Message

With immense joy I extend my heartfelt congratulations to NIT, Kurukshetra for holding its 19th convocation. Today, we gather not only to celebrate our students' academic journey but also to honour their remarkable achievements, resilience, and growth that have defined their time with us.

As you stand on the threshold of a new chapter, reflect upon the knowledge you have acquired, the challenges you have overcome, and the friendships you have forged. This moment is not just a milestone but a testament to your dedication, hard work, and unwavering commitment to excellence. Throughout your academic journey, you have demonstrated not only academic prowess but also the ability to adapt, innovate, and inspire.

Remember, education is not just about acquiring facts; it is about fostering a mindset of curiosity, critical thinking, and a lifelong love of learning, and preparing yourself to build an inclusive society. As you step into the future, carry with you the values instilled during your time here integrity, compassion, and the belief that positive change begins with each one of you.

In the face of uncertainty, you are the architects of tomorrow. While today marks the end of one chapter, it heralds the beginning of a new and exciting journey. As you embark on your chosen paths, be it further education, careers or other pursuits, always remember that the journey is as important as the destination.

Cherish every experience, learn from every setback, and savour the victories – both big and small. To the families, friends, and faculty members who have supported and guided our graduates, thank you for being an integral part of their success. Your encouragement has played a crucial role in shaping these exceptional individuals.

Message

It is a pleasure to learn about the forthcoming 19th Convocation Ceremony scheduled for the November 17, 2024 at the National Institute of Technology, Kurukshetra. Education serves as the fuel that powers a nation's progress, driving growth and innovation across all sectors. It provides the essential foundation for economic development, social transformation, and technological advancement. Institutions like the NITs play a key role in driving this advancement. They not only impart technical education but also nurture a holistic growth environment where students are equipped with the latest technologies and guided by ethical compass. The remarkable contributions of NIT Kurukshetra in shaping the country's technical workforce and empowering young minds to excel in various fields deserve special recognition.

I extend my sincere congratulations to all stakeholders of NIT Kurukshetra for their dedicated effort in making this Convocation a success, and I convey my best wishes to all the graduating students. May you embrace the future with confidence, pursue your dreams with compassion, and achieve great heights in your careers and lives ahead.

Message

I am glad to share that the National Institute of Technology, Kurukshetra is organizing its 19th Annual Convocation. I convey my sincere congratulations and best wishes to all the graduating students.

The excellent caliber of the graduates of this institute over the years goes to show how far this Institute of National Importance has emerged. The merit of National Institute of Technology (NIT) is showcased by their persistent contribution by producing highly proficient workforce for the development of our nation. Nurturing students to bring out their best self and providing them with an outstanding platform for their future is something that all the NITs have always aspired and achieved. We all are aware that our students are the country's future and the most productive segment of our society. They must realize their full potential and do everything in their power to become active contributors to the empowerment of the nation with a special attention to those from underprivileged sections of the society.

The institute has left no stone unturned, in implementing and adopting all the key theme areas of National Educational Policy-2020. Developing holistic personalities and promoting teaching sustainable technologies have been the key pointers in our curriculum, while shifting focus from outcome based education model to value based education model.

At last, I would also like to convey my sincere thanks to the parents, guardians of our graduates for their patience, understanding, sacrifices and unwavering support – both moral and financial – during these challenging but rewarding years at the Institute. My hearty congratulations and best wishes to all the recipients of the Degree for a fulfilling career and bright future.

"यत्र योगेश्वरः कृष्णो यत्र पाथो धनुर्धरः । तत्र श्रीविजयो भूतिर्धूवा नीतिर्मतिर्मम ॥ 18.78 ॥ 18.78

Wherever is Krishna, the Lord of Yoga; wherever is Arjuna, the wielder of the bow; there are prosperity, victory, happiness and firm policy; such is my conviction.

Welcome to NIT Kurukshetra...the land of righteousness.....

