**Instructions/conditions**

1. All the additional accessories should be defined in quotation.
2. Quotations must quote their rates including material, labour charges, fixation charges and all taxes of government.
3. Warranty / Guarantee: As provided by company.
4. Service and maintenance = one year; the date will begin from the date of satisfactory installation and commissioning. The supplier shall be bound to repair/replace free of cost any material/goods/assets/service processed and supplied by him, which become defective due to faulty design, material or workmanship or any other reason within 12 months from the date of completion of final installation.
5. No advance payment will be made. Payment will be done after the successful and acceptable installation of the items with standard accessories.
6. Any other applicable taxes, charges etc. should be declared in the quotation. Any component of rates, not declared will not be considered later on.
7. Installation period: Within 15 days from the date of purchase order.
8. The supplier shall visit site at least once in every three months to carry out preventive maintenance and fine-tune/calibration of the CCTV camera besides regular service calls during the warranty period.
9. In any dispute, decision of the chief warden will be final and applicable.
