

SOUVENIR

Celebrating 60 Years of Academic Excellence

18th ————— Convocation (Diamond Jubilee Year)

Tuesday, November 29, 2022

NATIONAL INSTITUTE OF TECHNOLOGY KURUKSHETRA
(Institution of National Importance)

Vision

To be a role-model in technical education and research, responsive to global challenges

Mission

To impart quality technical education that develops innovative professionals and entrepreneurs and to undertake research that generates cutting-edge technologies and futuristic knowledge, focusing on the socio-economic needs

Message

I am happy to know that National Institute of Technology Kurukshetra is organizing its 18th Convocation Ceremony on November 29, 2022.

The country's journey towards progress and prosperity continues to be fuelled by education. Higher educational institutions, like the National Institutes of Technology, encourage all round development of students by fostering knowledge, using latest technologies and instilling moral and ethical values in the students. I am happy to know that NIT Kurukshetra has made immense contributions to the technical manpower generation for the country.

I congratulate all the members of the institute for organising the Convocation and extend my best wishes to the graduating students for a fulfilling career and bright future.

Message

It is a matter of immense pleasure that the prestigious National Institute of Technology (NIT), Kurukshetra, is going to have its 18th convocation on November 29, 2022. I am glad to know that the institute is also bringing out a souvenir to mark the occasion.

I believe that convocation is a momentous occasion when students reflect on the past and plan for the future. It is now time to put what they have learned in their academic pursuits into practice. I am confident that our students will make outstanding contributions to accelerate the pace of inclusive development in the state and the country.

We all know that our students are the country's future and the most productive segment of our population. They must realise their full potential and do everything in their power to become active contributors to the empowerment of the nation with a special attention to those from weaker sections of society.

They should take pride in being the alumni of NIT-Kurukshetra, a reputed institution of the country imparting technical education in engineering and technology for more than five decades. It has made immense contributions to the technical manpower generation for the country by effectively conducting UG, PG, and Ph D programs, high quality research, and sponsored R&D projects.

I am glad to know that at present NIT-Kurukshetra is offering seven UG, 21 PG, and Ph D programs in different disciplines. I wish to see the institute growing by leaps and bounds and making yeoman service to build a new India, which is inclusive, resilient and self-reliant.

I extend my best wishes to all successful students, who will be receiving their degrees during the convocation and warm compliments to NIT-Kurukshetra family members for their dedicated efforts in adding one after another feather to the institute's glowing cap.

Message

It is a matter of great pleasure to know that National Institute of Technology (NIT), Kurukshetra is organising its "18th Convocation" on 29th November, 2022 and that a souvenir is being released to commemorate this event. It represents a significant milestone which is the successful outcome of rigorous learning and significant effort put in by both, the students as well as the faculty members.

I wish to congratulate the graduating students – tomorrow's leaders. as they prepare to take the challenges for national development through their traits and acumen. Today is indeed a very special day for each of them. While it marks the completion of their 'in-school learning', yet it is a stepping stone for a journey of 'life-long learning'.

I must also commend NIT Kurukshetra for having taken rapid strides for the last few years to ensure the generation of quality manpower who are fearless, creative, innovative and ethically contributing to economic growth and prosperity of the nation. Constantly upgraded curricula in line with NEP 2020, technology to take learning beyond the classroom and close ties with industries as reflected in its placement records have been the key drivers of its success story.

I wish the budding technocrats as well as NIT Kurukshetra a fantastic and bright future ahead.

Message

I am glad to know that the National Institute of Technology, Kurukshetra is organizing its 18th Annual Convocation. The students always remember the day of convocation throughout their life because it is the day when their years of study, effort, and dedication are rewarded with degrees. It is a matter immense pleasure that institute is also bringing out a Souvenir on the annual convocation day.

On this auspicious occasion, I extend my best wishes to the members of the faculty as well as students of the institute. I am sure the institute will continue its glorious journey towards academic excellence with an added zeal and dedication in the years to come. I hope the students who are passing out from this institute would make a significant contribution in further accelerating the pace of development in the State and the country.

I wish a bright future to the students of the Institute.

Message

It is a matter of joy that the National Institute of Technology (NIT) Kurukshetra will be celebrating its 18th Convocation on 29th November 2022. I express my sincerest best wishes to the faculty, staff, and students of NIT Kurukshetra for their future. It is indeed a prestigious day for them and the persons associated.

