SIEMENS CENTRE OF EXCELLENCE

NATIONAL INSTITUTE OF TECHNOLOGY KURUKSHETRA

Training Program Overview

Certification	**Beginner level Program on Industrial Robotics (Robotics Lab)** All registered participants will be awarded certification from SCoE, NIT Kurukshetra.
Eligibility	B.Tech. students NIT Kurukshetra (All branches)
Learning Objectives:	Trainee will learn to operate and understand the working fundamentals of Industrial Robotics.
Course structure	✓ Module Introduction to Robots and Robotics Jogging and Motion Types Program Creation and editing Calibration Practice Welding Command and Parameter editor Application Testing
Course Duration	30 Hrs (Start date: 19 Feb 2024)
Program fees	**550/**- (Only overhead & maintenance charges for NIT KKR students)
Program USP's	Opportunity to work on Industry grade Robotic machines
Key take away	Hands on operating exposure on latest industrial machine used for production and material handling.
Batch Size	Minimum 10 Nos.
How to join	**Step 1:** Make payment (Refer below link for guidance on payment process- open link in browser) and share the receipt/screenshot of payment at ***scoe@nitkkr.ac.in*** https://in.docworkspace.com/d/sIM7Emfxayp3zrAY?sa=e1&st=0t

Step 2: Fill Registration form and upload the receipt/ screenshot of payment (link below)

https://docs.google.com/forms/d/e/1FAIpQLSemZSZLaUEzIyL

Step 3: Acknowledge e-mail shall be sent by **scoe@nitkkr.ac.in** having your Enrolment/ UID details

Step 4: Join the course

For any enquiry, please write to: scoe@nitkkr.ac.in or contact Kamal Bura (Trainer Industrial Robotics): 9729600298
