

**B.Tech. 6th Sem Open Elective (2024-25)****Tentative List of Open Elective**

The last date of reporting discrepancy (if any) in the list is 05.01.2025 (05:00 PM) to email ID academic@nitkkr.ac.in

**The final list and Roll sheet will be published on 06.01.2025 to the Institute website**

C: Civil Engg., CS: Computer Science Engg., EE: Electrical Engg., EC: Electronics and Communication Engg., ME: Mechanical Engg.

| Sr. No. | Institute Roll Number | Student Name               | Dept. | Allotment of Open Elective                | Subject Code |
|---------|-----------------------|----------------------------|-------|---|--------------|
| 1       | 12211001              | Prakriti Bisht             | C     | Total Quality Management                  | PIOE428      |
| 2       | 12211002              | Srishti Patel              | C     | Industrial Engineering and Management     | PIOE427      |
| 3       | 12211004              | Kashish Saini              | C     | Human Behaviour at Workplace              | HSEO-305     |
| 4       | 12211005              | Pooja Rani                 | C     | Bio and Chemical Sensors                  | CHOE-302     |
| 5       | 12211006              | Vinay Kumar                | C     | Bio and Chemical Sensors                  | CHOE-302     |
| 6       | 12211007              | Dhruv Gupta                | C     | Industrial Engineering and Management     | PIOE427      |
| 7       | 12211008              | Umang Singhal              | C     | Renewable Power Generation Systems        | EEOE-307     |
| 8       | 12211009              | Shashank Verma             | C     | Logistics & Supply Chain Management       | PIOE429      |
| 9       | 12211010              | Mohit                      | C     | Renewable Power Generation Systems        | EEOE-307     |
| 10      | 12211011              | Chaman Lal Yadav           | C     | Bio and Chemical Sensors                  | CHOE-302     |
| 11      | 12211012              | Kritin Kumar               | C     | Optical Fiber Communication Systems       | PHOE-304     |
| 12      | 12211013              | Danesh                     | C     | Total Quality Management                  | PIOE428      |
| 13      | 12211015              | Abhishek Sharma            | C     | Renewable Energy Systems                  | MEOE432      |
| 14      | 12211016              | Saurabh Upreti             | C     | Design and Analysis of Algorithms         | ITOE-302     |
| 15      | 12211017              | Laishram Kristopher Khuman | C     | Physics of Advanced Semiconductor Devices | PHOE-303     |
| 16      | 12211018              | Deepak Kumar Meena         | C     | Bio and Chemical Sensors                  | CHOE-302     |
| 17      | 12211019              | Ankit Kumar Meena          | C     | Elements of Power Systems Engineering     | EEOE-306     |
| 18      | 12211020              | Harsh Pandey               | C     | Industrial Engineering and Management     | PIOE427      |
| 19      | 12211021              | Saumya Kumari              | C     | Industrial Engineering and Management     | PIOE427      |
| 20      | 12211022              | Ruhita Shukla              | C     | Logistics & Supply Chain Management       | PIOE429      |
| 21      | 12211023              | Meenu Nayak                | C     | Logistics & Supply Chain Management       | PIOE429      |
| 22      | 12211024              | Juhi Singh                 | C     | Optical Fiber Communication Systems       | PHOE-304     |
| 23      | 12211025              | Harshit Rawat              | C     | Bio and Chemical Sensors                  | CHOE-302     |
| 24      | 12211026              | Pushpraj                   | C     | Physics of Advanced Semiconductor Devices | PHOE-303     |
