The Institute

National Institute of Technology, Kurukshetra, one of the 31 NITs in the country, is a premier center of learning and research in various disciplines of Engineering and Management. It trains and develops high caliber professionals to serve not only the country but also the world at large. Established in 1963 as an REC, the college was elevated to a National Institute with Deemed University status in June 2002. The Institute has made rapid strides in expanding and upgrading facilities, enhancing the quality of education and strengthening the linkage with industry. The Institute has B.Tech, M.Tech, MBA and MCA Courses in various disciplines. Institute also offers excellent facilities for advanced research in the emerging areas of Science and Technology leading to Ph.D. degree. The institute has well qualified and dedicated faculty along with finest supporting staff, laboratories and other infrastructure. The syllabus and the curricula are constantly being updated to meet the growing demands and need of the country in different areas of technology. The infrastructure is geared to enable the Institute to turn out technical personnel of a high quality.

The Department

The Department of Humanities and Social Sciences, one of the thirteen teaching Departments of the Institute is devoted to fulfill the mission of imparting quality education in Humanities and Social Sciences that develops innovative and competent engineers who are socially responsive citizens and can undertake research that generates prime knowledge for the growth of industry and society and futuristic knowledge, focusing on the socio-economic needs. The Department is continuously involved in expanding the teaching-learning process to integrate humanistic values and social concerns with technical education. The Department provides doctoral (Ph.D.) facilities in the areas of English, Economics, Psychology and Management.

Five Days Workshop

On

National Security and Integrity

October 31- November 4, 2022

Introduction

This Five days workshop is being organized jointly by Department of Humanities & Social Sciences, NIT Kurukshetra and Bhartiya Charitra Nirman Sansthan (BCNS), New Delhi to commemorate the 147th Birth Anniversary of Sardar Vallabhbhai Patel.

Vallabhbhai Jhaverbhai Patel was born in Nadiad, Gujarat on 31 October 1875, commonly known as Sardar, was an Indian lawyer, influential political leader, barrister and statesman who served as the first Deputy Prime Minister of India and first Home Minister of India from 1947 to 1950. He is also called the "Unifier of India". He was a barrister and a senior leader of the Indian National Congress, who played a leading role in the country's struggle for independence, guiding its integration into a united, independent nation. He was one of the conservative members of the Indian National Congress. As the first Home Minister and Deputy Prime Minister of India, Patel organised relief efforts for partition refugees fleeing to Punjab and Delhi from Pakistan and worked to restore peace. He led the task of forging a united India, successfully integrating into the newly independent nation those British colonial provinces that formed the Dominion of India. His commitment to national integration in the newly independent country was total and uncompromising, earning him the sobriquet "Iron Man of India".

This Workshop which is being organized as a part of Diamond Jubilee Year of the Institute (01 July 2022 to 30 June 2023) will be an effort to deliberate upon the legacy of Sardar Patel and pay tribute to him for his untiring efforts to integrate India and ensure security in the country. In view of the above, the present Workshop will focus on the following objectives:

Objectives of the Workshop

To Commemorate the 147th birth anniversary of Sardar Vallabhbhai Patel.

To create Awareness amongst participants regarding National Integrity & Sovereignty.

To Sensitize the participants about the National Values like Non Violence, Honesty and Integrity.

About Kurukshetra

Kurukshetra, steeped in history and mythology, is a place of great spiritual significance where Lord Krishna delivered the divine message of Shrimad Bhagwat Gita. This place from where knowledge spread far and wide was chosen as his capital by King Harshwardhana. It is one of the premier Centre of pilgrimage, attracting devotees in a steady stream all-round the year. Kurukshetra is a railway junction on the Delhi- Karnal-Ambala section of the Northern Railway. It is about 160 kms. from Delhi. The Institute is about 10 kms from Pipli, a well-known road junction on the Sher Shah Suri Marg (NH-1), and about 5 kms from Kurukshetra Railway Station.