Most Respected Chief Guest, Hon'ble Governor of Haryana, Shri Bandaru Dattatreya garu, Guests of Honor, Shri Nayab Singh Saini Ji, Hon'ble Chief Minister, Government of Haryana, Dr. Satheesh Reddy G Garu, and Members of the Board of Governors, Members of the Senate, faculty and staff of the Institute, degree recipients, medal and award winners, distinguished guests, members of the media, ladies and gentlemen:

It is an immense privilege to stand before you today at this momentous occasion, as we gather to celebrate your remarkable achievements and the beginning of the next chapter in your lives. I extend a very warm welcome to you all on the 19th Convocation of NIT Kurukshetra, "Institution of National Importance."

At the outset, I congratulate you, the young graduates, and my best wishes. This convocation is marked by a special distinction that has made it all the more special. The distinction comes from the inspiring presence of our Chief Guest, Hon'ble Governor of Haryana, Shri Bandaru Dattatreya garu. Sir, the Institute takes pride in hosting you as the Hon'ble Chief Guest of the 19th Convocation.

Today is the culmination of years of hard work, dedication, and perseverance. You have faced challenges, overcome obstacles, and emerged stronger. Whether you are receiving a degree, or an academic distinction, this day is yours—a day that marks not just the end of one journey, but the exciting beginning of another.

As I look out at all of you, I see not just the graduates of NIT Kurukshetra but the future leaders, innovators, and change-makers of the world. Your time here was more than just about gaining knowledge—it was about growth, discovery, and transformation. You've learned lessons not just from textbooks, but from each other, from your experiences, and from the challenges you've faced.

You may not remember every lecture or every test, but I am confident that you will carry with you the wisdom gained from those who taught you and from those you taught. You've learned how to think critically, to work collaboratively, and to embrace diversity of thought. These lessons are priceless, and they will serve you well as you step into the world beyond these walls.

On this august gathering and occasion, it is pertinent to know that the quest of human civilization relied on inquiry, creativity, and innovation with a sense of curiosity, which has been the hallmark of human development. Eventually, this led to the establishment of NITs, IITs, IIMs, and other centres of learning after independence. In such institutions, over the years, an environment of learning to know the world around and creating capabilities for working and living in harmony with nature has been developed.

Let us be reminded that, we also find advanced scientific and technological developments in our ancient Indian texts. Humans got nurtured from generation to generation through a well-established system of learning and scholastic pursuit in the Gurukuls and Ashramas of ancient India. Education has been integrated with universal human values and ethics since Vedic times by cultivating knowledge and capabilities as well as the human values of truthfulness, purity of mind, simplicity, humility, compassion, and peaceful coexistence. The education was the backbone of the wonder that was India, a world leader and global destination of quality higher education and scholastic pursuits. I dream of transforming NIT Kurukshetra as Taxashila of yester years.

Unfortunately, our current education models are driving us away from nature by exploiting the resources of Mother Earth and depleting non-renewable energy resources. The time has come where our current technology-driven education system needs to be revisited based on the new Education Policy NEP-2020 and corrective measures taken to impart the right education, which is holistic and multi-disciplinary, where inventions and innovations should be sustainable, bringing back Mother Earth as a pristine heaven on Earth to be inhabited by generations to come. As per the NEP 2020, "the education pedagogy must evolve to make education more experiential, holistic, integrated, inquiry-driven, discovery-oriented, learner-centered, discussion-based, and flexible." It also laid a great emphasis on the development of not only the cognitive capacities, such as critical thinking and problem-solving abilities, but also the social, ethical, and emotional capacities. The rich scientific, spiritual, and philosophical heritage of ancient India and the eternal Indian knowledge guiding NEP 2020 need to be integrated and let me assure that such is the effort at NIT Kurukshetra in transforming our curriculum from outcome based education model to value based education model.

As you step into the world beyond these walls, it is important to reflect on the growth and progress we've made together as an institution. Over the past two and half years, NIT Kurukshetra has achieved significant milestones:

Since the day I took over as Director of NIT, the first challenge of the post-Corona period was to bring back all the students who were studying online to be on campus. You are a witness to this transformation from online education mode to offline campus life.

With the unstinted support of all stakeholders, we have been able to achieve some important milestones and have taken important initiatives to take this Institute to greater heights. I am happy to share with you some of the initiatives and achievements since the last convocation held in November 2022. The following achievements would not have been possible without the dedication of our exceptional faculty and staff, and the support of our families and friends.

