Important mentions:

- B.Tech. students are available for a minimum of 16-week internship starting from January 2027.
- M.Tech students are available for 6 to 11-months internships starting from July 2026.
- MCA students are available for internship in their last semester starting from January 2027.
- Job offers up to 5 LPA CTC will be considered as a Bonus offer.
- Students having first offer's CTC $\leq$ 12 LPA, will be eligible for the second offer, provided 50% of their branch is placed and their second offer's CTC is 1.5 times the CTC of their first offer.
- For PSUs, the students are eligible irrespective of the previous offer or CTC. If the first offer is from PSU, then the student is not eligible for a second offer in any other PSU or private company.
- Students are eligible for the second offer, provided 80% of their branch is placed and their second offer's CTC is higher than their current CTC.
- Training & Placement Cell, NIT Kurukshetra encourages equal opportunity for all sections of the students with equal emphasis on Diversity, Equity, and Inclusivity (DEI). In addition to Gender Diversity consideration, Companies are strongly recommended to proactively support PwD/students with SLD, and other such applicants. If there are eligible PwD/SLD students, companies must take care of any of their special requirements.

Undertaking: I hereby declare that all the information provided in this form is true, complete, and correct to the best of my knowledge. I have read and understood the information provided in this form by the T&P Cell, NIT Kurukshetra.

Company Official's name	Designation	Mobile no.	Email ID	Signature
