TABLE AGENDA

Item 27.5 To consider tie-breaking rules among students having the same SGPA/CGPA for award of academic prizes, certificates, medals etc.

The Senate discussed various options suggested by the members for resolving the tie among students having the same SGPA/CGPA for award of academic prizes, certificates, medals. It was decided that the tie may be resolved by using the following criterion.

For all programmes, for the students having tie at the top position, the CGPA/SGPA of previous semesters will be considered in reverse order up to the first semester of that programme till the tie is resolved. Thus, among the students who have tie, the student who has higher CGPA/SGPA in the previous semester (s) will be declared the topper.

The Senate approved the above tie-braking rule and confirmed the minutes of this agenda.