- We have seen our academic programs evolve, with new courses and innovative teaching methods introduced to keep pace with the rapidly changing world.
- Our research initiatives have continued to thrive, with faculty and students collaborating on

groundbreaking projects in fields such as Drone technologies, low cost housing, ICT areas etc.,

- Our commitment to creating an inclusive, diverse, and supportive campus environment remains at the core of our mission, ensuring that every student who walks through these doors has the tools and resources they need to succeed.

The Institute has a glorious past of over six decades, richly contributed by individuals and groups of individuals. The Institute was founded in 1963 as a Regional Engineering College, moved to its current campus in 1965, was renamed the National Institute of Technology in 2002, and was designated an Institution of National Importance in 2007. The Institute achieved important milestones in its history when we celebrated its Golden Jubilee in the year 2013 and subsequently the Diamond jubilee in the year 2022.

Since its very inception, the Institute has a commendable record of nurturing the enormous talent of this country and providing it with the best of technical education. In the course of this journey, the Institute has contributed immensely to technical education, research and development, and consultancy. It is worth mentioning here that the Institute has, over these years, mentored CRSCE Murthal, HEC Hisar, REC Hamirpur, REC Jalandhar, NIT Uttrakhand, and IIIT Sonipat. This year, the last batch of IIIT Sonipat will be receiving their degrees in this convocation.

For the first time, NIT is hosting convocation for three batches of students. In this convocation, the total number of candidates passed out in June 2022, 2023 & 2024 who are being awarded B. Tech., M. Tech., and Ph. D. degrees is 2891 (including 81 students of 2018 batch of IIIT Sonepat), 977, and 126 respectively. In addition, 125 MBA and 269 MCA candidates have qualified for the award of their respective degrees, totaling 4388. The meritorious students in various categories are felicitated by awarding medals, merit certificates, and cash prizes.

The number of admissions in 2024–25 for the B. Tech. programs was 1151, which includes admissions under DASA, ICCR, and MEA, and for the M. Tech. programs, it was 287. For three M.Sc. programs, it was 78, for MBA, it was 41; for MCA, it was 95; and for Ph.D., it was 63 totaling 1715.

❖ New UG and PG programmes

Three new UG and PG programmes have been started from the academic session 2023–24 and five new UG programmes have been started from the academic session 2024–25. Over the course of its existence, the institute has expanded dramatically in terms of academic programs, infrastructure, and outreach. The Institute offers 15 Graduate programs, 22 Post-Graduate and Ph.D. programs. Out of 15 Graduate programs 8 (Eight) programs have been introduced during Academic Year 2023–2024 (03 Nos.) and 2024–2025 (05 Nos.). Academic Graduate programs introduced during 2023–2024 are (1) Industrial Internet of Things, (2) Mathematics & Computing and (3) Artificial Intelligence & Machine Learning. Additionally, three M.Sc. programs are also started in the year 2023–2024 namely (1) M.Sc. (Physics), (2) M.Sc.(Chemistry), and (3) M.Sc. (Mathematics). Academic Graduate programs introduced during 2024–2025 are Five (5) new Graduate programs started in the current academic session (2024–2025) are (1) Micro Electronics & VLSI (2) Artificial Intelligence & Data Science (3) Sustainable Energy Technologies (4) Robotics & Automation, and (5) Bachelor of Architecture and Planning. Also Five (5) Integrated B.Tech. and M.Tech. programs have been introduced in the year 2024–2025 in (1) Computer Science and Engineering (2) Civil Engineering (3) Electrical

Engineering (4) Electronics and Communication Engineering and (5) Mechanical Engineering. Besides 15 minor degree programs are introduced for the benefit of students interested in honing their skills in other disciplines of their choice.

❖ **NIRF-2024**

It is my pleasure to share that the institute has been consistently performing well in NIRF rankings, and has been ranked amongst top 100 institutions of the country since NIRF inception from 2016 onwards. However, steps are being taken to ensure Nit Kurukshetra ranks in the top of the chart among Sister NIT's in the NIRF ranking by 2030. This is bound to happen as all stakeholders are working really hard and I assure you that NIT Kurukshetra will definitely emerge as one of the leading institutions in times to come.

