRDO HQs at New Delhi in 1995, responsible for missile technologies & projects, ranges, naval systems and certain International Collaborations. Dr. Pillai became Distinguished Scientist from September 1999.

Dr. Pillai has conceived and provided outstanding leadership for the design, development, production and marketing of the most advanced BRAHMOS-Supersonic Cruise Missile. BrahMos has made India a proud Nation as world leader in the cruise missile technology. Dr. Pillai is regarded as Father of BRAHMOS, which has given decisive edge to win the war. After successful trials, BRAHMOS has been inducted by the Indian Navy and by the Army. Advanced Versions of BrahMos are also being developed, including the air launched BrahMos for Indian Airforce.

Dr. Pillai has published many papers in the international and national journals and conferences, and also chaired many international conference sessions. The book titled "Envisioning an Empowered Nation" is authored by Dr. APJ Abdul Kalam and co-authored by Dr. Pillai. He has published other books titled "Technology Leadership – A Revolution in the Making" defining the future visionary leaders, "Ocean Warfare – The Technology Waves", "Revolution in Project Management and All the world warship". The book on "Nano Technology for Engineering" is under printing.

Dr. Pillai is a recipient of various awards including DRDO Scientist of the year (1988), **Vikram Sarabhai Research Award** (1991), Dr. Davidson Frame Award for Project Leadership from University of Technology & Management, USA (2001), **Padmashri** from Government of India (2002), OISCA (Organization for Industrial, Spiritual & Cultural Advancement) International, Japan for dedicated international service (2003), "Performance Excellence Award of DRDO" (2005) for BrahMos, **Raja Rammohan Puraskar 2006**, "Lokmanya Tilak Award" (2007), "Dr. Y. Nayudamma Memorial Award" (2008) in recognition to his contributions to Aerospace and missile Technologies. He is also 'A' Level Project certified by International Project Management Association, Switzerland.

He has received **Doctor of Science (Honoris Causa)** from **Andhra University, Bharathiar University, The Tamil Nadu Dr. M.G.R. Medical University, Scientific Council of St. Petersburg State Marine Technical University, Russia, Sathyabama University of Science and Technology, Avinashilingam Institute of Higher Education for Women, Pravara Rural University and Thapar University**. The Moscow University of "Security, Defence and Law Enforcement" honoured Dr. Pillai with the **Order of the Peter the Great** and the **Academician of the University**.

Dr. Pillai is a Fellow of the Indian National Academy of Engineering, Astronautical Society of India, Honorary Fellow of the Association of Minimal Access Surgeons of India (FAMS) and International Project Management Association. He is a member in many Professional Societies – IEEE, Aeronautical Society of India (AeSI), Instrument Society of India and International Association of Business Leaders (USA). He has visited and interacted with scientific & technological organizations in more than thirty countries.

Item 19.9 To consider conferment of Honorary Degree of D.Sc. Honoris Causa to Dr. Chandra Shekhar, Director, Central Electronics Engineering Research Institute (CEERI), Pilani.

The Dean (Academics) has proposed that an Honorary Degree of D.Sc. be conferred on Dr. Chandra Shekhar, Director, CEERI, Pilani.

It will be a privilege for our Institute to honour such a learned Scientist like Dr. Chandra Shekhar for his outstanding contributions. The proposal of Dean (Academics) is enclosed as Annexure 19.9 from page 100 to 102.

As per Clause 39 – Conferment of Honorary Degrees contained in the First Statutes of all National Institutes of Technology published in the Gazette of India dated 23rd April, 2009, the Senate may consider conferment of Honorary Degree of D.Sc. Honoris Causa on Dr. Chandra Shekhar.

Annexure 19.9

It is proposed to confer an Honorary Degree of D.Sc. Honoris Causa on Dr. Chandra Shekhar, Director, Central Electronics Engineering Research Institute (CEERI), Pilani. Dr. Chandra Shekhar, an eminent Scientist has made significant contributions in the area of VLSI Design. He is credited with the design of the country's first dedicated full-custom LSI 16-bit processor chip for pulse-width modulation. He has inspired many young scientists/engineers through his captivating lectures delivered in various universities/technical institutions. He was a leading contributor to the formulation and setting up of Ministry of Information Technology's multi-institutional HRD project on 'Special Manpower Development for VLSI Design and Related Software.

Dr. Chandra Shekhar has been a member of many different committees of Central Government departments (DST, DIT, ISRO and DAE) responsible for R&D policy planning.

It will be a privilege for our Institute to honour a learned Scientist like Dr. Chandra Shekhar for his outstanding contributions in the high-tech area of VLSI design in the country. His brief biodata is enclosed herewith.

Submitted for consideration please.

Dean (Academics)

Brief Bio-Data of Dr Chandra Shekhar

Born on 12th October 1951, Dr Chandra Shekhar did his B.Sc. from Punjab University, M.Sc. (Physics) and Ph. D. from Birla Institute of Technology and Science (BITS), Pilani (1971 and 1975, respectively). He was a CSIR Junior Research Fellow at BITS (1971-75), CSIR Senior and Post Doctoral Research Fellow at CEERI (1975-77). He joined CEERI in 1977 as Scientist 'B'.