I express my best wishes to the toppers, medal-winners, and all the graduating students who are receiving their degrees.

I am hopeful that all the graduating students will contribute to various fields of Research and Development, Artificial Intelligence, Entrepreneurship, etc which will lead to enormous social development and strengthen the foundation building a 'New India'.

I hope that the students from NIT Kurukshetra will play a leading role in the nation's sustainable development.

Message

I am delighted to hear that National Institute of Technology (NIT), Kurukshetra is holding its 18th Convocation Ceremony on 29th November, 2022 for its B.Tech, M.Tech & PhD students. I extend my felicitations and best wishes to the students, faculty members and management of NIT, Kurukshetra on this momentous occasion. This year's convocation holds special significance in the backdrop of the institute celebrating the Diamond Jubilee of its foundation.

Institutes of National Importance, like NIT, Kurukshetra, have been a torch bearer of society by promoting and propagating new ideas, spearheading technological and business innovations and fostering creativity. I am indeed elated to see the persistent efforts made by the Institute, over these years for the holistic development of its students and community as a whole.

I congratulate all graduating students and wish them a bright future. I sincerely hope NIT, Kurukshetra achieves even greater heights and consolidates its position in the business and technical sectors.

Message

I am pleased to know that National Institute of Technology, Kurukshetra is going to organize its 18th diamond jubilee convocation on 29th November, 2022. The Convocation of an institute is a momentous occasion, particularly for the graduates, who would be awarded degrees and decorated with medals during the ceremony. To commemorate this occasion, the University is bringing out a Souvenir showcasing the journey and achievements. I hope this Souvenir will prove to be beneficial and useful to the readers, students, faculty and all the stakeholders.

I extend my best wishes to the Director, Members of the Governing Body students, and parents of the graduating students and most importantly the graduands who are commencing their journey of translating their education to serve humanity. I congratulate them and wish them all success in their future endeavours.

I wish the Convocation and the Souvenir release a grand success.

Message

It gives me immense joy to learn that the National Institute of Technology, Kurukshetra is organising its 18th Annual Convocation. For this life-changing achievement, I heartily congratulate the students, their proud family and their benevolent friends and colleagues.

NIT Kurukshetra is among the premier technical institutes of our nation and has always catered to pioneering graduates. Therefore, it's the sincere duty of the students to diligently follow their dreams while making the whole nation proud. I feel the welfare of our fellow humans, along with our own personal enlightenment, is the prime motive of education and hope the degree-holder students will follow this ideal on their path to glory.

For the students, who are the biggest source of energy, I wish they chase their dreams and work hard to materialize it.

Best of luck for the journey ahead!

Message

It gives me immense pleasure to know that National Institute of Technology, Kurukshetra is holding its 18th Convocation (Diamond Jubilee Year) on 29th November 2022. I extend my sincere congratulations and best of luck to all the graduating students.

The excellent caliber of the graduates of this institute over the years goes to show how far this Institute of National Importance has come. The merit of National Institutes of Technology (NITs) is showcased by their persistent contribution by producing highly proficient workforce for the development of our nation. Nurturing students to bring out their best self and providing them with an outstanding platform for their future is something that all the NITs have always aimed and achieved. The time has come for NIT Kurukshetra to jump into next orbit by achieving the objectives of NEP-2020 transforming the current education system into Value Based Education model and further attain the Goals of Sustainable Developmental Goals (SDG-17) through leveraging technology driven environmental friendly solutions.

I would also like to give special thanks to the parents, guardians of our graduates for their patience, understanding, sacrifices and support - both moral and financial - during these challenging but rewarding years at the Institute.

My heartiest congratulations once again to all the recipients of the Degree and best wishes to the institute authorities for continuously nurturing and creating good quality and bright students. Happy to note, Diamond Jubilee Celebrations are on. The Nation is very proud of you.

Jai Hind

DIRECTOR

राष्ट्रीय प्रौद्योगिकी संस्थान, कुरुक्षेत्र

NATIONAL INSTITUTE OF TECHNOLOGY KURUKSHETRA

"Krishnam Vande Jagatgurum".