❖ **Accreditation of UG and PG programs**

Accreditation of academic programmes in any Institution is critical to gaining international credibility and acknowledgment for the programmes. Realizing this fact, the accreditation of the UG and PG programmes of the Institute was given top priority. Five UG programmes were accredited for six years and preparations for next round of accreditation is underway. 13 M.Tech. programmes and the MBA programme were accredited for three years, beginning in 2022. The efforts put in by the faculty, staff, and students towards this are duly appreciated.

❖ **Recruitment and promotion of Faculty**

In all 150 new faculties were inducted into the system over the last two years. 05 Associate Professors were appointed as Professor. The AGP of 08 of Professors had upgraded to HAG Scale. Further, the recruitment for the posts of Assistant Professor Grade-II (53 nos.), Assistant professor Grade-I (13 nos.) and Associate Professor (11 nos.) are under process and awaiting BoG decision in this regard. This increase in the number of faculty members to about 260 and will improve the student faculty ratio and definitely help the Institute in its NIRF rankings.

❖ **Recruitment of Non-Teaching**

Total 36 nos. of non-teaching persons have joined against the Advt.No.03/2023 at various levels.

❖ **Unnat Bharat Abhiyan**

The Institute is partner as the Regional Coordinating Institutes (RCI) under Unnat Bharat Abhiyan (UBA), with IIT Delhi being the National Coordinating Institute, and as such has been coordinating the UBA activities of the Participating Institutes (PIs) in the state of Haryana. The Institute, as RCI, is working towards achieving the goals and objectives of UBA. Besides, the Institute is a partner in UBA as a participating institute as well.

❖ **B.Tech. Curriculum Revision in line with NEP-2020**

In line with NEP-2020, the curriculum of all B.Tech. & M.tech programmes has been revised and the classes with the revised curriculum are being held from the Academic Year 2022-2023 onwards.

❖ **Academics collaborations (MoUs)**

By entering into MoUs with academic and R&D organizations (National and International), efforts were made to improve collaborative research and academic activities. The following MoUs have been signed recently.

Sr.	MEMORANDUM OF UNDERSTANDING	Signing Date
1.	Heartfulness Education Trust Vijayawada	30.08.2022
2.	Indian Council for Cultural Relations	18.04.2023
3.	Ministry of Education Government of India Regarding : Multidisciplinary Education and Research Improvement in Technical Education (MERITE)	22.05.2023
4.	All India Council for Technical Education, New Delhi Regarding : J&K Students Internship	26.05.2023
5.	Bureau of Indian Standards (BIS)	14.08.2023
6.	ISKCON Kurukshetra	26.09.2023
7.	CSIR-Central Road Research Institute, New Delhi	10.10.2023
8.	HP Oil Gas Company, Mumbai	30.11.2023
9.	NIELIT	13.08.2024

❖ **Patents**

The Institute has been awarded 54 patents till now on various technologies and innovations.

❖ **Activities of Thought Lab in the Institute partnering with RERF (Rajyoga Education and Research Foundation, Mount Abu)**

To empower the thoughts of youth to build a world of peace, love, and universal harmony through the means of science and spirituality, a Thought Lab was inaugurated in the institute in 2022 with a vision to empower individuals to gain control over their thoughts, feelings, and emotions through meditation and spiritual concepts. In the last two years, the thought lab has conducted numerous expert talks, workshops for mental wellbeing of the students, faculties and staff of the Institute. They got insights on holistic personality development by creating interest among youth in values, spiritualties, etc. through various initiatives undertaken by the Thought Lab.

❖ **Establishment of Indian Knowledge System (IKS) Cell in the Institute**

Indian Knowledge System (IKS) is an Innovative Cell under the Ministry of Education (MoE) at AICTE, New Delhi. An Indian Knowledge System Cell has been established in the institute on April 9, 2022, to promote interdisciplinary research on all aspects of IKS and preserve and disseminate it for further research and societal applications. The vision of this cell is to establish, guide, and monitor subject-wise interdisciplinary research groups comprised of researchers from institutes, centers, and individuals. It contributes by promoting and enabling research to address the societal challenges faced today in areas like holistic health, psychology, neuroscience, nature, the environment, sustainable development, etc. From this academic year, a course on the Indian Knowledge System is included as an audit course, besides NSS, NCC, Yoga, sports, technical clubs, Indian languages (Sanskrit, Hindi, Telugu), foreign languages (German, French, Spanish), Vedic Mathematics, etc., where students earn credits, mainstreaming the courses as a part of achieving the objectives of holistic personality development as documented in NEP-2020.

