**Item 9.6 To consider relaxation in requisite percentage for registration of Ph.D. Programme in the Department of Chemistry.**

The DRC in the Department of Chemistry in its meeting held on 28.11.2005 examined and recommended the following candidates suitable for Ph.D. registration:-

1. Mrs. Nadeem Shanna under the supervision of Dr. Dinesh Kumar
2. Mrs. Alka Verma under the supervision of Dr. D.P.Singh

The above candidates could not be registered at that time due to the ceiling of number of Ph.D. scholars in a particular Department imposed by the Senate. The Senate in its 8<sup>th</sup> meeting held on 20.10.2006 vide item No. 8.21 has approved relaxation in the ceiling of number of Ph.D. Scholars in a Department.

The DRC in the Department of Chemistry in its meeting held on 15.12.2006 has opined that since the above cases are pending since 6.12.2005 when the minimum qualification for the part-time research scholars to get registered at our Institute had been M.Sc. 1<sup>st</sup> Class with 60% marks. The DRC, therefore, has suggested that the condition regarding 65% marks in M.Sc. may be relaxed as **one time measure** and the candidates may be registered.