Salutations to the supreme lord Krishna who is embodiment of all knowledge, who has renditioned the celestial song of Gita, incorporating tools for human excellence, management principles, technology, dharma etc.,

Welcome to NIT Kurukshetra.....

Most Respected Chief Guest, Hon'ble President of India, **Smt. Droupadi Murmu Ji**, Guests of Honor, Hon'ble Governor of Haryana, **Shri Bandaru Dattatraya Ji**, and **Shri Manohar Lal Ji**, Hon'ble Chief Minister, Government of Haryana, Members of the Board of Governors, Members of the Senate, faculty and staff of the Institute, degree recipients, medal and award winners, distinguished guests, members of the media, ladies and gentlemen:

I extend a very warm welcome to you all on the **18th Convocation (Diamond Jubilee)** of NIT Kurukshetra, "Institution of National Importance."

On this august gathering and occasion, it is pertinent to know that the quest of human civilization relied on inquiry, creativity, and innovation with a sense of curiosity, which has been the hallmark of human development. Eventually, this led to the establishment of NITs, IITs, IIMs, and other centres of learning after independence. In such institutions, over the years, an environment of learning to know the world around and creating capabilities for working and living in harmony with nature has been developed.

We also find advanced scientific and technological developments in our ancient Indian texts. Humans got nurtured from generation to generation through a well-established system of learning and scholastic pursuit in the Gurukuls and Ashramas of ancient India. Education has been integrated with universal human values and ethics since Vedic times by cultivating knowledge and capabilities as well as the human values of truthfulness, purity of mind, simplicity, humility, compassion, and peaceful coexistence. The education was the backbone of the wonder that was India, a world leader and global destination of quality higher education and scholastic pursuits.

Unfortunately, our current education models are driving us away from nature by exploiting the resources of Mother Earth and depleting non-renewable energy resources. The time has come where our current technology-driven education system needs to be revisited based on the new Education Policy NEP-2020 and corrective measures taken to impart the right education, which is holistic and multi-disciplinary, where inventions and innovations should be sustainable, bringing

back Mother Earth as a pristine heaven on Earth to be inhabited by generations to come. As per the NEP 2020, "the education pedagogy must evolve to make education more experiential, holistic, integrated, inquiry-driven, discovery-oriented, learner-centered, discussion-based, and flexible." It also laid a great emphasis on the development of not only the cognitive capacities, such as critical thinking and problem-solving abilities, but also the social, ethical, and emotional capacities. The rich scientific, spiritual, and philosophical heritage of ancient India and the eternal Indian knowledge guiding NEP 2020 need to be integrated and should find a match with the curriculum being offered at NIT, Kurukshetra, and other institutes.

At the outset, I congratulate you, the young graduates, and my best wishes. This convocation is marked by a special distinction that has made it all the more special. The distinction comes from the inspiring presence of our chief guest, the Hon'ble President of India, Smt. Droupadi Murmu Ji. Madam, the Institute takes pride in hosting you as the Hon'ble Chief Guest of the 18th Convocation (Diamond Jubilee Year).

The Institute has entered the Diamond Jubilee Year of its inception in 1963, and therefore, a series of activities are under way or are being planned to be organized as part of yearlong celebrations starting July 1, 2022. The Diamond Jubilee Convocation is one such significant event being planned for two batches to be passed out in June 2020 and June 2021.

It has been a little more than eight months that I have taken pride in heading this reputed institute as the director and as the acting chairman of the board of governors. As such, I am privileged to be presenting this report in your hands on the Institute's activities, significant achievements in the last eight months or so, and future activities and plans outlining the course of action.

The Institute has a glorious past of over six decades, richly contributed by individuals and groups of individuals. The Institute was founded in 1963 as a Regional Engineering College, moved to its current campus in 1965, was renamed the National Institute of Technology in 2002, and was designated an Institution of National Importance in 2007. The Institute achieved an important milestone in its history when we celebrated its Golden Jubilee in the year 2013.