Dr Chandra Shekhar was a UNDP Fellow for study and training in the area of computer aided design at EFCIS, France (Mar - Sep 1980), UNDP Fellow for study and training in the area of computer aided design of microchips at University of Berkeley, USA (Mar 1982), UNDP Fellow for study and training in the area of computer aided design of VLSI circuits at UCL, Belgium (Nov 1985-May 1986) and a UNDP Fellow for training in analog and digital IC design at UCL, Belgium (May-June 1994). He received the UNESCO/ROSTSCA young Scientist Award in 1986.

Dr Chandra Shekhar's research interests include VLSI design and design methodologies, analog IC design and mixed signal design, design of processors and application specific processors, CAD for VLSI, physics and modelling of MOS devices, and VLSI system applications.

Outstanding scientific achievements of Dr Chandra Shekhar include the design of country's first dedicated full-custom LSI 16-bit processor chip for pulse-width modulation (PWM) control of variable frequency AC drives (UNDP funded project) in 1986 (the Chip was fabricated at an international fabrication facility), the design of a serial data communication controller VLSI semi-custom chip for M/s C-DOT in 1991-92 (used in C-DOT's RAX and MAX telephone switches), design of the nation's first general-purpose microprocessor chip that was the equivalent of the contemporary MOTOROLA MC 68010 processor (DOE funded project) in 1994-96, design and fabrication of industrial ASICs with UCL (Belgium), development of test structures and schemes for integrated circuits and study of electromigration with National Bureau of Standards (USA), and advanced research in CAD tools and VLSI design with TH-Darmstadt (Germany) under CSIR-KFA programme.

Dr Chandra Shekhar pioneered the spreading of the new high-productivity state-of-the-art hardware description language (VHDL) based VLSI design in the country from 1994 onwards through a campaign of seminars, tutorials, consultancies and invited courses. He is currently working on the design of two application specific VLSI processors and an embedded system based on these processors to convert Hindi text to speech.

Dr Chandra Shekhar was instrumental in starting one of the very first ME degree programmes in the area of Microelectronics and VLSI design in the country. An ME

(Microelectronics) degree programme was started jointly by CEERI and BITS through his active participation in 1989-90. This programme pioneered the syllabi and detailed technical content of many such programmes that were subsequently started by IITs and RECs/NITs. He was a leading contributor to the formulation and setting up of Ministry of Information Technology's multi-institutional HRD project on 'Special Manpower Development for VLSI Design and Related Software.' He is presently contributing to the implementation of a HRD project that aims to generate 1000 ME/M Tech students per year in the field of Microelectronics. The Department of Information Technology in association/consultation with UGC, AICTE, and MHRD is implementing this project. He has been conducting several lecture courses/trainings/consultancies on user requests from industries and national R&D institutions. He has also been a visiting faculty in the Electrical Engineering Department of IIT, Delhi and Electrical and Electronics Engineering Department of BITS, Pilani.

Dr Chandra Shekhar has been a member of many different committees of Central Government departments (DST, DIT, ISRO, DAE) responsible for R&D policy planning, project/R&D initiative formulation, funding and monitoring. He has more than 100 research papers in various reputed international/national journals and conferences to his credit. He has guided 6 Ph D theses, 90 ME/M Tech theses and is presently guiding 5 Ph D theses. Dr Chandra Shekhar is a Life Member of Indian Physics Association, Semiconductor Society of India, Indo-French Technical Association and a Fellow of the IETE.

Since October 31, 2003 he has been serving as the director of Central Electronics Engineering Research Institute (CEERI), Pilani – the premier electronics research laboratory in the country.

Item 19.10 To consider and decide the nomination of one Professor and one Assistant Professor as nominee of the Senate on the Board of Governors, NIT, Kurukshetra.

As per Section 11(f) of the National Institutes of Technology Act-2007, one Professor and one Assistant Professor or a Lecturer (now Associate Professor and Assistant Professor) of the institute are to be nominated by the Senate on the Board of Governors. The term of office of the members nominated under the above clause shall be two years from the date of nomination as per Clause 12(c) of the NIT Act, 2007. The Senate in its 10th meeting held on 29th November, 2007 decided that the nomination will be according to seniority and the list will continue from where the then incumbents were going to complete their tenure. It was also decided by the Senate that the nomination of Assistant Professor and Lecturer (now Associate Professor and Assistant Professor) will be by rotation (i.e. each for a term of two years).

As per decision of the Board taken in its 23rd meeting held on 18.10.2010, Prof. V.K. Sehgal, Professor, Civil Engineering Department, nominee of the Senate on the Board of the Institute is going to complete his tenure on 13.03.2012.

Further Dr. Subodh Ranjan, the 2nd nominee of the Senate on the Board in the constituency of Associate Professor (the then Assistant Professor) has ceased his membership on the Board of Governors due to promotion as Professor under CAS. The vacancy so created is to be filled from the Assistant Professors of the Institute in order of seniority as per decision of the Senate. In this connection it is submitted that Sh. C.P. Bansal, the then Lecturer (SG) was previously nominated on the Board from amongst the Lecturers (now to be considered as Assistant Professors).

In view of the above one next senior most Professor and one Assistant Professor is to be considered for nomination on the BOG for a period of two years.

The Senate may please consider and decide the matter.

Table Agenda Item 19.12: To approve the format of the degree of Doctor of Science (D.Sc.),
Honoris Causa.

The proposed format for the degree of D.Sc., Honours Causa is enclosed (with reference to item nos. 19.8
and 19.9).

The Senate may consider for approval.
