## About Kurukshetra

Kurukshetra is a place of religious pilgrimage and historical significance. It is the land of Mahabharata and place where sermons of 'Bhagwad Gita' were delivered. In medieval period, Thanesar, the old city was the seat of power of Harshwardhana. Kurukshetra is well connected to with rail/road. It is a railway junction on Delhi-Ambala section and is situated on National Highway No. 1 (G.T. Road). It is approximately 160 km away from Delhi, 100 km from Chandigarh. NIT Kurukshetra is about 10 km from Pipli and 6 km from Kurukshetra railway station.

## About NIT Kurukshetra

National Institute of Technology Kurukshetra is an institute of National Importance of the country and also has been a premier technical institute of the region. Founded in 1963 as Regional Engineering College Kurukshetra, the institute has been rechristened as National Institute of Technology, Kurukshetra on June 26, 2002. The campus extends over an area of 300 acres imaginatively laid down on a picturesque landscape. It presents a spectacle of harmony in architecture and natural beauty. The institute offers several courses in various disciplines of B. Tech, M.Tech, MBA, MCA and Ph.D. Institute provides excellent facilities for advanced research in the emerging areas of Engineering, Science, Technology, Psychology and Management. The institute has well qualified and dedicated faculty along with supporting staff, laboratories and other infrastructure. The infrastructure is geared to enable the institute to produce technical personnel of high quality.

## About Physical Education & Sports Section

Physical education and Sports Section, NIT Kurukshetra has extensive and well laid out fields for sports and games. Badminton courts, tennis courts, cricket pitch, indoor badminton hall football ground, volleyball court with lights and basketball court with lights, Kabaddi ground and swimming pool etc. are some of the facilities available to the students. Gymnasium center has been provided for health upkeep of students and staff members. It is fitted with the latest and state-of-the-art equipment for different physical exercises.
