**Subject: Invitation for the Two Day Workshop on 'Role of Bhagavad Gita in Promoting World Security and Peace.'**

Dear Sir/Madam

It gives me immense pleasure to inform you that the Department of Humanities and Social Sciences is organizing a Two Days Workshop on '**Role of Bhagavad Gita in Promoting World Security and Peace**' on **March 10-11, 2022**.

*Bhagavad Gita*, as the fountainhead of eastern philosophy conveys that wisdom which in its entirety leads man to know thyself and collective welfare of humanity. On one side it teaches us principles of detachment and the need to renounce material desires and on the other hand it strongly advocates the utmost sincerity in action, one mindedness and dedication. Keeping this in focus the Department of Humanities and Social Sciences proposes to organise a Two Days Workshop on "**Role of Bhagavad Gita in Promoting World Security and Peace.**" The proposed workshop aims at spreading awareness in understanding the basic principles of philosophy extolled in *Bhagavad Gita* leading to understanding of the 'self' with a focus on contemplative approaches to all aspects of life and slowly leading to harmony between the inner self and the outer world.

On behalf of Department of Humanities & Social Sciences, NIT Kurukshetra I take this opportunity to cordially invite you to the Workshop. Kindly grace the function with your benign presence.

The detailed programme is enclosed herewith.