Over the course of its existence, the institute has expanded dramatically in terms of academic programs, infrastructure, and outreach. Today, the Institute is proud to offer seven B.Tech. programs, nineteen M.Tech. programs, as well as MBA, MCA, and Ph.D. programmes in all engineering, science, humanities, and social sciences disciplines. Since its very inception, the Institute has a commendable record of nurturing the enormous talent of this country and providing it with the best of technical education. In the course of this journey, the Institute has contributed immensely to technical education, research and development, and consultancy. It is worth mentioning here that the Institute has, over these years, mentored CRSCE Murthal, HEC Hisar, REC Hamirpur, REC Jalandhar, NIT Uttrakhand, and IIIT Sonipat. This year, the last batch of IIIT Sonipat has passed out from our institute.

For the first time, NIT is hosting convocation for two batches of students. In this convocation, the total number of candidates passed out in June 2020 and June 2021 who are being awarded B. Tech., M. Tech., and Ph. D. degrees is 1651, 674, and 154, respectively. In addition, 89 MBA and 148 MCA candidates have qualified for the award of their respective degrees. The meritorious students in various categories are felicitated by awarding medals, merit certificates, and cash prizes.

The number of admissions in 2022–23 for the B. Tech. programmes was 1136, which includes

admissions under DASA, ICCR, and MEA, and for the M. Tech. programs, it was 296. For MBA, it was 43; for MCA, it was 95; and for Ph. D., it was 37.

In the short span of eight months since I took over as director of NIT, the first challenge of the post-Corona period was to bring back all the students who were studying online to be on campus. With the unstinted support of all stakeholders, we have been able to achieve some important milestones and have taken important initiatives to take this Institute to greater heights. I am happy to share with you some of the initiatives and achievements of the last eight months or so that have improved the overall academic ambience of the Institute.

❖ **NIRF-2022**

It is a matter of pride to share that the institute has been consistently performing well in NIRF rankings, and in the recent NIRF rankings, our institute stood at the 50th position in the engineering category. Among NITs, NIT Kurukshetra has the 11th position in the NIRF rankings for 2022. This is due to the concerted efforts of all stakeholders—faculty, staff, students, and alumni. To make our institution the top-ranked NIT in the NIRF rankings in the next few years, all stakeholders engaged are working really hard.

❖ **Accreditation of UG and PG programs**

Accreditation of academic programmes in any Institution is critical to gaining international credibility and acknowledgment for the programmes. Realizing this fact, the accreditation of the UG and PG programmes of the Institute was given top priority, and the process was initiated for the same in the year 2017. As a result, five UG programmes were accredited in 2017 for three years, with one UG programme accredited for six years. For an extension of accreditation up to three more years, the visit of the NBA team took place in the month of January 2020, and all five UG programmes were accredited for another three years. 13 M.Tech. programmes and the MBA programme were recently accredited for three years, beginning in 2022. The efforts put in by the faculty, staff, and students towards this are duly appreciated.

❖ **Recruitment and promotion of Faculty**

The process of faculty recruitment at the level of Assistant Professor Grade-I was completed in October 2022. The most eligible internal faculty members (65) got promoted, and 47 new faculty members totaling 112 got selected as Assistant Professor Grade-I. This increase in the number of faculty members will improve the student faculty ratio and definitely help the Institute in its NIRF rankings.

❖ **Unnat Bharat Abhiyan**

The Institute has been designated as one of the 40 Regional Coordinating Institutes (RCI) all over India under Unnat Bharat Abhiyan (UBA), with IIT Delhi being the National Coordinating Institute, and as such has been given the responsibility of coordinating the UBA activities of the Participating Institutes (PIs) in the state of Haryana. The Institute, as RCI, is working towards achieving the goals and objectives of UBA. Besides, the Institute is a partner in UBA as a participating institute as well.

❖ **B.Tech. Curriculum Revision in line with NEP-2020**

The process for curriculum revision for all the B.Tech. programmes has been initiated in line with NEP-2020, focusing on value-based education, which will be effective from the academic session

2022–23. The classes with the revised curriculum are being imparted to the batch 2022–23 students from November 14, 2022, onwards.

❖ Academics collaborations (MoUs)

By entering into MoUs with academic and R&D organizations (National and International), efforts were made to improve collaborative research and academic activities. The following MoUs have been signed recently.

