Dated: 10.10.2024

**Sub: Cancellation of Previous Quotations for Installation of Internal Piping and Burner Modifications for PNG Connections**

We regret to inform you that after a thorough review, the quotations submitted by all the vendors for the installation of internal piping and burner modifications for PNG connections in the boys' hostels at NIT Kurukshetra do not meet the technical specifications outlined in our request.

As a result, we are compelled to cancel the previous quotations provided by all the vendors. We appreciate the effort and time invested in preparing these quotations, but it is imperative that all technical requirements are met to ensure the safety and efficiency of the installations.

We encourage you to submit fresh quotations in respect of the revised call of quotations regarding internal piping and burner modifications etc., for PNG connections in the kitchen of all the Boys' & Girls' Hostels of NIT Kurukshetra. All the vendors are requested to submit a fresh quotation that aligns with our requirements.

Dr. Mohit Dua  
Chairman Committee
