No.Security/110

Date: 28/08/2026

FINAL NOTICE FOR CLAIMING UNCLAIMED BICYCLES

It is hereby informed that a number of bicycles have been lying unclaimed with the Security Section for a considerable period of time, i.e. 3-4 years.

In this regard, a Public Notice was earlier issued vide No. Security/82 dated 24.06.2026, providing an opportunity to all concerned to identify and claim their bicycles. However, some bicycles still remain unclaimed.

Therefore, all concerned students, staff members and campus residents are hereby given a final opportunity to identify and claim their bicycles within 10 days from the date of issue of this notice. The claimant must produce appropriate supporting documents establishing ownership of the bicycle at the time of claiming the same.

The bicycles may be inspected and claimed from the Security Section during working hours.

It may be noted that if no valid claim is received within the stipulated period of 10 days, the remaining unclaimed bicycles shall be treated as unclaimed property and disposed of through public auction as per Institute rules and procedures. The proceeds received from such auction shall be deposited with the Accounts Section of the Institute.

This notice is issued with the approval of the competent authority.
