S 50.10   **To consider the request of Defence Research & Development Organisation (DRDO) for offering some vacancies for DRDO sponsored candidates under Research & Training (R&T) scheme in M.Tech. programmes of the Institute.**

Two letters have been received from Deptt. of Human Resource Development, DRDO HQR, New Delhi on 28.11.2022 and 13.01.2023, respectively requesting to offer some vacancies exclusively for DRDO sponsored candidates under Research & Training (R&T) scheme in M.Tech. programmes of the Institute.

It is pertinent to mention that there are 05 seats in each M.Tech. specialization under sponsored category and that for the last couple of years, there has been very less number of admissions under sponsored category.

In view of above and in order to increase the number of admissions in M.Tech. programmes, the request of DRDO may be discussed in the Senate for appropriate decision.

The relevant documents are attached as Annexure S 50.10 from pages 162 to 168.

The Senate may consider and decide.

S 50.16   **To consider the proposal to enhance the intake in M.Tech. programmes under self-finance.**

The number of admissions in M.Tech. programmes in the Institute has been low consistently for the past few years and are on a declining trend. As a result, the Institute facilities and infrastructure are not being utilized optimally and also low number of admissions is adversely affecting the research outcome and NIRF ranking of the Institute.

In view of this, it is proposed to enhance the intake, equal to the sanctioned intake, in each M.Tech. programme under self-finance. The self-financed candidates will not get any financial support from the Institute, GATE score will not be mandatory for admission to under self-finance. The admission to these seats will be made through Spot Counselling by issuing notification on the Institute website with details in this regard. The fee structure of the candidates admitted under self-finance will have 50 % higher tuition fee compared to the un-reserved candidates admitted to the M.Tech. programmes through CCMT counselling. There will be no relaxation in the fee irrespective of the category of the candidate.

It is pertinent to mention that some of the NITs such as NIT Warangal, NIT Delhi already have enhanced seats in their M.Tech. programme under self-financed category. The relevant documents are enclosed as Annexure S 50.16.

If approved, the admissions will be made under this category from the academic year 2023-24 after getting the approval of the BoG of the Institute.

The Senate may consider and decide.