❖ Establishment of Students' Council

To encourage the important stakeholders, the students, to participate in the student-related activities of the institute and develop their career, personality, and organisational skills through interactive programmes with the faculty, administration, and society, a Students' Council has been constituted in the institute. The purpose is to have a healthy interaction with the student community to help them realise their dreams by involving them in constructive activities of the institute that will improve and enrich their stay and make it memorable and resourceful.

❖ Conferences/Seminars/STCs/FDPs organized (July 01, 2023 – November 14, 2024)

A large number of conferences, seminars, STCs, and FDPs were organised in the institute, contributing to the growth and development of the faculty and students and enhancing academic interactions with renowned academicians and researchers. To mention a few, the following are the noteworthy events organised recently:

Sr. No.	Name of the Activities	Organized/Conducted	Attended under CPDA
1.	Conference/Symposium

2.	Seminars	-	-
3.	STCs/Workshops	47	20
4.	FDPs/MDPs	02	15
5.	Expert Lectures	05	-

❖ Research & Development

In recent years, the institute has been doing remarkably well as far as the number of sponsored R&D projects is concerned. I am proud to share that

- The institute secured 7 R&D projects worth more than Rs. 299.46 lakh from various funding agencies so far.
- Apart from this, the number of R&D projects under review with different funding agencies is 56, worth Rs. 36 crore.
- It is worth noting that the institute is currently involved in 27 sponsored research projects ongoing worth more than Rs. 850.38 lakh from various funding agencies.
- Research output in terms of publications and consultancy:

The faculty of the institute is contributing immensely towards research and innovation. The faculty has contributed a good number of publications in reputed journals and conferences.

❖ Cultural Exchange Program between Students of Jharkhand and Haryana

To celebrate the unity in diversity of our nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our country, the Indian Government has introduced the "Ek Bharat Shreshtha Bharat (EBSB)" Scheme.

As part of EBSB scheme the 20 cadets of the NCC Units of the NIT Kurukshetra visited Guntur, Andhra Pradesh during 15.06.23 to 26.06.23 for their annual camp and witnessed the rich culture of Andhra Pradesh. They also learned the basics of telugu language which is a very old language of south india.

The Yuva Sangam, as an academic program, is envisaged to provide an immersive experience of development, landmarks, recent achievements, and connect the youth studying in various

Institutions across the country. During the visits, the students had a multi-dimensional exposure under five broad areas – Paryatan (Tourism), Parampara (Traditions), Pragati (Development), Prodyogik (Technology), and Paraspar Sampark (People-to-people connect).

The National Institute of Technology (NIT) Kurukshetra organised a one-week cultural exchange programme between Jharkhand and Haryana states during 23.11.23 – 30.11.23, as part of the EBSB scheme. This programme was named as Yuva Sangam-2023.

In this programme, around 60 students of IIIT, Ranchi, Jharkhand state and the 06 teachers of Jharkhand state visited NIT Kurukshetra and witnessed the culture of the Gurukul in Haryana by visiting Gurukul Kurukshetra. They also visited ancient places of the Mahabharata era like Abhimanyupur, Jyotisar, Brahma Sarovar etc. and they tuned with the rich cultural history of Indian mythology.

Similarly, around 60 youngsters of NIT Kurukshetra along with 06 faculty members participated in the Yuva Sangam at IIIT Ranchi to exchange the ethos of Indian culture in the month of Dec-2023. This project aimed at connecting and strengthening the bond between young people of the partnering states Jharkhand and Haryana during the 2023 academic year.