Sr. No.	MEMORANDUM OF UNDERSTANDING	Signing date	Validation
1.	United Nations Educational, Scientific, and Cultural Organization (UNESCO) Mahatma Gandhi Institute of Education for Peace and Sustainable Development(MGIEP)	02.03.2022	30.06.2024
2.	Defence Research and Development Organisation (DRDO)	26.05.2022	25.05.2027
3.	Guru Gobind Singh Indraprastha University (GGSIPU), Delhi	26.05.2022	25.05.2027
4.	Rajyoga Education and Research Foundation (RERF) – Education Wing, Mount Abu	27.04.2022	23.04.2027
5.	Heartfulness Education Trust (HET), Vijayawada	Under Process	
6.	Voronezh State University, Voronezh, Russia	Under Process	
7.	National University of Sciences, Technology, Engineering and Mathematics, Republic of Benine.	Under Process	

❖ Establishment of Thought Lab in the Institute partnering with RERF (Rajyoga Education and Research Foundation, Mount Abu)

To empower the thoughts of youth to build a world of peace, love, and universal harmony through the means of science and spirituality, a Thought Lab has been inaugurated in the institute by the Hon'ble Governor of Haryana on May 10, 2022. Among the many goals of Thought Lab are the following:

- (i) To enable individuals to gain control over their thoughts, feelings, and emotions through meditation and spiritual concepts.
- (ii) To gain insights on holistic personality development by creating interest among youth in values, spiritualities, etc.

❖ Establishment of Indian Knowledge System (IKS) Cell in the Institute

Indian Knowledge System (IKS) is an innovative cell under the Ministry of Education (MoE) at AICTE, New Delhi. An Indian Knowledge System Cell has been inaugurated in the institute on April 9, 2022, to promote interdisciplinary research on all aspects of IKS and preserve and disseminate it for further research and societal applications. The vision of this cell is to establish,

guide, and monitor subject-wise interdisciplinary research groups comprised of researchers from institutes, centers, and individuals. It contributes by promoting and enabling research to address the societal challenges faced today in areas like holistic health, psychology, neuroscience, nature, the environment, sustainable development, etc. From this academic year, a course on the Indian Knowledge System is included as an audit course, besides NSS, NCC, Yoga, sports, technical clubs, Indian languages (Sanskrit, Hindi, Telugu), foreign languages (German, French, Spanish), Vedic Mathematics, etc., where students earn credits, mainstreaming the courses as a part of achieving the objectives of holistic personality development as documented in NEP-2020.

❖ Establishment of Students' Council

To encourage the important stakeholders, the students, to participate in the student-related activities of the institute and develop their career, personality, and organisational skills through interactive programmes with the faculty, administration, and society, a Students' Council has been constituted in the institute. The purpose is to have a healthy interaction with the student community to help them realise their dreams by involving them in constructive activities of the institute that will improve and enrich their stay and make it memorable and resourceful.

❖ Conferences/Seminars/STC/FDPs

A large number of conferences, seminars, STCs, and FDPs were organised in the institute, contributing to the growth and development of the faculty and students and enhancing academic interactions with renowned academicians and researchers. To mention a few, the following are the noteworthy events organised recently:

1. The Department of Electrical Engineering at NIT Kurukshetra hosted a one-week GIAN Course on Precision Positioning Systems: Dynamics and Control from January 31 to February 4, 2022.
2. International Conference on Applied Computational Intelligence and Analytics (ACIA-2022) in Data Science was organised by the Computer Engineering Department of NIT Kurukshetra in collaboration with NIT Raipur during February 26–27, 2022 at NIT Raipur.
3. A two-day workshop on the role of the Bhagavad Gita in promoting world security and peace was held from March 10–11, 2022, where Commander V. K. Jaitley was the chief guest.
4. A one-week short-term course on "Research Methodologies and Scientific Research Writing using LaTeX (RMSRL-2022)" was organised by the Department of Electronics and Communication Engineering during March 12–16, 2022.
5. Dr. K.K. Aggarwal, Chairman of the NBA, was the Chief Guest at a two-day national workshop on value-based education on April 9–10, 2022.
6. A five-day workshop on "Ladder of Research" was organised by the Department of Electrical Engineering during April 14–18, 2022.
7. The Institute's Diamond Jubilee year was celebrated on May 10, 2022, with the Hon'ble Governor of Haryana, Shri Bandaru Dattatreya, as the Chief Guest.
8. The first event of the Diamond Jubilee Year Celebration held on July 1, 2022. The logo and schedule of events for the Diamond Jubilee Year were unveiled at this event.
9. A two days conference was held on "Promotion of Research, Mentoring & Dissemination of the IKS

Knowledge through Higher Education Institutions Under UBA" during 19–20 October, 2022.

