# ISEA PHASE–III PROJECT SPONSORED

## *Bootcamp on*
# Computer and Network Security Essentials

08 Mar 2025 (In-person at NITKKR)

09 Mar – 13 Mar 2025 (Hybrid Mode)

### Organized by
### Department of Computer Engineering, National Institute of Technology Kurukshetra, Haryana, India

## PROGRAMME HIGHLIGHTS

The current digital technologies are vulnerable to cyber threats. This boot camp aims to equip the participants with theoretical and practical knowledge in the areas of network configuration, threat detection, vulnerability detection and management, firewall setup, encryption, secure software practice, Intrusion detection, Cloud & IoT security, malware analysis and others. The Students will create as well as showcase mini-projects with expert guidance.