Future goals/plans

❖ Infrastructure Development

Keeping in view ageing buildings, hostels, and residential housing, plans are afoot to develop eco-friendly, net-zero green buildings, international level hostels, hybrid classroom complexes, and multimedia labs for enhancing visual and audio content. This all is being

planned to be set up during the next 5 years, spending a 1000 crores. HEFA loan of Rs. 277.13 crores for the construction of one boy's hostel of capacity 1837 students and one ICT building of G+5 has also been applied and is in advance stage of approval. Under Viability Gap Funding (VGF), a fund of Rs200 crore is being raised for developmental activities such as Housing for faculty and non-teaching staff (200) and further raise Convention centres (5).

❖ Starting of New Courses in Evolving Technology Areas

It is planned to promote development of Multi-disciplinary futuristic ICT based B.Tech level self-financing courses along with online diploma, certificate courses in niche technology areas, such as Industrial IoT, Artificial Intelligence and Machine learning, AI & Data Science, Robotics and Automation, Renewable energy systems, mathematics and computing etc., these courses not only will cater to market demand globally but also focus on sustainable technologies for the health of mother Earth but also focusses on human index development towards promoting empathy and spiritual awareness etc., the focus primarily is on revenue generation (GDP) and self-sustainable education models keeping in line with NEP-2020 objectives and further, promoting Happiness Index. The focus should not be lost on the essentialities of developing innovative technologies for tackling the current and future challenges of tackling climate change, energy, food, and water security, as well as achieving accelerated economic growth with minimum or no penalty to environmental health in line with the SDGs.

Besides the above major activities, various routine academic activities are being conducted to improve the teaching, learning, and research competence of the faculty, student learning, and student employability. In a nutshell, continuous efforts are made to improve the overall academic atmosphere in the institute, thereby elevating it to a higher level of excellence. We need to create in us and our university community a sense of pride in our ancient wisdom that once made India a cradle of globally acclaimed quality education and human development par excellence. Let us return to and emulate the glory of our Indian universities, such as Nalanda in Rajgir, Bihar, Takshashila in the North West, and Vikramshila in Ujjain, Central India.

Let me end my exhortation, my Dear degree recipients, now, as you stand on the threshold of your future, I want to remind you that education is not the end of your learning journey, but rather the beginning of a lifelong adventure. The world you are entering is filled with possibilities, challenges, and opportunities. It will demand the best of you—your creativity, your compassion, your resilience, and your ability to adapt.

Remember, the world doesn't just need more knowledge—it needs wisdom, empathy, and a commitment to making the world better for everyone. You are poised to be a generation that can make a difference, one that will tackle the pressing issues of our time—climate change, inequality, and social justice—just to name a few. The tools you've gained here, the knowledge you've acquired, and the values you've developed will guide you as you take on these challenges. As you move forward, I urge you to stay curious. Never stop asking questions. Never stop seeking answers. But also, never forget the power of kindness, collaboration, and humility. Be open to learning from others, and be courageous in sharing your own knowledge and ideas.

In moments of doubt, when the road ahead seems unclear, remember why you began this journey in the first place. It was not simply for a degree, but for the chance to make a difference, to leave your mark on the world. Let that sense of purpose guide you as you take the next step forward.

On behalf of Entire family of NIT Kurukshetra, I offer my heartfelt congratulations to each and every one of you. You are the pride of this institution, and we have no doubt that you will go on to achieve great things. As you leave this place and embark on your next adventure, may you be filled with the courage to dream, the passion to pursue those dreams, and the wisdom to lead others with compassion.

The world is waiting. Go forward with confidence.

With this, I once again congratulate you, my young friends. New India was created by you. We have achieved a lot, and let us all aspire and work sincerely to achieve even more so as to reach a much higher level and make our country a developed nation and the world, "Vasudeva Kutumbakam." One mankind, one world, one mother earth.

I would like to take a moment to thank the faculty and staff of my family. Your passion for teaching, your tireless commitment to mentoring students, and your unwavering belief in the potential of each individual have been instrumental in shaping the success of our graduates.

To the families and friends of the graduates—thank you. Your support, encouragement, and sacrifices have been a steady foundation for these students throughout their academic journeys. This day is as much a celebration of you as it is of our graduates.

Thank You.

Jai Hind!