10. Series of expert lectures were conducted in various departments of the Institute, as part of Diamond Jubilee Celebrations.

❖ Research & Development

In recent years, the institute has been doing remarkably well as far as the number of sponsored R&D projects is concerned. I am proud to share that

- i. In just a little over four months, the institute secured 7 R&D projects worth more than Rs. 75 lakh from various funding agencies.
- ii. Apart from this, the number of R&D projects under review with different funding agencies is 39, worth Rs. 23 crore.
- iii. It is worth noting that the institute is currently involved in 25 sponsored research projects.
- iv. Three core research projects have been sanctioned to the Department of Chemistry from SERB for a total of Rs 90 lakh. In addition, DST has approved another project in Haryana worth around 20 lakhs.
- v. Research output in terms of publications and consultancy:

The faculty of the institute is contributing immensely towards research and innovation. The faculty has contributed a good number of publications in reputed journals and conferences.

Year	Journals / Pub.	Conf.	Book Chap.	Total	Citation
2021-22	464	213	42	719	1707
2022-23	372	93	26	491	420

- vi. The number of Ph.Ds. produced is also on the rise substantially.

❖ Consultancy

The faculty is actively engaged in consultancy activities as well. It is worth mentioning that the revenue generated through consultancy for the last year was nearly Rs 10 crore.

Year	Consultancy amount (in lakhs)	Number of consultancy jobs
2021-22	753.75	907
2022-23	257.72	423

❖ Training & Placement

The institute's campus placement drive has gone very well for the academic session 2022–23, with leading companies visiting the campus for recruitment. The final year B.Tech. students of the institute have bagged jobs at companies like D. E. Shaw Group, Microsoft with an annual package as high as 62.75 lakhs and 51.03 lakhs, respectively.

- i. More than 82% of UG students have been placed on campus, with the highest package of 1.25 crores per annum and the average package of 13.89 lakhs per annum during the academic session 2021–22.
- ii. 150 PG internships were facilitated for the 2020–22 batch during the current academic year.
- iii. 811 UG internships were arranged for the 2019–23 batch during the last academic year (2021–22).
- iv. The major recruiters in the last academic year (2021–22) include: Microsoft, Google, Amazon, Nutanix, Adobe System, M'eesho, Udaan, GamesKart, Urban Company, Flipkart, Siemens Healthineers, Nvidia Graphics Pvt. Ltd., SAP Labs, Walmart Technology Services Ltd., Goldman Sachs, BPCL (PSU), Wells Fargo, and Engineers India Ltd. (PSU).

❖ **Cultural Exchange Program between Students of Telangana and Haryana**

To celebrate the unity in diversity of our nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our country, the Indian Government has introduced the "**Ek Bharat Shreshtha Bharat (EBSB)**" Scheme. The National Institute of Technology (NIT) Kurukshetra organised a one-week cultural exchange programme between Telangana and Haryana states during September 10–15, 2022, as part of the EBSB scheme.

It is a matter of pride that the inaugural function of this event was conducted in Raj Bhavan, Chandigarh. The honourable governor, Shri. Bandaru Dhattatraya, was kind enough to give us permission to conduct the event at Raj Bhavan and preside over the function. Around sixty students from NIT Warangal and NIT Kurukshetra attended the function along with faculty members. The inaugural function included various cultural activities by students of NIT Warangal and NIT Kurukshetra. The students of Telangana visited Abhimnayupur village, Abhimanyu fort, Surya wetland and temple, the Panorama Science Museum, and the Shri Krishna Museum in Kurukshetra. They also visited agricultural lands, where they witnessed traditional as well as modern techniques of cultivation.

❖ **Green Campus Initiatives**

Green campus initiatives have been implemented, such as e-mobility, vehicle free zones, covered pedestrian paths, cycle tracks, piped music, campus beautification through the placement of murals, national flags, graffiti, eco clubs, and so on.

❖ **Activities in Sports Section**

- i. Yoga Shivir was organised from February 26–28, 2022, in hybrid mode. We got an overwhelming response after NIT Kurukshetra concluded their three-day Yoga Shivir on February 28, 2022. The Shivir was conducted as an initiative under Aazadi ka Amrit Mahotsav to spread awareness about the physical and mental benefits of yoga in our daily lifestyles during February 26–28, 2022.
- ii. organised events on the occasion of International Women's Day on March 8, 2022. NIT Kurukshetra celebrated International Women's Day 2022 with great zeal. Pledging to break the bias in our communities, in our workplaces, in our schools, colleges, and universities The day also served as a rallying point for women's equality... Imagine a gender-equal world... A world free of bias, stereotypes, and discrimination... a world that's diverse, equitable, and inclusive, a world where difference is valued and celebrated. Together, we can forge women's equality.

Collectively, we can all "Break the Bias" on International Women's Day (IWD) and beyond!

- iii. Cricket matches between staff and students, both boys (6 March 2022) and girls (13 March 2022), were organised in the month of March.
- iv. The NIT Open Badminton Tournament for the Students of the Institute was organised April 02–03, 2022.
- v. NIT Kurukshetra's Sports Teams participated in the Spardha'21 Sports Fest organised by IIT BHU during April 15–17, 2022, which proved to be very lucrative indeed. The Institute's Badminton (boys), Basketball (girls), Football (boys), and Handball (boys) Teams secured Team Championship (gold), whereas the athletes bagged 05 gold, 08 silver, and 09 bronze medals, respectively, with the women athletes securing the 2nd position overall.
- vi. A one-month Power Yoga Camp was organised from May 20, 2022, to June 20, 2022, in the sports complex for the students, staff, and faculty, as well as their family members.
- vii. International Yoga Day was celebrated at the Institute on June 21, 2022. Around 1200 students, faculty, and staff members participated in the event with great zeal, along with the Chief Guest, Padamshree Yogeshwar Dutt ji, who graced the occasion and joined us during the mass demonstration.

Future goals/plans

❖ Starting of a School in the Campus

It is planned to start a school on the campus under the aegis of KV Sangathan and MoE, for which the land has been identified and further processing is being initiated.

❖ Infrastructure Development

Keeping in view ageing buildings, hostels, and residential housing, plans are afoot to develop eco-friendly, net-zero green buildings, international level hostels, hybrid classroom complexes, and multimedia labs for enhancing visual and audio content. This all is being planned to be set up during the next 5 years, spending a 1000 crores.

❖ Starting of New Courses in Evolving Technology Areas

It is planned to promote development of Multi-disciplinary futuristic ICT based B. Tech level self-financing courses along with online diploma, certificate courses in niche technology areas, such as Industrial IoT, Artificial Intelligence and Machine learning, AI & Data Science, Robotics and Automation, Renewable energy systems, mathematics and computing etc., these courses not only will cater to market demand globally but also focus on sustainable technologies for the health of mother Earth but also focusses on human index development towards promoting empathy and spiritual awareness etc., the focus primarily is on revenue generation (GDP) and self-sustainable education models keeping in line with NEP-2020 objectives and further, promoting Happiness Index. The focus should not be lost on the essentialities of developing innovative technologies for tackling the current and future challenges of tackling climate change, energy, food, and water security, as well as achieving accelerated economic growth with minimum or no penalty to environmental health in line with the SDGs.

Besides the above major activities, various routine academic activities are being conducted to

improve the teaching, learning, and research competence of the faculty, student learning, and student employability. In a nutshell, continuous efforts are made to improve the overall academic atmosphere in the institute, thereby elevating it to a higher level of excellence. We need to create in us and our university community a sense of pride in our ancient wisdom that once made India a cradle of globally acclaimed quality education and human development par excellence. Let us return to and emulate the glory of our Indian universities, such as *Nalanda* in Rajgir, Bihar, *Takshashila* in the North West, and *Vikramshila* in Ujjain, Central India.

With this, I once again congratulate you, my young friends. New India was created by you. We have achieved a lot, and let us all aspire and work sincerely to achieve even more so as to reach a much higher level and make our country a developed nation and the world, "Vasudeva Kutumbakam." One mankind, one world, one mother earth

Thank You.

Jai Hind!
